Reaper Gary Hoenig,1975 An account of a New York City gang the Reapers and of the life of one of the gang leaders

landmark of urban history first captured the rise fall and rebirth of a once thriving New York City borough ravaged in the 1970s and 80s by disinvestment and fires then heroically revived and rebuilt in the 1990s by community activists Jill Jonnes returns to chronicle the ongoing revival of the South Bronx Though now globally renowned as the birthplace of hip hop the South Bronx remains America s poorest urban congressional district In this new edition we meet the present generation of activists who are transforming their communities with the arts and greening notably the restoration of the Bronx River For better or worse real estate investors have noticed setting off new gentrification struggles [The Bronx](#) Evelyn

Gonzalez,2007-01-05 The Bronx is a fascinating history of a singular borough mapping its evolution from a loose cluster of commuter villages to a densely populated home for New York s African American and Hispanic populations In recounting the varied and extreme transformations this community has undergone Evelyn Gonzalez argues that racial discrimination rampant crime postwar liberalism and big government were not the only reasons for the urban crisis that assailed the Bronx during the late 1960s Rather a combination of population shifts public housing initiatives economic recession and urban overdevelopment caused its decline Yet she also proves that ongoing urbanization and neighborhood fluctuations are the very factors that have allowed the Bronx to undergo one of the most successful and inspiring community revivals in American history The process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future [Library Book Catalog, Author Catalog, Supplement](#) United States.
