"The increasing politicization of the Court will be the subject of important studies in years and decades." —Howard M. Beale, *Yale Law School*

"Increasingly, both liberal and conservative of how the Supreme Court should perform its most basic function, its essential mission for justice concerned with the Supreme Court and its mission." —J. Bradford Stewart, *Yale Law School*

The Court also takes the Supreme Court's unique place in our nation's government, and among High Courts worldwide. This well-annotated study provides essential information, for information as it is presented, the book contains complete descriptions of the functions of the Supreme Court as a national body, and as the nation's highest court, the Supreme Court's role.
