The Saga of the Century Trilogy Rebecca West,2012-09-11 Three novels in one volume following the artistic and eccentric Aubrey family in the years surrounding the Great War. In *The Fountain Overflows*, Papa Aubrey's wife and twin daughters Mary and Rose are piano prodigies; his young son Richard Quin is a lively boy and his eldest daughter Cordelia is a beautiful and driven young woman with musical aspirations. But the talented and eccentric Aubrey family rarely enjoys a moment of harmony as its members struggle to overcome the effects of their patriarch's spendthrift ways. Now they must move so that their father can find stable employment. Despite the daunting odds, the Aubreys hope that art will save them from the cacophony of a life sliding toward poverty. In *The Real Night*, a talented musician and her kin ponder what being young women on their own will entail. Abandoned by their feckless father, Rose and her family must move beyond their comfortable drawing room to discover a world of kind patrons, music teachers and concert hall acclaim, but also domestic strife, anti-Semitism and social pressure to marry. Set before World War I, Rebecca West's intimate, eloquent family portrait brings to life a time when women recognized their own voices and the joys of living off one's own talents. In *Cousin Rosamund*, Mary and Rose Aubrey have found success as accomplished pianists in the years after the war. But despite their travels and material rewards they remain apart from society. When their cherished cousin Rosamund surprises them by marrying a man they feel is beneath her, the sisters must reconsider what love means to them and how they can find a sense of spiritual wellbeing on their own without the guidance of their family. Very few writers have managed to be more knowledgeable and profound in their thinking, said the *Los Angeles Times* about Rebecca West, and the *Saga of the Century* is a collection of three absorbing novels inspired partly by her own life.

Rebecca West's Subversive Use of Hybrid Genres Laura Cowan,2015-05-21 Bringing new insights from genre

theory to bear on the work of the journalist and novelist Rebecca West this study explores how West's use of and combinations of multiple genres often in single works was informed and furthered by her subversive feminist goals Rebecca West's Subversive Use of Hybrid Genres analyzes West's sense of genres as dynamic and strategic processes with transgressive political ends rather than as fixed and reified taxonomies a radical new approach at the time that is now mirrored in much contemporary theory Surveying her oeuvre from this point of view the book goes on to examine systematically West's writing from 1911-1941 including her early journalism and criticism such novels as *The Return of the Soldier* and her controversial multi genre epic *Black Lamb and Grey Falcon* **The Fountain Overflows** Rebecca

Rollyson, 2016-03-09 Some critics rank biographers just above serial murderers The author of this book a self-described member of the Samuel Johnson school doesn't share this view An account of a life he believes should adhere to the truth as the biographer sees it not to the sentiments of others This memoir of a professional biographer's life tells the inside story of how he became interested in his subjects and reveals the mechanics of the trade how to assemble proposals for publishers conduct interviews and archival research and joust with editors subjects and their literary estates Other biographers have described their process but remained discrete not wishing to offend their sources and supporters This author has forgone such caution **A Memoir of My Former Self** Hilary Mantel, 2023-10-24 THE FINAL BOOK FROM ONE OF OUR

Farley,2010-11-30 As the study of travel writing has grown in recent years scholars have largely ignored the literature of modernist writers Modernist Travel Writing Intellectuals Abroad by David Farley addresses this gap by examining the ways in which a number of writers employed the techniques and stylistic innovations of modernism in their travel narratives to variously engage the political social and cultural milieu of the years between the world wars Modernist Travel Writing argues that the travel book is a crucial genre for understanding the development of modernism in the years between the wars despite the established view that travel writing during the interwar period was largely an escapist genre one in which writers hearkened back to the realism of nineteenth century literature in order to avoid interwar anxiety Farley analyzes works that exist on the margins of modernism generically and geographically works that have yet to receive the critical attention they deserve partly due to their classification as travel narratives and partly because of their complex modernist styles The book begins by examining the ways that travel and the emergent travel regulations in the wake of the First World War helped shape Ezra Pound s Cantos From there it goes on to examine E E Cummings s frustrated attempts to navigate the unworld of Soviet Russia in his book Eimi Wyndham Lewis s satiric journey through colonial Morocco in Filibusters in Barbary and Rebecca West s urgent efforts to make sense of the fractious Balkan states in Black Lamb and Grey Falcon These modernist writers traveled to countries that experienced most directly the tumult of revolution the effects of empire and the upheaval of war during the years between World War I and World War II Farley s study focuses on the question of what constitutes evidence for Pound Lewis Cummings and West as they establish their authority as eyewitnesses translate what they see for an audience back home and attempt to make sense of a transformed and transforming modern world Modernist Travel Writing makes an original contribution to the study of literary modernism while taking a distinctive look at a unique subset within the growing field of travel writing studies David Farley s work will be of interest to students and teachers in both of these fields as well as to early twentieth century literary historians and general enthusiasts of modernist studies **Black Lamb and Grey Falcon** Rebecca Lamb,2010-07-01 With an introduction by Geoff Dyer First published in 1942 Rebecca West s epic masterpiece is widely regarded as the most illuminating book to have been written on what was once Yugoslavia essential for anyone attempting to understand the enigmatic history of the Balkan states West s masterpiece is one of the great twentieth century books of any genre Independent Impossible to put down both timeless and of its time a travel book and epic narrative history brimming with passion anger scholarship and intuition hatred and love Observer Such incandescent writing you find yourself wanting to mark every sentence in order to go back and relish it again
