Reasons And Persons:

Reasons and Persons Derek Parfit, 1987 Part 1 discusses ways in which theories about morality and rationality can be self defeating and Part 2 the relations between what a single person can rationally want or do at different times and what different people can rationally want or do Parts 3 4 tackle personal identity and our obligations to future generations

Reasons and Persons Derek Parfit, 1986-01-23 This book challenges with several powerful arguments some of our deepest beliefs about rationality morality and personal identity The author claims that we have a false view of our own nature that it is often rational to act against our own best interests that most of us have moral views that are directly self defeating and that when we consider future generations the conclusions will often be disturbing He concludes that moral non religious moral philosophy is a young subject with a promising but unpredictable future Symposium on Derek Parfit's Reasons and Persons Symposium on Derek Parfit's Reasons and Persons. 1986, 1986 Reasons and Persons Derek Parfit, 1984 *Derek Parfit's Reasons and Persons* Andrea Sauchelli, 2020-02-12 Derek Parfit 1942 2017 is widely considered to be one of the most important moral philosophers of the twentieth century *Reasons and Persons* is arguably the most influential of the two books published in his lifetime and hailed as a classic work of ethics and personal identity Derek Parfit's *Reasons and Persons* An Introduction and Critical Inquiry is an outstanding introduction to and assessment of Parfit's book with chapters by leading scholars of ethics metaphysics and of Parfit's work Part I provides a much needed introduction to key topics and themes in *Reasons and Persons* that will be useful for those new to Parfit's complex work These include Parfit's idea of self defeating theories rationality and time personal identity future generations and well being Part II explores various debates generated by *Reasons and Persons* including its connections with Buddhism metaethics theory of rationality transformative choices and further developments in personal identity and metaphysics such as conativism Combining clear exposition of the major topics and arguments in *Reasons and Persons* with scholarly perspectives on more advanced themes this book is ideal for students of ethics metaethics metaphysics and anyone interested in Derek Parfit's philosophy Derek Parfit's Reasons and Persons Andrea Sauchelli, 2020 Derek Parfit 1942 2017 is widely considered to be one of the most important moral philosophers of the Twentieth Century *Reasons and Persons* is arguably the most influential of the two books published in his lifetime and hailed as a classic work of ethics and personal identity Derek Parfit's *Reasons and Persons* An Introduction and Critical Inquiry is an outstanding introduction to and assessment of Parfit's book with chapters by leading scholars of ethics metaphysics and of Parfit's work Part One provides a much needed introduction to key topics and themes in *Reasons and Persons* that will be useful for those new to Parfit's complex work These include Parfit's idea of self defeating theories rationality and time personal identity future generations and well being Part Two explores various debates generated by *Reasons and Persons* including its connections with Buddhism metaethics theory of rationality transformative choices and further developments in personal identity and metaphysics such as conativism Combining clear exposition of the major topics

, Principles and Persons Jeff McMahan, Tim Campbell, James Goodrich, Ketan Ramakrishnan, 2021 *Principles and Persons* contains twenty one new essays addressed to themes drawn from the work of the late Derek Parfit Topics include the nature of reasons and duties the rationality of our attitudes to time and the question of personal identity Reasons and Empty Persons: Mind, Metaphysics, and Morality Christian Coseru, 2023-02-22 Best known for his groundbreaking and influential work in Buddhist philosophy Mark Siderits is the pioneer of fusion or confluence philosophy a boldly systematic approach to doing philosophy premised on the idea that rational reconstruction of positions in one tradition in light of another can sometimes help address perennial problems and often lead to new and valuable insights Exemplifying the many virtues of the confluence approach this collection of essays covers all core areas of Buddhist philosophy as well as topics and disputes in contemporary Western philosophy relevant to its study They consider in particular the ways in which questions concerning personal identity figure in debates about agency cognition causality ontological foundations foundational truths and moral cultivation Most of these essays engage Siderits work directly building on his pathbreaking ideas and interpretations Many deal with issues that have become a common staple in philosophical engagements with traditions outside the West Their variety and breadth bear testimony to the legacy of Siderits impact in shaping the contemporary conversation in Buddhist philosophy and its reverberations in mainstream philosophy giving readers a clear sense of the remarkable scope of his work

Reasons and the Good Roger Crisp, 2006-08-24 In *Reasons and the Good* Roger Crisp answers some of the oldest questions in moral philosophy Claiming that a fundamental issue in normative ethics is what ultimate reasons for action we might have he argues that the best statements of such reasons will not employ moral concepts He investigates and explains the nature of reasons themselves his account of how we come to know them combines an intuitionist epistemology with elements of Pyrrhonist scepticism He defends a hedonistic theory of well being and an account of practical reason according to which we can give some though not overriding priority to our own good over that of others The book develops original lines of argument within a framework of some traditional but currently less popular views

Reasons And Persons Introduction

In today's digital age, the availability of Reasons And Persons books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reasons And Persons books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reasons And Persons books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reasons And Persons versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reasons And Persons books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reasons And Persons books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reasons And Persons books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reasons And Persons books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reasons And Persons books and manuals for download and embark on your journey of knowledge?
