Library of Congress

Reality Prime Pages From A Journal:

Reality Prime; Pages from a Journal Walter Lowenfels, 1974 **Reality Prime** Walter Lowenfels, 1998 Walter Lowenfels broke major ground as a surrealist and as a political poet. Closely identified with Henry Miller and Anais Nin, he was a key figure in the Paris avant garde during the 1920s and 1930s. Returning to the United States, he became a full-time Communist Party organizer and an editor of *The Daily Worker*, jailed in 1951 for violating the Smith Act. Although he was eventually acquitted, the incident returned him to poetry, and from the early 1960s until his death, he was a familiar presence in non-academic literature. Championing avant garde African American poetry and poetry from America's Third World, he was well known as a politically radical anthologist. *Reality Prime*, the first in the Talisman series Classic American Poets, will be the most comprehensive collection of Lowenfels's poetry available. Its cornerstone will be his three Death Elegies, crucial texts for the avant garde during Lowenfels's Paris years; they will appear together for the first time. Walter Lowenfels, 1897-1976, was among the principal figures in the revolution of the word, the movement to modernize American writing of the early years of this century. Accomplished first as a surrealist and later as a political writer, Lowenfels early in his career joined Michael Fraenkel and Henry Miller in their so-called death school, which shaped much of his celebrated early work. His leftist affiliations and conviction under the Smith Act, although reversed, led many to view him as a political martyr at a particularly repressive moment in American history. *Proceedings of a Symposium on American Literature* Marta Sienicka, 1979 *Political Affairs*, 1974 A theoretical and political magazine of scientific socialism **Library of Congress Catalog** Library of Congress, 1974-10 Beginning with 1953 entries for motion pictures and filmstrips. Music and phonorecords form separate parts of the Library of Congress catalogue. Entries for maps and atlases were issued separately 1953-1955 **Seria Filologia Angielska**, 1978 **LANGUAGE OF POETRY AND GENERATIVE GRAMMAR** NINA NOWAKOWSKA, 1974

Kosovo Murky Reality Sinisa Ljepojevic, 2008-10-30 Apart from historians, almost nobody in the world heard of Kosovo, a province of Serbia, a small landlocked territory in the heart of the Balkans, until March 24, 1999, when NATO started a bombing campaign against then Federal Republic of Yugoslavia. Since June 1999, Kosovo is under international administration, a kind of the UN protectorate. On 17 February 2008, Kosovo's majority Albanians unilaterally proclaimed independence from Serbia under the supervision of the EU and the NATO. It is illegal and violates the Helsinki Final Act and UN Charter. Less than 40 out of 192 UN member states have recognised Kosovo as independent. Despite the declaration of independence, the international administration is to stay in Kosovo. So Kosovo continues in a state of limbo. Is Kosovo really independent? Kosovo has become a symbol of deep crisis in international relations, much more so than Iraq and Afghanistan. Therefore, Kosovo's case is not closed and the story goes on. However, the fate of Kosovo for the time being does not depend of its citizens but of the international community, and most of all, of its economy. The economy almost does not exist, and the present Kosovo is incapable of standing on its feet. This book is trying to shed a light on those two crucial elements: the

international community policy and Kosovo's economy **Witnessing** Sidney Bernard, 1977 *American Poetry: The Twentieth Century Vol. 2 (LOA #116)* Edward Estlin Cummings, 2000-03-20 Anthology of poems by 20th century American poets
