The Collected Works of Edward Schillebeeckx Volume 1 Edward Schillebeeckx, 2014-09-25 This is a new edition of the 1963 classic which gave Christological thought a new direction As far back as his first major book Schillebeeckx propounded an anthropological approach to the sacraments In Christ the Sacrament of the Encounter with God he draws on theologically fruitful work by phenomenological anthropologists like Merleau Ponty Buytendijk and Binswanger That makes Schillebeeckx's distinctive idiom and modern approach appealing even today He rediscovers as it were from within the notions forged by scholastic theology and thus restores to us a theology of the sacraments rooted in the biblical and patristic soil from which they first sprang Schillebeeckx's speculative synthesis of this quest still has a fresh ring to it He describes Christ as the primordial sacrament in a reflection on his public ministry death and resurrection inspired by the universal human search for such a sacrament He concludes that the church's sacraments have to be an earthly extension of the liberation brought by Christ's story Schillebeeckx ends by describing sacraments as grace made visible that gives crowning moments in Christian life a mystical quality Edward Schillebeeckx Collected Works bring together the most important and influential works of the Dutch Dominican and theologian Edward Schillebeeckx 1914-2009 in a reliable edition All translations have been carefully checked or revised some texts are presented in English for the first time The page numbers of earlier editions are included Each volume carries a foreword by an internationally renowned Schillebeeckx expert

This edition makes Schillebeeckx available for a new generation of scholars and students

The Eternity, Personality, and Divinity of the Word, Proved and Defended from John I.-1 Thomas DAVIES (of Queen Street Chapel, Cheapside.),1805

Seated in the Heavenly Realms Young Jae Song,2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God s creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology
