The Present Status of the Revolutionary Movement in the United States ..., Together with Descriptions of Numerous Connections and Associations of the Communists Among the Radicals, Progressives and Pinks. [Introd. by R.M. Whitney]. R. M. Whitney,1924 Reds in America Richard Merrill Whitney,1924 *Red America* Kostis Karpozilos,2023-02-10 Historians of immigration and ethnicity in the United States have typically devoted little attention to Greek Americans while popular narratives depict them as indifferent or hostile to political and social radicalism From acclaimed historian Kostis Karpozilos *Red America* provides an alternative narrative of the Greek American experience Focusing on the history of the Greek American Left from the beginning of the twentieth century to the Cold War this volume uncovers the threads that bound notions of radical social change to everyday immigrant life tracing ethnic radicalism from the boundaries of a specific community to the epicenter of American social and political history **American Poultry Advocate** ,1914 *Reds in America* Peter Beckwith,1924 **American Red Polled Herd-Book, Containing a Record of All Red Polled Cattle in America, Approved... Red Scare Robert K. Murray,1955-01-01 *Red Scare* was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Few periods in American history have been so dramatic so fraught with mystery or so bristling with fear and hysteria as were the days of the great Red Scare that followed World War I For sheer excitement it would be difficult to find a more absorbing tale than the one told here The famous Palmer raids of that era are still remembered as one of the most fantastic miscarriages of justice ever perpetrated upon the nation The violent labor strife still makes those who lived through it shudder as they recall the Seattle general strike and Boston police strike the great coal and steel strikes and the bomb plots shootings and riots that accompanied these conflicts But exciting as the story may be it has far greater significance than merely that of a lively tale For just as American was swept by a wave of unreasoning fear and was swayed by sensational propaganda in those days so are we being tormented by similar tensions in the present climate of the cold war The objective analysis of the great Red Scare which Mr Murray provides should go a long way toward helping us to avert some of the tragic consequences that the nation suffered a generation ago before hysteria and fear had finally run their course The author traces the roots of the phenomenon relates the outstanding events of the Scare and evaluates the

significant effects of the hysteria upon subsequent American life Country Life in America ,1905 *American Poultry Journal* ,1921 **Standard-bred Rhode Island Reds, Rose and Single Comb** Dwight Edward Hale,1911 *America's Game* Bryan Soderholm-Difatte,2018-06-08 This comprehensive survey of major league baseball looks at the national pastime s legendary figures major innovations and pivotal moments from the beginning of the twentieth century through World War II In America s Game A History of Major League Baseball through World War II Bryan Soderholm Difatte provides a comprehensive narrative of the major developments and key figures in Major League Baseball during a time when the sport was still truly the national pastime Soderholm Difatte details pivotal moments including the founding of the American League the 1919 Black Sox scandal and navigating the Great Depression and two World Wars and concludes with a chapter examining the exclusion of black ballplayers from the major leagues Central personalities covered in this book include baseball executives Judge Landis and Branch Rickey managers John McGraw and Joe McCarthy and iconic players such as Babe Ruth and Ty Cobb America s Game isn t simply about celebrating the exploits of great players and teams it is just as much about the history of Major League Baseball as an institution and the evolution of the game itself With significant changes taking place in baseball in recent times this book will remind baseball fans young and old of the rich history of the game **A Humorous Account of America's Past** Richard T.
