## **Red Zone The Behind The Scenes Story Of The San Francisco Dog Mauling:**

**Red Zone** Aphrodite Jones, 2004-05 Bestselling true crime writer Aphrodite Jones hocking new information behind the San Francisco dog mauling of Diane Whipple and the trial that has captured the nation's attention for over a year. In January 2001 Diane Alexis Whipple bled to death in the hallway of her ritzy Pacific Heights apartment building when she was mauled by two Presa Canarios a vicious breed of attack dog imported from the Canary Islands. After the lethal attack animal experts testified that the dogs could not have been stopped explaining that they had entered a frenzy called the d Zone. New York Times bestselling author Aphrodite Jones shows that the mauling was only one part of a frightening story involving obsession, bestiality, and illegal dog rings. The dogs belonged to Whipple's neighbors lawyers Marjorie Knoller and Robert Noel who had been keeping them for a leader of the notorious prison gang the Aryan Brotherhood. Jones takes us deep into the bizarre world of Paul Ruff Schneider a Hannibal Lecter type character who actually owned the dogs Bane and Hera. She explains how Noel and Knoller after being warned about these killer dogs brought them to the heart of San Francisco leading the dogs eventually to murder an innocent next door neighbor. Jones also reveals the shocking L.A. area whereabouts of the offspring of Bane the dog most directly involved in the mauling. Jones is a masterful investigator and writer who has interviewed the complete cast of characters including Robert Noel and Marjorie Knoller during their imprisonment and can now tell the full story of what happened in that apartment hallway. **Red Zone** is a riveting page turning account of this news making story that takes us deep into the relationship between man and animal.

**Red Zone** Aphrodite Jones, 2001-01-01 Renowned reporter and true crime writer Jones hones her talents as never before to pierce the dark heart of a macabre and tragic killing that captured the nation's attention the brutal mauling of 33 year old Diane Whipple in January 2001. Filled with shocking new revelations **Red Zone** tells the full story of this terrible event.

**Unleashed Fury** Julie Walsh, 2011-01-15 The question of whether dogs should be allowed off the leash in public places has become a major political issue in cities and suburbs across the United States. In the last two decades leash law disputes have burst upon the political scene and have been debated with an intensity usually reserved for such hot button issues as abortion and gun rights. This book investigates what has changed in American community life, social mores, and the relationship between humans and dogs to provoke such passionate responses. At its heart the book details and evaluates the handling of three leash law disputes, all of which were exceedingly divisive and emotionally intense. Two of the cases took place in San Francisco, a city with a reputation as one of the most dog friendly in the United States until 2001-2002 when officials curtailed off-leash walking. The other case study occurred in 1998 in Avon, a wealthy suburb of Hartford, Connecticut, when town officials unilaterally imposed a leash law at a popular off-leash park. This book is not only a revealing study of Americans' conflicted attitudes toward animals and the difficult balance between individual rights and the public good in our communities. It is also a useful source of information for both dog owners and local government officials who are faced with leash law disagreements.
