Perspectives on Corporate Social Responsibility Lez Rayman-Bacchus,2017-03-02 Over the last decade the question of the relationship between organizations and society has been subject to much debate often of a critical nature The decade has seen protests concerning the actions of organizations exposures of corporate exploitation and unfolding accounting scandals At the same time ethical behaviour and a concern for the environment have been shown to have a positive correlation with corporate performance The nature of corporate social responsibility is therefore a topical one for businesses and academics There are however many different perspectives upon what is meant by corporate social responsibility and how

this might be applied within organizations The authors involved are respected academics from a variety of disciplines from around the world The contributions to this book investigate theoretical perspectives on the topic the application in practice of socially responsible behaviour and the ethical dimension of such behaviour Strategic Environmental Management Grace Wever,1996-04-26 Strategic Environmental Management is the first book of its kind that actually shows you how to make TQEM work in your company It provides the information tools and expert guidance you need to plan implement and successfully manage a TQEM program You will also learn the benefits of fully integrating environmental management into your organization s overall business plan and how to sell these benefits to top management Dr Grace Wever first lays the necessary conceptual groundwork with an in depth discussion of EHS management as seen from the Baldrige Deming and ISO 14001 frameworks She then arms you with a full complement of proven in the trenches TQEM tools and techniques

Perspectives on Business management & economics Vijaya kittumanda, dr.Naveenanr.v., dr. Rajesh rengaswamy, dr. Harmeet matharu, *Climate Change* Gary Barr,2007 We rely on the media to give us information about climate change But it can be difficult to know which news stories are the most accurate That is because strong opinions exist concerning climate change and not all scientists agree on what is causing it This book will show how the news gets reported in different ways and explain why some people think it is important to take radical action *Environmental Aspects of Construction with Waste Materials* Th.G. Aalbers,H.A. van der Sloot,J.J.J.M. Goumans,1994-05-20 The concept of Sustainable Development implicating the protection of soil and groundwater the limitation of waste production and the re use of solid waste materials is still the leading theme of WASCON 94 Although it is clearly recognized in most countries that products derived from solid waste materials can be applied as construction materials research is still needed to assess various environmental problems
