Many agents overlook that they can increase their profits by working smarter and cutting expenses. Here are eight great strategies to boost your income:

1. Calculate how much you earn per hour
2. Eliminate non-productive opportunity costs. Carefully track which activities consistently generate leads and which activities generate little, if any, income.
3. Focus on referrals
4. Remember: Profit is always temporary
5. Limit your marketing spend
6. Price listings correctly
7. Have clarity about what your buyers really want
8. Seek customer feedback

We have to acknowledge that even the smartest people among us are incapable of familiarizing himself with all these new data. Fortunately, we are only required to deal with a very small amount of that vast number in our work and life. As those who devote himself to the field of information technology and management engineering, I sincerely believe that it is our responsibility to make efforts to accelerate the

advance of science in such fields The 2014 international Conference on Information Technology and Management Engineering thanks to the hard work of its committee will be held on April 26 and 27 in Hong Kong The ITME2014 covers a wide range of topics such as network protocols information theory and coding theory network security management theory project management public management knowledge management etc It is a great honor to us that numerous people from various countries including many famous experts and excellent researchers have shown their interest in this convention and submitted their latest studies to us as their support Among these studies we have selected about a hundred to be finally included in this proceeding after reviewing and discussing We believe that this collection of work will be of great value not only to the participants of ITME2014 but also to those who has a chance of meeting it The publication of this conference proceedings and the successful opening of ITME2014 owe its credit to a lot of people and institutions especially the ITME2014 committee the editors and DEStech Publications The committee has devoted much time to reviewing the papers submitted to ITME2014 and DEStech Publications publishing those accepted papers I would like to thank the committee and the press deeply here for their support to ITME2014 and I am eagerly looking forward to another chance for us to be a team again Finally let s wish together that the 2014 International Conference on Information Technology Own a Piece of Paradise In the Florida Keys David Meade, Anne Meade, 2015-12-15 The Keys real estate market has become a hot contender as one of the most valuable markets to invest in particularly since the world s stock markets have started to become so volatile these days All in all if you have money and are looking to invest it in real estate look no further than the Florida Keys The time is right The benefits of real estate are many and one of the most highly valued areas for people to invest in real estate is in the Florida Keys The Florida Keys has gained a reputation as a solid and dependable market Even during 2009 when a lot of markets saw their value drop the Florida Keys remained strong and thus attracted a great deal of investors It was the Florida Keys solidity during this period of financial turmoil that brought it to the attention of investors who were desperate for a way to keep the cash flowing Hotels in the island chain have seen their revenue per available room returns steadily increase For example during the general economic downturn in 2009 the Keys proved their resilience by recording only a nominal decline in this rate at 6.3 percent whereas nationally the average reached a 17.4 percent decline Real Estate Investment Trusts REITs from around the country have recently closed deals in the 90 million to 184 million range for acquisition of prime Keys properties Now the purpose of this book is to introduce the individual investor to the Keys I make note of REIT investment in the Keys only to illustrate a point it s an extremely robust market The key to investment is diversification If you have capital to invest and you need a primary home a second market home to generate rental income or if you re looking to establish an investment base look no further than the Florida Keys In the Keys you can buy everything from a one bedroom condominium to your own spectacular private island equipped with a state of the art solar system for self sufficient living You can buy a town home a duplex a corporate retreat a single family home or a luxury estate Spend

some time in the Keys and rent a houseboat a vacation rental or a house while you're looking. The Florida Keys are very popular for Europeans, South Americans, and Canadians seeking a real estate haven. You can purchase a residence for cash or for 20-30% down and finance the balance. The Florida Keys has great popularity as a tourist destination. It is the southernmost part of the United States, which means that it stays warm all year round. This gives it a universal perennial appeal as people can visit it during the winter months and enjoy the pleasant weather. The lack of a seasonality factor makes the Florida Keys a superior market to most other markets where tourism is the main source of profit. The Keys are a 126-mile long chain of 1,700 islands. This year alone, almost three million people are expected to visit. If you're looking for stunning beauty, look no further. The Keys are the only subtropical part of the United States. The Florida Keys has become an incredibly profitable real estate market. Increasing high demand for vacation rentals and home rentals has resulted in one of the most lucrative markets that one can possibly plan to invest in. Rental occupancy rates in the Keys are among the highest in the world. This book, written by a couple with expertise in real estate and business valuations, can show you how to own a piece of paradise.
