Agricultural and Industrial Progress in Canada , 1929 **The Best Gift** Margaret Beckman, Stephen Langmead, John Black, 1984-01-01 This book is a vivid reminder of the early days of library development in Ontario The beautiful buildings which still grace Ontario towns and villages as illustrated are a part of our provincial heritage By the turn of the century a public library was perceived as an important element in the civic fabric of almost every Ontario community However the introduction of the Carnegie grants for library buildings gave impetus to the Ontario government programme for library development and provided a focus for increased support of library services Rivalry among neighbouring communities to

secure a Carnegie library heightened this awareness as did the publicity in some instances even controversy which surrounded each step of the grant seeking site selection and plan approval process As well the hitherto unexplored story of Carnegie grant process in each community has been examined and the role of one man James Bertram secretary to Andrew Carnegie is revealed in absorbing detail Library plans and design elements are also discussed and the influence of a few architects on the building designs is revealed the fascinating involvement of Frank Lloyd Wright in the Pembroke Carnegie library building is one such example

Canada 1919 Tim Cook,J.L. Granatstein,2020-06-15 With compelling insight Canada 1919 examines the year following the Great War as the survivors attempted to right the country and chart a path into the future Veterans returned home full of both sorrow and pride in their accomplishments wondering what would they do and how they would fit in with their families The military stumbled through massive demobilization The government struggled to hang on to power And a new Canadian nationalism was forged This book offers a fresh perspective on the concerns of the time the treatment of veterans including nurses and Indigenous soldiers the place of children the influenza pandemic the rising farm lobby the role of labour Canada s international standing and commemoration of the fallen Canada 1919 exposes the ways in which war shaped and changed Canada and the ways it did not *Early Canadian Printing* Patricia Fleming,Sandra Alston,Marie Tremaine,1999-01-01 In addition to verifying as many of Tremaine s original library locations as possible and identifying additional copies of the items the authors of the supplement have added many new entries that have come to light in the last 45 years

Canadian Chemical Journal ,1920 Canadian Chemical Processing ,1920 **Polarity, Patriotism, and Dissent in Great War Canada, 1914-1919** Brock Millman,2016-04-06 Compared to the idea that Canada was a nation forged in victory on Vimy Ridge the reality of dissent and repression at home strikes a sour note Through censorship conscription and internment the government of Canada worked more ruthlessly than either Great Britain or the United States to suppress opposition to the war effort during the First World War **Polarity Patriotism and Dissent in Great War Canada 1914 1919** examines the basis for those repressive policies Brock Millman an expert on wartime dissent in both the United Kingdom and Canada argues that Canadian policy was driven first and foremost by a fear that opposition to the war amongst French Canadians and immigrant communities would provoke social tensions and possibly even a vigilante backlash from the war s most fervent supporters in British Canada Highlighting the class and ethnic divisions which characterized public support for the war **Polarity Patriotism and Dissent in Great War Canada 1914 1919** offers a broad and much needed reexamination of Canadian government policy on the home front
