Rebels Seed:

King of Kings, Rebel of Rebels Jacob R. Klein, 2020-12-03 If you re a Christian you know that Jesus took the sin of all mankind upon Himself to offer redemption and everlasting life to those who believe in Him But did you know that in His own time the Jews expected the Messiah to be a military leader who would liberate them from Rome Our current understanding of Jesus and His role was very different from that of His contemporaries and the first disciples This accessible compulsively readable book tells the story of Jesus life with different twists You ll be enthralled by Jesus teachings appreciate the significance of His power to perform miracles and dig deeper into the meaning of some of His best known parables You ll see the connections between Jesus and the prophecies of the Old Testament You ll walk alongside His first disciples and become entangled in the plot that led to His arrest trial and death But most of all you ll see that although Jesus was obedient to His father in heaven he bucked convention in his life on Earth from the Romans and the Sanhedrin to everyday Jews and sometimes even His close friends Jesus was perceived as a rebel who broke new ground in faith and action Whether you are new to your faith journey or revisiting a well loved road this compelling guide to Jesus life and times is the extra insight you need to spark your soul

Seeds of Resistance Mark Schapiro, 2018-09-18 Sun Soil Water Seed These are the primordial ingredients for the most essential activity of all on earth growing food All of these elements are being changed dramatically under the pressures of corporate consolidation of the food chain which has been accelerating just as climate change is profoundly altering the conditions for growing food In the midst of this global crisis the fate of our food has slipped into a handful of the world s largest companies Food Chained will bring home what this corporate stranglehold is doing to our daily diet from the explosion of genetically modified foods to the rapid disappearance of plant varieties to the elimination of independent farmers who have long been the bedrock of our food supply Food Chained will touch many nerves for readers including concerns about climate change chronic drought in essential farm states like California the persistence of the junk food culture the proliferation of GMOs and the alarming domination of the seed market and our very life cycle by global giants like Monsanto But not all is bleak when it comes to the future of our food supply Food Chained will also present hopeful stories about farmers consumer groups and government agencies around the world that are resisting the tightening corporate squeeze on our food chain

The Two Seeds Fred A. Wilson, 2018-11-05 The Two Seeds is an exposition of Genesis 3 And Hashem Elohim said to the Woman Eve What is this you have done And the Woman said The Serpent the Nachash beguiled cheated outwitted and deceived me and I ate And Hashem Elohim said to the Serpent Because you have done this you are cursed above all domestic animals and above every wild living thing of the field upon your belly you shall go and you shall eat dust and what it contains all the days of your life And I will put enmity between you and the Woman and between your seed and her Seed He will bruise and tread your head underfoot
