The MotoLady's Book of Women Who Ride Alicia Mariah Elfving, 2021-05-18 Written and curated by Alicia Mariah Elfving founder of TheMotoLady.com and the Women's Motorcycle Show and arguably the most notable advocate for women in the motorcycling hobby The MotoLady's Book of Women Who Ride subverts all the tired women and motorcycle tropes offering the true stories of the women past and present who ride and wrench as well as anyone proving every bit as indispensable to maintaining and growing a positive motorcycling culture Historically depictions of women in motorcycle culture tend to objectify from the outlaw motorcycle club biker babe to cheesecake photography to posturing celebrities with motorcycles as props The truth is much different From the early days of motorcycle culture more than 100 years ago women have played a central role in making the motorcycle a legitimate form of transportation recreation and motorsport Elfving presents more than 70 figures in the motorcycle world from the Americas to Europe and even the Middle East and South Asia stunt riders racers builders customizers organizers and more Elfving links today's women motorcyclists with those of the past and illustrates the freedom represented by two wheels and how motorcycles allow women to transcend cultural expectations confidently You'll meet riders such as Sofi Tsingos who raises money for charities by building and auctioning motorcycles Safety ambassador Brittany Morrow who found her calling after surviving a high speed crash with no gear The Van Buren sisters who in 1916 were among the first motorcyclists to ride coast to coast and the first women to ride to the summit of Pikes Peak The late Jessi Combs an iconic TV personality metal fabricator and land speed record holder Overwhelmingly positive Elfving instills confidence and can do rather than providing an echo chamber of common complaints among women in motorcycling In addition The MotoLady's Book of Women Who Ride is illustrated throughout with contemporary and historical photos of the author's subjects comprising a beautiful as well as inspiring package

the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart

Destiny Peter James Ford,2024-03-04 DESTINY is a book recording the continual soul expansion of the seeker Peter

James Ford Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill, Native American Burial Grounds and Old Hill Burial Grounds, he was having vivid visions in his mind of seeming past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way, giving Peter wisdom from unseen sources. One source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT, then the eighth and ninth bonus companion books called MYSTIC VISION QUEST. Then SHAMBHALA'S GHOSTS was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual. So here is the story of just another seeker realizing his divinity and returning to his own heart.

Harley-Davidson and Philosophy Bernard E. Rollin, 2006. Teleological ghost in the Harley machine. Can we ride our manufactured metal mojos back into a State of Nature? What is it about the biker's worldview that isn't at home in Starbucks and what did the ancient Greeks have to say about that? Book jacket *U.S. News & World Report*, 2000. *A Few Well Chosen Words* David Bouchier, 2008-11-03. David Bouchier brings humor and insight to the quirks and puzzles of everyday life from buying vitamin pills to reading poetry on the subways. These entertaining commentaries were first broadcast on public radio stations in Long Island and Connecticut where Bouchier's quirky and clever humor has made him the most popular public radio personality in the region. Every week for the past twelve years Bouchier has plucked a topic from the chaos of ordinary life and subjected it to his special brand of ironic scrutiny. Nothing is too small or too vast to attract his attention: stuffed bears, NASCAR racing, reincarnation, the federal tax system and shopping in Florida all find a place in this spirited and funny collection of astute observations and whimsical opinions. *A Few Well Chosen Words* is the third collection of Bouchier's public radio commentaries on his life as an immigrant in America. Readers will relish his fresh approach to subjects like time and memory, the rituals that carry us through the year, our obsession with health and fitness, the horrors of travel and the many annoyances of modern life. *American Motorcyclist*, 1997-01. American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN.
