[What Was Jesus Thinking?](#) Frank R. Stirk, 2023-06-13 No one could ever get fully inside the mind of Jesus but we can gain important insights through a better understanding of the contexts in which he spoke and acted For example with whom was he speaking and interacting in that moment Where did this take place How can the events of the history of the period in general and the many new and often unexpected archaeological discoveries in particular from the time of Jesus enhance our understanding of what he was thinking And what light can the answers to these and related questions shed on what we already know about Jesus from the Four Gospels This book attempts to provide some answers to these questions with the intent of leading the reader toward a deeper understanding of his wholly human yet wholly divine character This in turn will hopefully create a deeper and more grounded faith

In the Best Interest of Students Kelly Gallagher, 2023-10-10 In his new book In the Best Interest of Students Staying True to What Works in the ELA Classroom teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students' literacy skills Instead

of blindly adhering to the latest standards movement Gallagher suggests Increasing the amount of reading and writing students are doing while giving students more choice around those activitiesBalancing rigorous high quality literature and non fiction works with student selected titlesEncouraging readers to deepen their comprehension by moving beyond the four corners of the text Planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genresUsing modeling to enrich students writing skills in the prewriting drafting and revision stagesResisting the de emphasis of narrative and imaginative reading and writingAmid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students
