## **Rebel The Short Life Of Esmond Romilly:**

**Rebel** Kevin Ingram, 1985 , *The House of Mitford* Jonathan Guinness, 2015-10-29 Among the six daughters and one son born to David second Lord Redesdale and his wife Sydney were Nancy the novelist and historian Diana who married fascist leader Sir Oswald Mosley Unity friend of Hitler Jessica who became a communist and then an investigative journalist and Deborah Duchess of Devonshire and mistress of Chatsworth The Mitford Girls as John Betjeman called them were one of the twentieth century's most controversial families said to be always either in shrieks of laughter or floods of tears they were glamorous romantic and especially in politics extreme Yet the teasing often bordering on cruelty the flamboyant contrasts and the violent disagreements hid a powerful affection subtle likenesses in character and a powerful underlying unity The Performer's Tale Vanessa Morton, 2021-03-04 A vivid and compelling biography of Patience Collier an actress whose career spanned a golden age of performance from the 1930s to the 1980s and an overview of theatre film TV and radio in Britain over half a century Though Patience Collier's name has faded from public consciousness since her death in 1987 it still conjures cool memories of iconic television and film from the 1970s and 1980s Sapphire and Steel Who Pays the Ferryman Fiddler on the Roof and The French Lieutenant's Woman Fearsome eccentric and unpredictable Patience Collier was an actress whose perfectionism shone through in her every performance and who worked alongside many of the most celebrated actors and directors of her time Drawing on Collier's diaries letters and photographs as well as interviews with those who worked with her Vanessa Morton paints a portrait of a gifted and eccentric woman weaving her way through the twentieth century and gives a panoramic overview of theatre film TV and radio in Britain over half a century Part social history part cultural history The Performer's Tale is a richly entertaining account of an actor's life and times I never met Patience Collier Now having read Vanessa Morton's richly entertaining book I feel as if I did Michael Billington former theatre critic of the Guardian **Oswald Mosley and the New Party** Matthew Worley, 2010-05-13 This is the first full length study of the organization that incubated Britain's most provocative and successful fascist movement Exploring Sir Oswald Mosley's secession from Labour his evolving politics and his eventual embrace of fascism this book examines the process by which he transformed from Labour politician to fascist Gilded Youth James Brooke-Smith, 2019-02-02 The British public school is an iconic institution a training ground for the ruling elite and a symbol of national identity and tradition But beyond the elegant architecture and evergreen playing fields is a turbulent history of teenage rebellion sexual dissidence and political radicalism James Brooke Smith wades into the wilder shores of public school life over the last three hundred years in Gilded Youth He uncovers armed mutinies in the late eighteenth century a Victorian craze for flagellation dandy aesthetes of the 1920s quasi scientific discourse on masturbation Communist scares in the 1930s and the salacious tabloid scandals of the present day Drawing on personal experience extensive research and public school representations in poetry school slang spy films popular novels and rock music Brooke Smith offers a fresh account of upper class adolescence in Britain and the role of elite

private education in shaping youth culture He shows how this central British institution has inspired a counterculture of artists intellectuals and radicals from Percy Shelley and George Orwell to Peter Gabriel and Richard Branson who have rebelled against both the schools themselves and the wider society for which they stand Written with verve and humor in the tradition of Owen Jones's *The Establishment And How They Get Away With It* this highly original cultural history is an eye opening leap over the hallowed iron gates of privilege and perturbation **Rebel** Kevin Ingram, 1985 *Out of Bounds* Esmond Romilly, 2021-04-15 Giles and Esmond Romilly were the nephews of Winston Churchill and Giles Romilly married Jessica Decca Mitford one of the notorious Mitford girls They both attended traditional Wellington College where they rebelled against the military and disciplinary traditions of the time There was fear that this august school was subject to the corrupting influence of Moscow as the Romilly brothers produced a left wing magazine entitled *Out of Bounds Public Schools Journal Against Fascism Militarism and Reaction* Several issues appeared and then Esmond ran away from school to work in a Communist bookshop causing sensational headlines and adverse publicity Giles although a rebel stayed on This is the story of their schooldays first at Newlands and then at Wellington which was first published in 1935 and has been out of print for many years They recount the story of their early years and their rebellion with skill and panache *Out of Bounds* shows the authors political thoughts and beliefs and serves as a moving picture of the struggle against the education politics and social mores of the 1930s There will be an foreword by Edmund Romilly Giles son and an afterword from Dr Patrick Mileham the archivist of Wellington College and a distinguished author **A Daughter's Tale** Mary Soames, 2012-07-24 In this charming and intimate memoir the youngest daughter of Winston Churchill shares stories from her remarkable life and tells of the unbreakable bond she forged with her father through some of the most tumultuous years in British history Through a combination of personal reminiscences and never before published diary entries Mary Soames the youngest daughter of Clementine and Winston Churchill describes what it was like growing up as the scion of one of the lions of twentieth century statecraft Warm memories of a childhood spent roaming the grounds of the family's country estate tending to a small menagerie of pets evoke the idyllic mood of England between the wars As she matures into one of her father's most trusted companions we are given rare glimpses inside the glittering social milieu through which the Churchills moved as well as the rough and tumble world of British politics With fly on the wall immediacy Mary describes the momentous debate in Parliament where Prime Minister Neville Chamberlain was driven from office paving the way for Winston Churchill's ascension and the grueling crucible of World War II During the war Mary served as a gunner in the women's auxiliary helping to shoot down the German V 1 rockets then bedeviling London Styling herself as Private M Churchill to avoid publicity she led a unique double life that comes vividly alive again in the retelling Splitting her time between luncheons at Chequers where she spent time with the likes of Lord Mountbatten and the turret of an anti aircraft battery she was never far from the center of the action Hitler even reportedly hatched a plan never consummated to hire spies to seduce her in

order to gain access to secret British war plans She attended the Potsdam Conference as her father's aide de camp arranging a memorable dinner with Harry Truman and Josef Stalin whom she acidly remembers as small dapper and rather twinkly And when British voters overwhelmingly turned on Winston Churchill in the 1945 election it is left to Mary to recount the pain and devastation her father could never publicly express The mutual love and affection between Mary Soames and her parents pours forth from every page of this elegantly written memoir A Daughter's Tale is both a moving personal history and a source of untold insight into one of the enduring icons of British national life The Shadow Man Geoff Andrews, 2015-09-07

James Klugmann appears as a shadowy figure in the legendary history of the Cambridge spies As both mentor and friend to Donald Maclean Guy Burgess and others Klugmann was the man who manipulated promising recruits deemed ripe for conversion to the communist cause This perception of him was reinforced following the release of his MI5 file and the disclosure of Soviet intelligence files in Moscow which revealed he played the key part in the recruitment of John Cairncross the fifth man as well as his pivotal war time role in the Special Operations Executive in shifting Churchill and the allies to support Tito and the communist partisans in Yugoslavia In this book Geoff Andrews reveals Klugmann's story in full for the first time uncovering the motivations conflicts and illusions of those drawn into the world of communism and the sacrifices they made on its behalf
