Female Rebellion in Young Adult Dystopian Fiction Sara K. Day,Miranda A. Green-Barteet,Amy L. Montz,2016-04-15 Responding to the increasingly powerful presence of dystopian literature for young adults this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood The contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature literature for and about young women and cultural expectations of adolescent womanhood Divided into three sections the collection investigates cultural assumptions and expectations of adolescent women considers the various means of resistance and rebellion made available to and explored by female protagonists and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her In a series of thought provoking essays on a wide range of writers that includes Libba Bray Scott Westerfeld Tahereh Mafi Veronica Roth Marissa Meyer Ally Condie and Suzanne Collins the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late twentieth and early twenty first century culture

Under the Rebel's Reign: A Story of Egyptian Revolt Charles Neufeld,2020-09-28 The Debating Society of the K nigsberg University was sitting The subject for the occasion was of a trivial nature but lent itself to keen and heated argument The whole afternoon had been occupied with the speeches of the minor lights of the society and now only the two opposing leaders remained to make their closing speeches before the division took place Young Osterberg the leader of the Ayes rose to his feet His remarks were sound and clear and his arguments to many conclusive After he had occupied the attention of the assembly for nearly twenty minutes he sat down amidst the plaudits of his own side to await the speech from the leader of the Opposition At that moment a voice distinctly audible above the buzz of conversation that followed spoke in a loud unpleasant tone evidently intended for the whole room to hear Tis a pity certain positions are not filled by fellows capable of thinking and arguing logically Such rot I have never before listened to Come Maurice let us go to the club rooms we shall find better entertainment there And the two men rose from their seats and moved towards the door Before they reached it the voice of the President stopped them and in sharp incisive tones called them to order Such words he said are against the rules of the society and must be withdrawn or the laws which govern the Association will be enforced and the speaker s name struck off

the list of membership John Landauer the man who had uttered the offensive words turned on hearing the President's mandate With flashing eyes he glanced in the direction of Osterberg My words may have been untimely as uttered in this room and for that I apologize but my opinion of the last speaker friend Osterberg remains the same and what I am not allowed to express here I shall take the earliest opportunity of doing elsewhere *Own The Night* Susan Harris, 2024-04-26
