Realism In Romantic Japan:

Realism in Romantic Japan Miriam Beard, 1930 *American Political and Cultural Perspectives on Japan* John H. Miller, 2014-04-02 *American Political and Cultural Perspectives on Japan From Perry to Obama* is an historical survey of how Americans have viewed Japan during the past 160 years. It encompasses the diplomatic, political, economic, social, and cultural dimensions of the relationship with an emphasis on changing American images, myths, and stereotypes of Japan and the Japanese. It begins with the American opening of Japan in the 1850s and 1860s. Subsequent chapters explore American attitudes toward Japan during the Gilded Age, the early 1900s, the 1920s, the 1930s, and the Pacific War. The second part of the book, organized round the theme of the postwar Japanese American partnership, covers the Occupation, the 1960s, the troubled 1970s and 1980s, and the post Cold War decades down to the Obama presidency. The conclusion offers some predictions about how Americans are likely to view Japan in the future.

Johnson in Japan Kimiyo Ogawa, Mika Suzuki, 2020-10-16 *Johnson in Japan* reflects not just the history of Samuel Johnson's studies in Japan but also the broader current conditions of scholarship in Japanese academia. In addition to Johnson's works, the essays in this volume engage with works by other important English writers such as Shakespeare, Mary Shelley, Jane Austen, and Matthew Arnold, and also with later Japanese writers.

Cultural Diplomacy in U.S.-Japanese Relations, 1919-1941 J. Davidann, 2007-11-26 This study explores U.S.-Japanese relations in the interwar period to find that the seeds of the Pacific War were sown in the failure of cultural diplomacy and the growth of mutually antagonistic images. While most Americans came to see Japan's modernity as a facade, the Japanese began to group Americans with the warlike European powers.

Revival: Reality and Fiction in Modern Japanese Literature (1980) Noriko Mizuta Lippit, 2017-07-28 This title was first published in 1980. In twentieth-century Japanese literature, the opposition and interaction of realism and romanticism on the level of literary concepts and of Marxism and aestheticism, including in part modernism on the level of literary ideology, supplies a most vital basis for writers searching for new methods of literary expression, fostering debates among the writers, and creating the setting for active experimentation with style, form, and language. This study is a result of an extended stay in the United States by the author, who turned increasingly toward questioning and evaluating my own relation to Japan's literary heritage. For Japanese who have witnessed at least intellectually the violent attraction to and rejection of foreign cultures of many of their predecessors in the Meiji, Taisho, and Showa eras, and their final, often sentimental and abstract glorification of the Japanese cultural heritage, *nihon kaiki* (return to Japan) still presents enormously complex intellectual as well as emotional problems.

Transfiguring Women in Late Twentieth-Century Japan James Welker, 2024-07-31 *Transfiguring Women in Late Twentieth-Century Japan: Feminists, Lesbians, and Girls' Comics Artists and Fans* examines three dynamic and overlapping communities of women and adolescent girls who challenged Japanese gender and sexual norms in the 1970s and 1980s. These spheres encompassed activists in the *man ribu* (women's liberation) movement, members of the *rezubian* (lesbian) community,

and artists and readers of queer sh jo manga girls comics Individually and collectively they found the normative understanding of the category women untenable and worked to redefine and expand its meaning by transfiguring ideas images and practices selectively appropriated from the West They did so however while remaining firmly fixed on the local Thus for many this ostensibly Western focus was not a turn away from Japan but integral to their understanding of being a woman within Japan Following broad historical overviews of the man ribu rezubian and queer sh jo manga spheres the book takes a deeper look through the lenses of terminology translation and travel to offer a window onto how acts of transfiguration reshaped what it meant to be a woman in Japan The work draws on a vast archive that encompasses early twentieth century dictionaries sexology texts and literature postwar women s and men s magazines and pornography translated feminist and lesbian texts comics and animation and newsletters fanzines and other heretofore largely unexamined ephemera The volume s characterization of the era is also greatly enriched by interviews with more than sixty individuals Transfiguring Women in Late Twentieth Century Japan demonstrates that the transfiguration of Western culture into something locally meaningful had tangible effects beyond newly re created texts practices images and ideas within the man ribu rezubian and queer sh jo manga communities The individuals and groups involved were themselves transformed More broadly their efforts forged new understandings of women in Japan creating space for a greater number of public roles not bound to being a mother or a wife as well as a greater diversity of gender and sexual expression that reached far beyond the Japanese border

Interpreting Amida Galen Amstutz, 1997-04-25 Examines the history of Japanese Pure Land Buddhism and how orientalist assumptions have caused the West to ignore this important tradition

Shōwa Japan: 1926-1941 Stephen S. Large, 1998

Schooldays in Imperial Japan Donald T. Roden, 2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980

Bulletin of the Medford Public Library Medford Public Library (Medford, Mass.), 1927
