Redesigning The American Lawn:

Redesigning the American Lawn F. Herbert Bormann, **Redesigning the American Lawn** F. Herbert Bormann, Diana Balmori, Gordon T. Geballe, Professor Gordon T Geballe, 2001-01-01 This new edition which is being reissued in a more artistic format and with many additional illustrations updates the original text and adds a chapter showing what progress has been made in the ecological management of landscapes over the past decade **BOOK JACKET** **The American Lawn** Georges Teyssot, 1999 The site of political demonstrations sporting events and barbecues and the object of loving if not obsessive care and attention the lawn is also symbolically tied to our notions of community and civic responsibility serving in the process as one of the foundations of democracy **Green Fields, Brown Fields, New Fields** David Nichols, Anna Hurlimann, Clare Mouat, Stephen Pascoe, 2010 The conference explores past and future approaches to managing and designing for growth development and decline This goes beyond debates over density frontier development and renewal It includes new fields of historical policy and social research which inform discussion of heritage growth environmental economic and other issues of urban life and urban form Page iii **American Green: The Obsessive Quest for the Perfect Lawn** Ted Steinberg, 2006-03-17 Ted Steinberg proves once again that he is a master storyteller as well as our foremost environmental historian Mike Davis The rise of the perfect lawn represents one of the most profound transformations in the history of the American landscape American Green Ted Steinberg s witty expos of this bizarre phenomenon traces the history of the lawn from its explosion in the postwar suburban community of Levittown to the present love affair with turf colorants leaf blowers and riding mowers **The Front Yard War** Wred Fright, 2025-01-19 Jane Carcrashski is getting a divorce Jane Carcrashski is looking for a new career Jane Carcrashski is getting good at hiding her nervous breakdown But one thing Jane Carcrashski is not doing is cutting the grass You see her estranged husband says he ll do it and she s making sure he keeps his word Unfortunately he s real busy so he hasn t had time to do it but he says he ll be over tonight If not tonight then the next day OK maybe this weekend Well something came up so next weekend In the meantime the grass is growing and we re past No Mow May into Angry Neighbors And Government Code Violations June and Jane is thrust into an armed standoff with local government goons fueled by a group of misfits drawn to her growing grass including a property rights extremist who maybe only loves his rights slightly more than his guns a native plants enthusiast who feels guilty about finding dandelion sandwiches so damn delicious a yard artist who thinks Jane s yard just needs a few more inflatable flamingos and it would look better and a digital druid who dislikes clothing and insists on live streaming his intense naked conversations with the plants in Jane s yard Remember the Alamo Remember Waco Remember Attica Remember how the Harpers Ferry raid ended Also remember when Harper s Ferry used to have an apostrophe OK enough digression let s get back to the main point Remember when Philadelphia dropped a bomb on a bunch of militant vegetarians No Well none of those had happy endings Jane s still hoping for one here but that s only probably because she s drunk If you like novels such as The Monkey Wrench

Gang then you're probably on a government watchlist but you'll also likely enjoy reading *The Front Yard War* [The Boilerplate Rhino](#) David Quammen, 2012-10-23 From one of the most fascinating and thought provoking writers of natural history *The Seattle Times* a collection of enduring essays that form a bestiary of wondrous creatures and a gallery of the human faces that peer at them *The Boilerplate Rhino* brings together twenty six of David Quammen's most thoughtful and engaging essays from his column for *Outside* magazine gifting readers with an irrepressible assortment of ideas to explore conundrums to contemplate and wondrous creatures to behold In lucid penetrating and often quirkily idiosyncratic prose David Quammen takes his readers with him as he explores the world His travels lead him to rattlesnake handlers in Texas a lizard specialist in Baja the dinosaur museum in Jordan Montana and halfway across Indonesia in search of the perfect Durian fruit He ponders the history of nutmeg in the southern Moluccas meditates on bioluminescent beetles while soaking in the waters of the Amazon and delivers *The Dope on Eggs* from a chicken ranch near his hometown in Montana Quammen's travels are always jumping off points to explore the rich and sometimes horrifying tension between humankind and the natural world in all its complexity and ambivalence The result is another irrepressible assortment of ideas to explore conundrums to contemplate and wondrous creatures to behold *Immigrant Pastoral* Susan Dieterlen, 2015-07-16 *Immigrant Pastoral* examines the growth of new Mexican heritage communities in the Midwest through the physical form of their cities and neighborhoods The landscapes of these New Communities contrast with nearby small cities that are home to longstanding Mexican American communities where different landscapes reveal a history of inequality of opportunity Together these two landscape types illustrate how inequality can persist or abate through comprehensive descriptions of the three main types of Midwestern Mexican American landscapes Established Communities New Communities and Mixed Communities Each is described in spatial and non spatial terms with a focus on one example city Specific directives about design and planning work in each landscape type follow these descriptions presented in case studies of hypothetical landscape architectural projects Subsequent chapters discuss less common Midwestern Mexican American landscape types and their opportunities for design and planning and implications for other immigrant communities in other places This story of places shaped by immigrants new and old and the reactions of other residents to their arrival is critical to the future of all cities towns and neighborhoods striving to weather the economic transformations and demographic shifts of the twentieth and twenty first centuries The challenges facing these cities demand the recognition and appreciation of their multicultural assets in order to craft a bright and inclusive future **Out of the Woods** Julia Corbett, 2018-09-01 2018 Reading the West Book Awards Nonfiction Winner Have you ever wondered about society's desire to cultivate the perfect lawn why we view some animals as good and some as bad or even thought about the bits of nature inside everyday items toothbrushes cell phones and coffee mugs In this fresh and introspective collection of essays Julia Corbett examines nature in our lives with all of its ironies and contradictions by seamlessly integrating personal narratives with morsels of highly digestible science and

research Each story delves into an overlooked aspect of our relationship with nature insects garbage backyards noise open doors animals and language and how we cover our tracks With a keen sense of irony and humor and an awareness of the miraculous in the mundane Julia recognizes the contradictions of contemporary life She confronts the owner of a high end market who insists on keeping his doors open in all temperatures Takes us on a trip to a new mall with a replica of a trout stream that once flowed nearby The phrase out of the woods guides us through layers of meaning to a contemplation of grief remembrance and resilience Out of the Woods leads to surprising insights into the products practices and phrases we take for granted in our everyday encounters with nature and encourages us all to consider how we might re value or reimagine our relationships with nature in our everyday lives

State of the World 2004 Worldwatch Institute,2014-04-08 State of the World 2004 takes a fresh look at the trends that have put the global economy on a collision course with the Earth s ecosystems This year s edition has a special focus on the theme of consumption It questions whether a less consumptive society is possible and concludes that it is essential The book explores overconsumption a by product of affluence and underconsumption linked to poverty and provides behind the scenes exposes of the devastating environmental impacts of some of our most popular products from plastic bags to paper to mobile phones Published annually in 28 languages each edition draws on the breadth of expertise of Worldwatch s award winning team of writers and researchers State of the World is relied upon by national governments UN agencies development workers and law makers for its authoritative and up to the minute analysis and information It is essential for anyone concerned with building a positive global future

How Cities Will Save the World Ray Brescia,John Travis Marshall,2016-06-03 Cities are frequently viewed as passive participants to state and national efforts to solve the toughest urban problems But the evidence suggests otherwise Cities are actively devising innovative policy solutions and they have the potential to do even more In this volume the authors examine current threats to communities across the U S and the globe They draw on first hand experience with and accounts of the crises already precipitated by climate change population shifts and economic inequality This volume is distinguished however by its central objective of traveling beyond a description of problems and a discussion of their serious implications Each of the thirteen chapters frame specific recommendations and guidance on the range of core capacities and interventions that 21st Century cities would be prudent to consider in mapping their immediate and future responses to these critical problems How Cities Will Save the World brings together authors with frontline experience in the fields of city redevelopment urban infrastructure healthcare planning immigration historic preservation and local government administration They not only offer their ground level view of threats caused by climate change population shifts and economic inequality but they provide solution driven narratives identifying promising innovations to help cities tackle this century s greatest adversities

Ecology of Cities and Towns Mark J. McDonnell,Amy K. Hahs,Jürgen H. Breuste,2009-06-25 The unprecedented growth of cities and towns around the world coupled with the unknown effects of global change has created an urgent need to increase

ecological understanding of human settlements in order to develop inhabitable sustainable cities and towns in the future Although there is a wealth of knowledge regarding the understanding of human organisation and behaviour there is comparably little information available regarding the ecology of cities and towns This book brings together leading scientists landscape designers and planners from developed and developing countries around the world to explore how urban ecological research has been undertaken to date what has been learnt where there are gaps in knowledge and what the future challenges and opportunities are Architecture in the United States Dell Upton,1998 From Native American sites in New Mexico and Arizona to the ancient earthworks of the Mississippi Valley to the most fashionable contemporary buildings of Chicago and New York American architecture is incredibly varied In this revolutionary interpretation Upton examines American architecture in relation to five themes community nature technology money and art 109 illustrations 40 linecuts Map *Suburban Sprawl* Matthew J. Lindstrom,Hugh Bartling,2003 This book provides a comprehensive multi disciplinary analysis of suburban sprawl development and smart growth alternatives within the contexts of culture ecology and politics It offers a mix of theoretical inquiry historical analysis policy critique and case studies In addition each chapter is coupled with featured interviews with leading activists and policymakers working on sprawl issues Visit our website for sample chapters

Developing Ecological Consciousness Christopher Uhl,2003-12-09 A second edition of this textbook is now available Developing Ecological Consciousness offers an ecology based wonder filled initiation to the Universe and the Planet Earth It examines the ways in which humans are damaging the Earth and their own bodies and spirits The book presents paradigms values and tools essential for both planetary and personal transformation Big Green Purse Diane Maceachern,2008-02-28 Read Diane McEachern s posts on the Penguin Blog Protecting our environment is one of the biggest issues facing our planet today But how do we solve a problem that can seem overwhelming even hopeless As Diane MacEachern argues in Big Green Purse the best way to fight the industries that pollute the planet thereby changing the marketplace forever is to mobilize the most powerful consumer force in the world women MacEachern s message is simple but revolutionary If women harness the power of their purse and intentionally shift their spending money to commodities that have the greatest environmental benefit they can create a cleaner greener world Spirited and informative this book targets twenty commodities cars cosmetics coffee food paper products appliances cleansers and more where women s dollars can make a dramatic difference provides easy to follow guidelines and lists so women can choose the greenest option regardless of what they re buying along with recommended companies they should support encourages women to spend wisely by explaining what s worth the premium price some green products cost what s not and when they shouldn t spend money at all and differentiates between products that are actually green and those that are simply marketed as ecofriendly Whether readers want to start with small changes or are ready to devote the majority of their budget to green products MacEachern offers concrete and immediate ways that women can take action and make a difference Empowering and enlightening Big Green Purse will become the

green shopping bible for women everywhere who are asking What can I do Motorized Obsessions Paul R. Josephson, 2007-09-02 2008 Outstanding Academic Title Choice Magazine From dirt bikes and jet skis to weed wackers and snowblowers machines powered by small gas engines have become a permanent and loud fixture in American culture But fifty years of high speed fun and pristine lawns have not come without cost In the first comprehensive history of the small bore engine and the technology it powers Paul R Josephson explores the political environmental and public health issues surrounding one of America s most dangerous pastimes Each chapter tells the story of an ecosystem within the United States and the devices that wreak havoc on it personal watercraft PWCs on inland lakes and rivers all terrain vehicles ATVs in deserts and forests lawn mowers and leaf blowers in suburbia In addition to environmental impacts Josephson discusses the development and promotion of these technologies the legal and regulatory efforts made to improve their safety and environmental soundness and the role of owners clubs in encouraging responsible operation Synthesizing information from medical journals recent environmental research nongovernmental organizations and manufacturers Josephson s compelling history leads to one irrefutable conclusion these machines cannot be operated without loss of life and loss of habitat

Superbia! Dan Chiras, Dave Wann, 2009-03-01 The only book that shows how to transform existing suburbs to create environment and people friendly neighborhoods **The Curious Gardener** Anna Pavord, 2011-09-05 A wonderful book about the gardening year with practical advice by the top garden writer and best selling author of The Tulip **A Weed by Any Other Name** Nancy Gift, 2009-05-01 Is that a weed This question asked by anyone who has ever gardened or mowed a lawn does not have an easy answer After all a weed as suburban mother and professional weed scientist Nancy Gift reminds readers is simply a plant out of place In A Weed by Any Other Name Gift offers a personal unapologetic defense of clovers dandelions plantains and more chronicling her experience with these enemy plants season by season Rather than falling prey to pressures to achieve the perfect lawn and garden Gift elucidates the many reasons to embrace an unconventional weedy yard She celebrates the spots of wildness that crop up in various corners of suburbia redeeming many a plant s reputation by expounding on its positive qualities She includes recipes for dandelion wine and garlic mustard pesto as well as sketches that show the natural beauty of flowers such as the morning glory classified by the USDA as an invasive and noxious weed Although she is an advocate of weeds Gift admits that some plants do require eradication she happily digs out multiflora rose and resorts to chemical warfare on poison ivy But she also demonstrates that weeds often carry a message for us about the land and our treatment of it if we are willing to listen
