[The Reality of the Resurrection](#) Stefan Alkier, 2013-10 In *The Reality of the Resurrection* Stefan Alkier bridges the chasm between history and theology Through a patient historical canonical and hermeneutical study Alkier demonstrates that the resurrection of Jesus is inextricably bound to the general eschatological resurrection of the dead Jesus resurrection is no isolated miracle but is instead the crucial disclosure of the nature of reality the identity of God and the destiny of human beings Interpretation of Jesus resurrection is thus necessarily and unavoidably both historical and theological Alkier accomplishes three tasks Through a descriptive exegetical survey of New Testament rhetoric he locates the resurrection of the Crucified One within a distinct narrative world Alkier then employs the semiotics of C S Peirce to develop a creative epistemology that avoids propositional literalism and modernist reductionism Alkier finally outlines how resurrection impacts Christian praxis *The Reality of the Resurrection* witnesses to that which Paul names as of first importance not only for the early Christian communities but also for the shaping of our communities today

[Knowing the Truth About the Resurrection](#) John Ankerberg, John Weldon, 2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ's resurrection The accuracy and precision of Jesus predictions The resurrection's unequalled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity

The Reality of the Resurrection Merrill C Tenney, 2020-05-08 Ever since the apostles of Christ invaded the Roman world with the gospel the Christian church has been

endeavoring to formulate its theology in language relevant to the times The essential truth of divine revelation remains unchanged for God is eternally the same but the problems and fashions of human thought vary from century to century Each succeeding period demands some new adjustment discarding the phraseology of the past and adopting eagerly the current formulas that seem more significant In this creedal flux the definition of Christianity often seems to be dependent upon the terms of the latest philosophy that it encounters During the Middle Ages Thomas Aquinas attempted to combine Biblical truth with Aristotelian reasoning Later Immanuel Kant's philosophy led to the theology of Schleiermacher and Harnack and today existentialism wields a powerful influence over Barth Brunner and Bultmann Is there any inherent principle or symbol by which the gospel can be defined without resorting to extraneous forms The author believes that the resurrection of Christ can supply the framework for Christian theology because it marks the intersection of the temporal and eternal worlds of material existence and spiritual life Because the event is supernatural it expresses the essence of God's revelation because it is historical it is a genuine part of human experience The resurrection is a permanent witness to the love power holiness and redemptive purpose of God and is also a fact which must be accepted as part of history It cannot be dismissed as a speculative venture of the intellect which is possibly but not necessarily true The Reality of Jesus Dermot A. Lane, 1975 A synthesis of current thinking on Christology

Closer Look at the Reality of the Resurrection Bob George, 1992-07 Resurrection John Shelby Spong, 2009-10-13 Resurrection is an innovative examination of the foundational event of Christianity and an inspiring vision for reconciliation between Jews and Christians Using approaches from the Hebrew interpretive tradition to discern the actual events surrounding Jesus's death Bishop John Shelby Spong questions the historical validity of a literal narrative concerning the Resurrection However Spong is not searching for the historical Jesus either he asserts that the Resurrection story was

born in an experience that opened the disciples's eyes to the reality of God and the meaning of Jesus of Nazareth To fully understand the meaning of the Resurrection it must be approached in the style of the midrash or teaching tale Spong goes on to trace the Christian origins of anti-Semitism to the Church's fabrication of the ultimate Jewish scapegoat Judas Iscariot He affirms the inclusiveness of the Christian message and emphasizes the necessity of mutual integrity and respect among Christians and Jews John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 As a leading spokesperson for an open scholarly and progressive Christianity Bishop Spong has taught at Harvard and at the Graduate Theological Union in Berkeley California His books include A New Christianity for a New World Rescuing the Bible from Fundamentalism Resurrection Myth or Reality Why Christianity Must Change or Die and his autobiography Here I Stand This book will appeal to those wanting a reasonable nonliteralist faith grounded in the mystery of reality beyond time and space Highly recommended Library Journal
