Feature Writing N. MEERA RAGHAVENDRA RAO,2012-09-12 If we ask the lay readers why they read newspapers the obvious answer would be to get news However what keeps the newspaper endearing and in a way enduring are the longer stories about people behind the news about the humorous everyday experiences we all have or the closer look at someone and the unexpected surprises we get in the process In short we call these features In this substantially revised book on Feature Writing the author with her vast experience discusses various aspects of Feature Writing She focuses on different types of features found in newspapers Humour and Satire Brights Human Interest Features Travel Features and News Features and illustrates each of these In addition she provides a detailed description of Profiles Interviews and Online Features with examples and gives a clear analysis of Feature Writing Techniques Intended as a text for students offering courses in Journalism this book would also be extremely useful for freelance writers and anyone who has a flair for writing What is New to THE SECOND Edition Includes two new chapters on Obituary and Tribute and Sports and new sections such as Blogs and Professionalism in Journalism Provides more illustrations culled from recent newspapers Gives explanatory notes on some key words used in the book and a section on Vocabulary What the Reviewers Say In this delightful book on FW Feature Writing Meera Raghavendra Rao brings

home to us that writing a story or a novel is one way of discovering sequence in experience of stumbling upon cause and effect in the happenings of a writer's own life In my view Meera Raghavendra Rao's book on FW is an exceptionally good and useful book not only for all students of Journalism but also for all writers interested in FW V Sundaram News Today The author has used instances from her career spanning more than two decades to illustrate various situations in this book Deccan Chronicle The book is a rather exhaustive guide on ways to tell a feature story Among the other pluses is the Indianness permeating the book most sample articles are home brewed The Hindu Metroplus Weekend

Analysing Structure in Academic Writing Tomoko Sawaki,2016-09-14 This book breaks through formalistic traditions to propose a new generic structure analytical framework for academic writing The integrated

approach taking lessons from cognitive linguistics and structuralism offers a foundation for establishing research and pedagogy that can promote diversity and inclusion in academia The simplicity of the flexible structure analytical model proposed by Sawaki enables the user to analyse diverse instances of genre Further innovation is made in the analysis of generic structure components by integrating George Lakoff and Mark Johnson s metaphor analysis method so that the model can account for cultural and ideological patterns that structure our abstract thinking Using these integrations the author has established a structure analytical model that can take into account linguistic cognitive and pragmatic aspects of genre Researchers in the fields of linguistics discourse studies cultural studies education and English for Academic Purposes will be able to use this model to identify whether an atypical instance in academic texts is a result of the writer s individual failure or a failure to understand diversity in academic writing
