*Redesigning the Welfare State in New Zealand* Jonathan Boston, Paul Dalziel, Susan St. John, 1999 Compensation education housing social welfare employment assistance and superannuation Policy change, public attitudes and social citizenship Humpage, Louise, 2014-11-05 Neoliberal reforms have seen a radical shift in government thinking about social citizenship rights around the world But have they had a similarly significant impact on public support for these rights This unique book traces public views on social citizenship across three decades through attitudinal data from New Zealand the United Kingdom and Australia It argues that support for some aspects of social citizenship diminished more significantly under some political regimes than others and that limited public resistance following the financial crisis of 2008 2009 further suggests the public rolled over and accepted these neoliberal values Yet attitudinal variances across different policy areas challenge the idea of an omnipotent neoliberalism providing food for thought for academics students and advocates wishing to galvanise support for social citizenship in the 21st century **Transforming the Welfare State** Jonathan Boston, 2020-02-04 Eighty years ago New Zealand s welfare state was envied by many social reformers around the world Today it stands in need of urgent repair and renewal One of our leading public policy thinkers asks What might the contours

of a revitalised social contract for New Zealand look like Packed full of analysis Jonathan Boston's latest BWB Text directs us towards nothing less than a new political settlement Wide ranging reform of the welfare state is needed Boston argues if we are to address the challenges presented by economic social and technological upheaval This quest is made all the more demanding and pressing by alarming ecological crises and the need for the good society to place intergenerational responsibilities at its heart

**French Welfare State Reform** James Angresano, 2011 This book explores an important emergent issue what types of reforms are required to enable welfare states to preserve sustainability For the purpose of this study a sustainable welfare state is one that can remain the guarantor against social risks and adverse economic trends for all segments of their respective societies and satisfy sound fiscal criteria such as the Maastricht requirement for all members of the EMU that their fiscal budget deficit does not exceed 3% of the GDP without imposing considerable financial burdens on future generations

**Radical Welfare State Retrenchment** P. Starke, 2007-12-07 This book confronts one of the most fiercely contested issues in current political debates how is welfare state retrenchment possible in modern democracies despite the welfare state's continuing popular appeal Starke offers an international comparative analysis of welfare state retrenchment and an in depth examination of its radical deployments

Ideology and the Politics of (in)exclusion Linda P. Ware, 2005 Ideology and the Politics of In Exclusion provides an international analysis of the politics of research and practice in special education The contributors to this volume establish purposeful connections to the micropolitics of disability identification and the macropolitics of social structure and describe various geographic locales recount multiple historical contexts rely upon differing sources of evidence and as a consequence relate a more complex and richly layered analysis of educational inclusion Ideology and the Politics of In Exclusion breaks away from the prevailing discourse on educational inclusion as that which occurs in a vacuum separate from social inclusion by providing a close analysis of the narrow frameworks historic influence and research tensions that underwrite current special education practice

**Effective Crime Reduction Strategies** James F. Albrecht, Dilip K. Das, 2011-02-22 The International Police Executive Symposium IPES [www.ipes.info](http://www.ipes.info) coordinates annual international conferences to evaluate critical issues in policing and recommend practical solutions to law enforcement executives deployed across the globe Drawn from the 2005 proceedings hosted by the Czech Republic in Prague Effective Crime Reduction Strategie

*Global Dimensions of Public Administration and Governance* Jos Raadschelders, Eran Vigoda-Gadot, 2015-01-21 A comparative interdisciplinary examination of the mechanisms behind public administration Global Dimensions of Public Administration and Governance is a comprehensive comparative text on the structure and function of governments around the world Written by two of the field's leading public administration scholars this book provides an interdisciplinary perspective and a global historical and theoretical examination of the management and governance of the modern state Readers learn how territory bureaucracy and political systems influence policy and reform in over thirty countries and how these mechanisms affect the everyday lives of citizens This comparative approach features rich

examples of how policy is shaped by culture and how modern policy principles are filtered to fit a country's needs and expectations. Chapters conclude with comparative analyses that help readers better understand the role and position of government in the contemporary world both in democratic societies and less than democratic environments. Governance doesn't happen in a vacuum. Those responsible for policy regulation and reform take cues from history, current events, and visions for the future to inform thinking on matters that can potentially affect a large number of everyday lives. This book illustrates the thought process providing the necessary insight these important decisions require. Understand the relationship between structure and function of government. Learn how policy is culture dependent. Examine the political and societal contexts of reform. Discover the myriad forms of modern bureaucracy. The various social sciences provide valuable information and perspectives for those involved in public administration. Those perspectives converge here to form a thorough well rounded examination of the success and failure possible and the mechanisms through which they take place. *Global Dimensions of Public Administration and Governance* provides a detailed wide ranging look at how modern governments operate how they got this far and where they're headed for the future. [Social Policy Review 18](#) Linda Bauld, Karen Clarke, Tony Maltby, 2006

**Indigenous Spiritualities at Work** Chellie Spiller, Rachel Wolfgramm, 2015-06-01 Are you intrigued by ancient wisdom traditions? Do you ever wonder if they have any relevance in today's world? How do Indigenous ways of being and doing balance wealth creation and well being? How might Indigenous peoples define success? What are Indigenous spiritualities? How is Spirituality manifested in Indigenous organizations today? These questions have intrigued us for many years. As a consequence we invited scholars from around the world to contribute to a ground breaking book *Indigenous spiritualities at work: transforming the spirit of business enterprise* to explore these questions from different worldviews. A key focus of this book is how Indigenous spiritual approaches revitalize identities and relationships within the workplace. However the notion of workplace is not narrow as it includes communities of engagement and practice in ecologies of creativity and enterprise in the broadest sense. This enables Indigenous spiritualities at work to be explored from diverse perspectives, disciplines, cultures and sectors. In particular the authentic voices of authors in this book enrich our understandings, offers points of enlightenment and amplifies spiritual traditions of Indigenous peoples in a way that honours traditions of the past, present and future. The contributions build bridges between scholarly work and practice. They include empirical studies of Spirituality, mindfulness, presence and authenticity. A diverse range of research methodologies, impact studies and examples of development programs are offered alongside artistic works, photographic essays, stories and poetry.

*The New Health Policy* Gauld, Robin, 2009-06-01 This book analyzes the issues that form the nucleus of the emerging new health policy agenda. Robin Gauld brings together in one volume a comprehensive picture of the health policy challenges facing contemporary developed world health systems as well as the strategies for tackling these. The book highlights the importance to policy makers of each subject, overviews research into it and discusses policy responses in Britain, New Zealand

and the United States The New Health Policy is essential reading for all students of health policy and health care along with policy makers and health care professionals Book Jacket      **The Public Private Mix for Health** Alan Maynard,2018-12-14 Recent changes to the health service including new structures and ways of working at both local and national levels are having major influences on the working lives of every health visitor and community nurse and on their professional opportunities Understanding these changes is essential and this practical and authoritative handbook addresses them all The authors all have first hand experience of the radical changes underway The clear straightforward format is designed to allow quick access to relevant and up to date information The book is vital reading for every community practitioner      **EBOOK: The New Health Policy** Robin Gauld,2009-06-16 This is an excellent and accessible introduction to key current debates in health policy It is enriched by deft comparative analysis and by the way Dr Gauld locates the study in the context of current ideological debates Students will learn a lot from wrestling with the questions posed at the end of each chapter and so will their teachers Paul Wilding Emeritus Professor of Social Policy University of Manchester UK This book analyzes the issues that form the nucleus of the emerging new health policy agenda Robin Gauld brings together in one volume a comprehensive picture of the health policy challenges facing contemporary developed world health systems as well as the strategies for tackling these Individual chapters respectively analyze Challenges in health care funding and organization Quality and patient safety The application of information technology Clinical governance The changing nature of professionalism and public involvement in health care planning Public health The role of the private sector The book highlights the importance to policy makers of each subject overviews research into it and discusses policy responses in Britain New Zealand and the United States The New Health Policy is essential reading for all students of health policy and health care along with policy makers and health care professionals      Workers in the Margins Cybèle Locke,2012 Marginalised workers of the late twentieth century were those last hired in times of plenty and first fired in times of recession Often women Maori or people from the Pacific they were frequently unemployed and marginalised within the union movement as well as the labour force WORKERS IN THE MARGINS tells the story of these workers in the tumultuous years of post war New Zealand These were years characterised by massive changes in the workforce as it expanded to accommodate a growing urban Maori population and an increasing desire for women to enter paid work The world of trade unions and employment conflicts such as the 1951 waterfront lockout was vigorous and challenging As free market policies deregulated the labour market and splintered the union movement toward the end of the century Te Roopu Rawakore o Aotearoa the national unemployed and beneficiaries movement gave a new voice to workers in the margins The people of this history come to life through oral histories from the poet and boilermaker Hone Tuwhare building a palisade at Orakei through to activists Sue Bradford and Jane Stevens working with the unemployed in the 1980s and 90s Their experiences speak to the lives of many workers of the early twenty first century      Dismantling the NHS? Exworthy, Mark,Mannion, Russell,Martin A. Powell,2016-07-28 An in depth analysis

of the NHS reforms ushered in by UK Coalition Government under the 2012 Health and Social Care Act Essential reading for those studying the NHS those who work in it and those who seek to gain a better understanding of this key public service

*The Palgrave Handbook of Disabled Children's Childhood Studies* Katherine Runswick-Cole, Tillie Curran, Kirsty Liddiard, 2017-11-05 Disabled children's lives have often been discussed through medical concepts of disability rather than concepts of childhood Western understandings of childhood have defined disabled children against child development norms and have provided the rationale for segregated or special welfare and education provision In contrast disabled children's childhood studies begins with the view that studies of children's impairment are not studies of their childhoods Disabled children's childhood studies demands ethical research practices that position disabled children and young people at the centre of the inquiry outside of the shadow of perceived norms *The Palgrave Handbook of Disabled Children's Childhood Studies* will be of interest to students and scholars across a range of disciplines as well as practitioners in health education social work and youth work

**Inequality** Max Rashbrooke, 2013-06-27 The divide between New Zealand's poorest and wealthiest inhabitants has widened alarmingly over recent decades Differences in income have grown faster than in most other developed countries New Zealand society is being reshaped stretching to accommodate new distance between those who have and those who have not Income inequality is a crisis that affects us all A diverse gathering of New Zealand scholars journalists researchers business leaders workers students and parents share these pages Their voices speak to the complex shape of income inequality and its effects on the communities of these Pacific islands

*The Ashgate Research Companion to New Public Management* Tom Christensen, Per Lægreid, 2016-03-23 This collection provides a comprehensive state of the art review of current research in the field of New Public Management NPM reform Aimed primarily at a readership with a special interest in contemporary public sector reforms *The Ashgate Research Companion to New Public Management* offers a refreshing and up to date analysis of key issues of modern administrative reforms This volume comprises a general introduction and twenty nine chapters divided into six thematic sessions each with chapters ranging across a variety of crucial topics in the field of New Public Management reforms and beyond The principal themes to be addressed are

**Landscapes of Voluntarism** Christine Milligan, David Conradson, 2011 The appeal of voluntary action as a solution to growing welfare needs in advanced capitalist countries raises important questions about the social impacts and spatial equity of such provision For the first time these issues are addressed within a single book exploring the complex relationship between voluntary action society and space
