Real Kids Dont Say Please:

Real Kids Don't Say Please April Levy, Dan Levy, 1984-01-01 Takes a humorous look at child behavior parenting and family life and describes the opinions preferences complaints and language of children Don't Say Please — The Oral History of Die Kreuzen Sahan Jayasuriya, 2025-08-19 Die Kreuzen are one of those bands that influenced a thousand other bands that went on to have huge success Butch Vig Producer and founding member of Garbage Step back to the early eighties in the Rust Belt of the Midwest where underground newsletters and zines ignited a creative revolution Amidst this explosion of American punk and experimental music a band from Milwaukee Wisconsin emerged with a groundbreaking sound Die Kreuzen a group that defied genre boundaries fused punk and metal influences to create something entirely new Were they punk Were they metal Die Kreuzen recorded what fans and critics hail as a defining album of hardcore punk only to reinvent their sound with each subsequent release They toured the world made little money and eventually broke up Yet this seemingly brief stint in music history has rendered Die Kreuzen legendary But why For the first time band members Keith Brammer Brian Egeness Dan Kubinski and Erik Tunison alongside their friends collaborators and famous fans reveal the inside story of Die Kreuzen This book features rare images and artwork with contributions from music icons like Thurston Moore Steve Albini Neko Case Lou Barlow and more They re a seminal band for me and they re on my list of things that just make me excited about music I ve never lost my appreciation for them and I think the whole concept of not giving a fuck about what was going around them is what has preserved them for all these years Neko Case Solo artist and founding member of New Pornographers All bands have a lifespan and Die Kreuzen were lucky to have burned so brightly during their tenure Steve Albini Recording engineer and founding member of Big Black and Shellac When Dinosaur Jr toured with the Foo Fighters for the first time Dave Grohl had this cool little stereo in a road case that he d bring with him backstage Before he d go on stage he d take shots of whisky and blast the first Die Kreuzen record to pump him up like immediately before going on stage For me it was like wow because it just reminded me of how important that record was to a particular slice of musicians Lou Barlow Solo artist and founding member of Dinosaur Jr We'll Get 'Em in Sequins Max Davidson, 2012-03-01 A truly unique and fascinating look at the changing nature of masculinity and manliness told through the lens of a series of Yorkshire County Cricket Club player portraits through the ages George Hirst was a man of his time His apocryphal quotation We ll get em in single epitomises his no fuss approach to all matters and his distate for excess or ostentation His stiff upper lip was a requisite part of his Edwardian manliness Fast forward a century or so to Darren Gough s besequinned victory on Strictly Come Dancing or to Michael Vaughan s final teary press conference and the different versions of what it means to be masculine are worlds apart It is one of the oldest cliches in sports writing to say that sport mirrors life And yet in this instance the world of Yorkshire cricket has so faithfully mirrored the outside world that the cliché is unavoidable Yorkshire sobrest of counties has given us some remarkable characters over the years Len Hutton Geoffrey Boycott and Fred Trueman

to name just a few Through portraits of these and other Yorkshire players and the values that they shared with their contemporaries this wonderfully original book maps the contours of a sexual revolution whose tremors are still being felt today Please Don't Say Anything!
