Real Baptism Religious Ritual Or Spiritual Reality:

Deconstructing Sacramental Theology and Reconstructing Catholic Ritual Joseph Martos, 2015-05-12 Catholic sacramental doctrine has lost much of its credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church's own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church's religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites Honest Rituals, Honest Sacraments Joseph Martos, 2017-12-28 Honest rituals are ceremonial actions that celebrate what is actually happening in people's lives Religious rituals however often celebrate beliefs and doctrines e.g. the birth of Christ God's forgiveness of sins or the gifts of the Holy Spirit that have little to do with people's experience Martos argues that early Christian rituals were grounded in experiences such as conversion community commitment and self giving Lacking a vocabulary to name such experiences the authors of the New Testament and other early documents resorted to metaphors such as baptism into Christ receiving the Holy Spirit forgiveness by God and the presence of Christ during worship By the fourth century however those metaphors were taken to be unexperienced metaphysical realities rather than experienced realities The medieval schoolmen developed philosophical explanations of what went on in church rituals and the Catholic Church continues to teach that its sacraments are automatically effective despite growing evidence to the contrary What if religious rituals were to regain their original authenticity What if the guiding value in designing church ceremonies was honesty rather than liturgical correctness After liberating the reader from doctrinal constraints Martos invites Catholics into a re-visioning of the traditional sacraments and a reawakening of ritual imagination in non-Western cultures *The Impact of Bodily Experience on Paul's Resurrection Theology* Kai-Hsuan Chang, 2021-09-23 Kai Hsuan Chang engages with the longstanding scholarly debate concerning the development of Paul's resurrection theology by investigating the correlation between his bodily experiences and his diverse articulations about resurrection Drawing on insights from cognitive linguistics Chang considers Paul's ideas about resurrection as fundamentally grounded in recurrent patterns of bodily experience arguing that such experience of some religious activities in Paul's time death rites spirit possession and baptism contributed to the formation and development of his resurrection theology Chang demonstrates that developments in Paul's ideas about bodily transformation

at resurrection reflected in 1 Corinthians 15 resulted from a change in the experiential patterns on which his new idea is constructed rather than transformation during heavenly ascent as seen in Jewish traditions of resurrection He thus applies cognitive linguistic tools to two considerations first whether Paul had contextual reasons to generate his innovation in 1 Corinthians 15 and second whether Paul's innovation recurred or had continual effects in Christian groups In so doing Chang shows that Paul's innovation directly addressed a contextual issue of death rites in Corinth and exerted a continuing effect on Paul's later ideas of transformation spirit possession and baptism

Ritual and Christian Worship Jeffrey A.

Truscott,2023-01-05 What exactly is ritual and why is it inherently a part of Christian public worship Could we worship without ritual Does the Christian tradition offer us any perspectives on ritual These are the questions explored in this book whose purpose is to serve as a user's guide to ritual for leaders and planners of Christian worship With the help of various perspectives the life sciences the Bible and Reformation theologians it seeks to explain ritual objectively winsomely and sympathetically Written by a scholar with many years of experience in teaching liturgics this book will help readers to appreciate ritual and become comfortable with themselves as participants in ritual

The Unholy Trinity Thomas Van

Dyke,2020-04-28 In this book I try to describe as clearly and simply as possible the Christian journey from a life lived in worldliness and defeat to a life lived in and through the grace of God I use the Biblical story of Israel's journey from Egypt to Canaan in an allegorical sense to show how God through the activities and resources of the Holy Trinity tries to bring us to that place of living in grace and how the devil through the unholy trinity the world the flesh and demonic resistance seeks to thwart that journey I focus on three fronts in the battle between the two trinities On the first front the devil works indirectly through the world system Egypt to deny us our freedom that we have due to the atonement Living under the illusion of pleasure we end up in extreme bondage On the second front the devil works indirectly through our flesh Amalek to hinder us from following the leadership of the Holy Spirit as He attempts to guide us into God's grace On the third front we can expect to experience a more direct conflict with the devil and his spiritual forces Canaan These demonic forces will try to oppose and negate all the benefits of God's promised grace that comes into our lives through Christ XXXXX

Testament Commentary - Galatians, Ephesians, Philippians, Colossians Max Anders,1999-11-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike

Christian Worship Franklin M. Segler,Randall Bradley,2006 Christian Worship

revised and expanded in this third edition is the complete reference handbook on the meaning expression and conducting of worship from its foundational elements to the very latest contemporary issues Taking into account cultural and denominational differences this broad resource clearly directs all church members in the number one priority of worshipping God Among the subjects addressed are Banners and Symbolism Do they have a place in worship Children in Worship Copyright Laws Does your church comply Drama and Elements of Worship What are the specific roles of music prayer

Scripture reading baptism preaching and the Lord's Supper **Liturgical Theology** Simon Chan, 2006-07-12 Evangelicals Simon Chan argues are confused about the meaning and purpose of the church in part because they have an inadequate understanding of Christian worship He calls evangelicals to develop a theology of worship that is grounded in a theology of the church He guides the reader through worship practices and their significance for theology spirituality and the renewal of evangelicalism in the postmodern era *Paul's Letter to the Romans* Ben Witherington III, Ben Witherington, Darlene Hyatt, 2004-03-02 Witherington gleans fresh insights from reading the text of Paul's epistle in light of early Jewish theology the historical situation of Rome in the middle of first century A D and Paul's own rhetorical concerns **Christian Charismatic Movements** Andrzej Siemieniewski, Mirosław Kiwka, 2021-10-11 The New Testament shows the early Church as having both stable institutions and dynamic growth in charismatic ministries In the twenty first century although many historically determined inessentials have changed the Church's structure remains fundamentally the same This study looks at New Testament ministries Eph 4 11 12 Baptism in the Holy Spirit and the history of the gift of tongues from the Acts of the Apostles through to the charismatics of our time to see how these elements contribute to the fast paced global phenomenon we call the pentecostalization of modern Christianity Our research shows that much of what appears to be novel in current ecclesial movements is the fruit of charisms that have been poured out from the beginning The disciples of Christ are still bringing out of his treasure what is new and old *Philo's Influence on Valentinian Tradition* Risto Auvinen, 2024-07-05 In this book Risto Auvinen reevaluates the relationship between the exegetical and philosophical traditions found in the works of Philo and those of the Valentinian gnostic tradition with a particular focus on the latter half of the second century Valentinianism's formative years Texts examined include fragments of Valentinus Heracleon and Ptolemy's Letter to Flora in addition to the Valentinian source included in the Excerpta ex Theodoto by Clement of Alexandria and related sections in Irenaeus's Adversus haereses Auvinen asserts that the number of parallels with Philo in the Valentinian sources increases the likelihood that there was a historical relationship between Philo's writings and Valentinian teachers These connections expand our knowledge not only of the preservation and circulation of Philo's texts in the latter part of the second century but also of the importance of the allegorical traditions of Hellenistic Judaism on Valentinus's school of thought and on Gnosticism more broadly *Systematic Theology/Historical Theology Bundle* Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine *Sick Religion or Healthy Faith?* Ryan Ahlgrim, 2016-05-10 Is it time to get rid of religion Not so fast says Ryan Ahlgrim It's time for us to define and demand healthy faith Despite the dysfunction and divisiveness seen too often in religion we continue to need a community of love and we yearn for a transcendent encounter that can heal us So instead of abandoning religion Ahlgrim outlines twelve characteristics of a healthy religious community and describes what a healthy Christian community of faith believes and practices Along the way he reveals the power of story

the genius of Jesus and the path to wholeness In the end we are faced with the most daring and fulfilling choice of all to embrace a community of love that trusts in God

The Primacy of God: The Virtue of Religion in Catholic Theology R. Jared Staudt, 2022-02-08 To contemporary minds the notion of justice toward God is seldom considered and often foreign Far more discussed is how God might either undermine or motivate social justice The Primacy of God by R Jared Staudt offers an important intervention With the aid of St Thomas Aquinas Staudt argues that it is vital for both contemporary society and contemporary Catholic theology to return to the traditional view of God as the one to whom all human and social action must be ordered and to recover the virtue of religion as the virtue which orders all other virtues to God Not only does Staudt helpfully remind readers of the ancient philosophical and biblical notion of worship as a dictate of the natural law he also illuminates the way in which Christian liturgy as an enactment of Christ's high priesthood is the great fulfillment of natural and biblical worship Accordingly Staudt secures religion as essential for the virtue of love This brings Staudt to criticize modern theologians like Karl Barth who claimed that religion is inherently idolatrous as well as Karl Rahner who claimed that love of neighbor is the highest moral act Staudt also considers the question of religious truth in light of the plurality of religions soliciting the assistance of Hans Urs von Balthasar and Joseph Ratzinger as well as the way in which religion relates to the development of culture engaging the great Catholic social historian Christopher Dawson The Primacy of God is a much needed work that ought to set the agenda for Catholic theology in the twenty first century

The Spiritual Seed — The Church of the 'Valentinians' Einar Thomassen, 2005-12-01 This book is a comprehensive study of Valentinianism the most important Gnostic Christian movement in Antiquity It is the first attempt to make full use of the Valentinian documents from Nag Hammadi as well as the reports of the Church Fathers The book discusses the difference between the Eastern and the Western branches of Valentinianism and argues that individual sources must always be understood in the context of the historical development of Valentinian doctrines It also analyses the ideas about the incarnation protological theories and initiation practice as well as the dynamic relationship between these building blocks of Valentinian doctrine A final chapter studies anew the doctrine of Valentinus himself and outlines the history of the movement The book's usefulness lies in its attempt to bring together for the first time all the sources so as to construct a coherent picture of Valentinian Christianity This volume is also available as paperback

Spiritual Mathematics John Dunne-Brady, 2014-02-13 This book opened an entirely new vista for organizing and using basic numbers It investigated standard linear numbers 1 2 3 4 5 and how they adversely affected our thinking and actions It carefully described a circular number system in which numbers were placed on

concentric circles rather than on straight lines This new arrangement might very differently and beneficially affect our daily thought processes and activities The key discovery involved a series of ten mandalas circular patterns made from everyday numbers The book correlated these new breakthroughs with ancient spiritual patterns and practices found in the I Ching Yoga Kabala and in both Pagan and Christian mysteries These older teachings included the chakras tree of life tarot cards and sacraments Spiritual Mathematics gave a scientific explanation for many spiritual values and sacred phenomena It also emphasized the underlying spiritual realities encountered within modern scientific dogmas **Without Resurrection,**

There is no Christianity Dr. Octavian Caius Obeada, At the heart of Christianity lies a pivotal claim the resurrection of Jesus Christ This singular event defines the faith and distinguishes it from all other religions philosophies and worldviews Without Resurrection There is no Christianity Challenges and Divisions embarks on an exploratory journey to understand why two millennia later the resurrection remains a beacon of hope for millions a subject of intense scholarly debate and a cornerstone of theological discourse history and faith in profound ways WHERE IS THE PAPERBACK AVAILABLE <https://amzn.to/3XDDa4Y> **Recalling the Hope of Glory** Allen P. Ross, Moving beyond worship wars over style and denominational proclivities this book considers all the major biblical passages about worship Regardless of their denomination pastors worship leaders and laypeople interested in the biblical themes of worship will benefit from this definitive resource
