

Rebel Sons of Erin

*A Civil War Irish History
of the Tenth Tennessee Infantry Regiment (Irish)
Confederate States Volunteers*

ED GLEESON

Rebel Sons Of Erin

Patrick H. Garrow

Rebel Sons Of Erin:

Rebel Sons of Erin Ed Gleeson,1993 The Tenth Tennessee Infantry was a small but deadly regiment of expert riflemen Led by Colonel Randall McGavock the unit inflicted heavy casualties on the Union Army in the West throughout the Civil War

Rebel Sons of Erin Ed Gleeson,1993 The Tenth Tennessee Infantry was a small but deadly regiment of expert riflemen Led by Colonel Randall McGavock the unit inflicted heavy casualties on the Union Army in the West throughout the Civil War

The Civil War Paintings of Mort Künstler Volume 1 Mort Künstler,2006 For nearly thirty years Mort Kunstler has focused his considerable artistic talent on interpreting the Civil War In crafting his work to reflect poignant moments or critical circumstances of the conflict he has turned to leading historians and scholars for informative details that he has then translated on canvas to create an indelible image of this defining ordeal in America s history More than 160 of these images supplemented by preliminary sketches early studies and photographs of works in progress are the basis for this book Kunstler has also explored the human side of this national struggle Thus he has produced thoughtful studies of leaders at decisive moments instances of daily camp life for the soldiers and those early romantic notions that it would be a bloodless war predicated on the belief that a show of inner strength would prevail In the past twenty years Kunstler s portfolio has been published in twelve books including companion pieces for the epic films [The Battle of Raymond / The Untold Turning Point of the Civil War](#) Dan Bokros,2008-02-01 Focuses on the decisions made at the Battle of Raymond part of the Vicksburg Campaign in determining the direction of the remainder of the American Civil War [Civil War Flags of Tennessee](#) Stephen Douglas Cox,2024-01-12 Civil War Flags of Tennessee provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them Civil War Flags of Tennessee is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what

can be found in its pages Unprecedented in its variety and depth Cox's work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered

Irish Americans in the Confederate Army Sean Michael O'Brien, 2013-01-29 In 1861 Americans flooded to enlist for what all thought would be a short and glorious war Anxious to prove their loyalty to their new homeland thousands of Irish immigrants were among those who hurried to join the fight on both sides While the efforts of the Union's legendary Irish Brigade are well documented little has been said regarding the role Irish American soldiers played for the Confederacy This comprehensive history explores the Irish contribution to the Confederate military effort throughout the four major combat theatres of the Civil War Beginning with an overview of Irish Americans in the South the book looks at the Irish immigrant experience and the character of the typical Irish Confederate soldier detailing the ways in which Irish communities supported the Southern war effort The main focus is the military actions in which Irish American soldiers were present in significant or influential numbers With a combat death rate disproportionate to their numbers the 40 000 Irish who served in the Confederate army played significant roles in the Army of Northern Virginia the Army of Tennessee the hotly disputed coastal areas and the Mississippi and Trans Mississippi campaigns Most major battles of the war are discussed including Manassas Sharpsburg Gettysburg Shiloh Murfreesboro and Appomattox Appendices contain a list of various Irish commands and field commanders in the Confederate Army

Changing Sides Patrick H. Garrow, 2023-08-18 Toward the end of the American Civil War the Confederacy faced manpower shortages and the Confederate Army following practices the Union had already adopted began to recruit soldiers from their prison ranks They targeted foreign born soldiers whom they thought might not have strong allegiances to the North Key battalions included the Brooks Battalion a unit composed entirely of Union soldiers who wished to join the Confederacy and were not formally recruited Tucker's Regiment and the 8th Battalion Confederate Infantry recruited mainly among Irish German and French immigrants Though the scholarship on the Civil War is vast *Changing Sides* represents the first entry to investigate Union POWs who fought for the Confederacy filling a significant gap in the historiography of Civil War incarceration To provide context Patrick Garrow traces the history of the practice of recruiting troops from enemy POWs noting the influence of the mostly immigrant San Patricios in the Mexican American War The author goes on to describe Confederate prisons where conditions often provided ample incentive to change sides Garrow's original archival research in an array of archival records along with his archaeological excavation of the Confederate guard camp at Florence South Carolina in 2006 provide a wealth of data on the lives of these POWs not only as they experienced imprisonment and being galvanized to the other side but also what happened to them after the war was over

Creative Minds in Desperate Times Webb Garrison, 1997-09-12 When the Civil War broke out leaders on both

sides had to develop strategies for fighting the conflict and considered almost any suggestion This book chronicles some of the most intriguing and unusual plans devised by these leaders Irish Migrants in New Communities Mícheál Ó hAodha, Máirtín Ó Catháin, 2014-05-16 Irish migrants in new communities Seeking the Fair Land comprises the second collection of essays by these editors exploring fresh aspects and perspectives on the subject of the Irish diaspora This volume edited by Máirtín Ó Catháin and Mícheál Ó hAodha develops many of the oral history themes of the first book and concentrates more on issues surrounding the adaptation of migrants to new or host environments and cultures These new places often have a jarring effect as well as a welcoming air and the Irish bring their own interpretations hostilities and suspicions all of which are explored in a fascinating and original number of new perspectives The Pride of the Confederate Artillery Nathaniel Cheairs Hughes, Jr., 2001-05 In The Pride of the Confederate Artillery Nathaniel Cheairs Hughes Jr illustrates the significance of the unit and for the first time positions this pivotal group in its rightful place in history The Fifth Company Washington Artillery of New Orleans fought with the Army of Tennessee from Shiloh to Chickamauga from Perryville to Mobile and from Atlanta to Jackson Mississippi Slocumb's Battery as it was also known won repeated praise from every commander of that army Although it sustained high losses the company was recognized for its bold tenacious fighting and was considered the Army of Tennessee's finest close combat battery The Pride of the Confederate Artillery is the compelling story of four hundred men their organization and service their victories and defeats in over forty battles

Fuel your quest for knowledge with is thought-provoking masterpiece, Dive into the World of **Rebel Sons Of Erin** .
