Rediscovering The Parables:

Rediscovering the Parables Joachim Jeremias, 1966 Expounds four chapters in New Testament theology Jesus praying to God as abba father the sacrificial interpretation of the Cross traced to the words of Jesus himself the way Paul translated the teaching of Jesus into theology and developed the controversial formula justification by faith and an early Christian hymn about Jesus adapted as the prologue to St John s Gospel *Rediscovering the Parables*, 1978 Rediscovering the Parables of Jesus Joachim Jeremias, 1966 *A History of the Quests for the Historical Jesus, Volume 1* Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates **Matthew's Trilogy of Parables** Wesley G. Olmstead, 2003-11-27 Wesley Olmstead examines the parables of the Two Sons the Tenants and the Wedding Feast against the backdrop of the wider Matthean narrative He explores Matthew s characterization of the Jewish leaders the people and the nations and assesses the respective roles of Israel and the nations in the plot of Matthew s Gospel Against the current of contemporary Matthean scholarship Olmstead argues both that the judgement this trilogy announces falls upon Israel and not only her leaders and that these parables point to the future inclusion of the nations in the nation that God had promised to raise up from Abraham Bringing both literary critical and redaction critical tools to bear on the texts at hand Olmstead not only elucidates the intended meanings of this parabolic trilogy but also attempts to determine the responses they elicited from their first readers Transcending Matthean scholarship this book has implications for all Gospel studies **Parables of Time and Eternity** Keith Ward, 2021-05-27 Most people agree that Jesus parables are about the

kingdom of God But what is that They seem to have a lot about hell and judgment but how is that consistent with the Parable of the Prodigal Son and Jesus search for lost sheep They speak of the Son of Man but who or what is that Some have thought they predict the end of the world but could that be a failure to understand biblical language In a new survey of Jesus parables Keith Ward proposes that they imply a theology of the universal and unlimited love of God a moral demand to care for the well being of all living things a compassion for the poor and rejected of the earth an open door of repentance that even death cannot close the offer of new life in the Spirit and an ultimate goal of universal creative sharing in the life of the cosmic Christ

Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia **Announcing the Reign of God** Mortimer Arias,2001-01-22 In *Announcing the Reign of God* Mortimer Arias proposes that the time has come to recover in its fullness the biblical perspective of the kingdom for the mission of the church today and particularly for our evangelistic witness *Parable and Story in Judaism and Christianity* Clemens Thoma,Michael Wyschogrod,1989 A scholarly study of the parables and stories in biblical tradition to help discover the common heritage of Christians and Jews *Many Things in Parables* Frederick Houk Borsch,2002-09-06 This book contains twenty four expositions of thirty of the main Parables of Jesus along with an essay on their interpretation It gives evidence that in seeking to proclaim the Word of God in the present day situation modern preaching is binding itself closely to the text of the Bible [The Biblical Tour of Hell](#) Matthew Ryan Hauge,2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in *Odyssey* Book 11 the literary model par excellence of postmortem revelation in antiquity [Matthew 1-13, Volume 33A](#) Donald A. Ancient Education and Early Christianity Matthew Ryan Hauge, Andrew W. Pitts, 2016-02-11 What was the relationship of ancient education to early Christianity This volume provides an in depth look at different approaches currently employed by scholars who draw upon educational settings in the ancient world to inform their historical research in Christian origins The book is divided into two sections one consisting of essays on education in the ancient world and one consisting of exegetical studies dealing with various passages where motifs emerging from ancient educational culture provide illumination The chapters summarize the state of the discussion on ancient education in classical and biblical studies examine obstacles to arriving at a comprehensive theory of early Christianity's relationship to ancient education compare different approaches and compile the diverse methodologies into one comparative study Several educational motifs are integrated in order to demonstrate the exegetical insights that they may yield when utilized in New Testament historical investigation and interpretation
