Rebels And Informers:

The Informers Andrew Boyd, 1984 *Patriots Against Fashion* A. Maxwell, 2014-08-05 During the era of the French revolution patriots across Europe tried to introduce a national uniform This book the first comparative study of national uniform schemes discusses case studies from Austria Bulgaria England France Germany Hungary Italy the Netherlands Spain Sweden Turkey the United States and Wales **Resistance and Rebellion** Roger D. Petersen, 2001-05-07 Resistance and Rebellion Lessons from Eastern Europe explains how ordinary people become involved in resistance and rebellion against powerful regimes The book shows how a sequence of casual forces social norms focal points rational calculation operate to drive individuals into roles of passive resistance and at a second stage into participation in community based rebellion organization By linking the operation of these mechanisms to observable social structures the work generates predictions about which types of community and society are most likely to form and sustain resistance and rebellion The empirical material centres around Lithuanian anti Soviet resistance in both the 1940s and the 1987 91 period Using the Lithuanian experience as a baseline comparisons with several other Eastern European countries demonstrate the breadth and depth of the theory The book contributes to both the general literature on political violence and protest as well as the theoretical literature on collective action **History and Memory in Modern Ireland** Ian McBride, 2001-11-08 Discussing the relationship between the past and the present in Irish society this 2001 title outlines the ways in which Irish identities have been shaped by oral tradition icons and images rituals and re enactments It examines pivotal moments in Irish history such as the 1798 rebellion the Famine the Great War and the Northern Ireland troubles investigating the ways in which they have been recalled commemorated and mythologised Beginning with the conviction that commemoration has its own history the essays address questions concerning the workings of communal memory How have particular political and social groups interpreted appropriated and distorted the past for their own purposes How are collective memories transmitted from one generation to the next Why does collective amnesia work in some situations and not in others What is the relationship between academic history and popular memory History of the Rebellion in Bradley County, East Tennessee J. S. Hurlburt, 1866 **The Edinburgh Review** , 1892 Muslim Rulers and Rebels Thomas M. McKenna, 1998-08-10 Thomas McKenna has provided the first convincing explanation of a major insurgency that continued on its bloody course for nearly a quarter century Given the enormous complexity of the revolt the patchwork of ethnicities involved and the opaque quality of the literature McKenna s accomplishment is a considerable one Alfred W McCoy author of *The Politics of Heroin in Southeast Asia* Superb as both ethnography and social history offers significant new insights into the changing direction of Muslim politics in the Philippines and how to understand comparable movements elsewhere It will be a basic reference for those interested in the dynamics of ethnoreligious political movements in general Dale Eickelman author of *Knowledge and Power Army of Shadows* Hillel Cohen, 2008-01-03 Tells the story of Arabs who from the very beginning of the Arab Israeli

encounter sided with the Zionists and aided them politically economically and in security matters This book features Bedouins who hosted Jewish neighbors weapons dealers and pro Zionist propagandists **Lincoln's Informer** Carl J. Guarneri,2023-03-17 In a recent poll of leading historians Charles A Dana was named among the Twenty Five Most Influential Civil War Figures You ve Probably Never Heard Of If you have heard of Dana it was probably from his classic *Recollections of the Civil War* 1898 which was ghostwritten by muckraker Ida Tarbell and riddled with errors cited by unsuspecting historians ever since *Lincoln s Informer* at long last sets the record straight giving Charles A Dana his due in a story that rivals the best historical fiction Dana didn t just record history Carl J Guarneri notes he made it Starting out as managing editor of Horace Greeley s *New York Tribune* he led the newspaper s charge against proslavery forces in Congress and the Kansas territory When his criticism of the Union s prosecution of the war became too much for Greeley Dana was drafted by Secretary of War Edwin Stanton to be a special agent and it was in this capacity that he truly made his mark Drawing on Dana s reports letters and telegrams the most remarkable interesting and instructive collection of official documents relating to the Rebellion according to the custodian of the Union war records Guarneri reconstructs the Civil War as Dana experienced and observed it as a journalist a confidential informant to Stanton and Lincoln and most controversially an administration insider with surprising influence While reporting most of the war s major events Dana also had a hand in military investigations the cotton trade Lincoln s reelection passage of the Thirteenth Amendment and most notably the making of Ulysses S Grant and the breaking of other generals Dana s reporting and Guarneri s lively narrative provide fresh impressions of Lincoln Stanton Grant and other Union war leaders *Lincoln s Informer* shows us the unlikely role of a little known confidant and informant in the Lincoln administration s military and political successes A remarkable inside look at history unfolding this book draws the first complete picture of a fascinating character writing his chapter in the story of the Civil War
