

MANTOVANI

AND HIS ORCHESTRA

LATIN RENDEZVOUS

LPM 78045

To millions of people all over the world the music of Mantovani represents the ultimate in listening pleasure. In transcending the barriers between 'pop' and 'classical', Mantovani has devised a unique formula which relies upon the re-creation of many talents. He draws upon an amazingly wide range of compositions for his recordings; sometimes he uses the melody of a currently popular song, sometimes an operatic aria or a famous symphony, sometimes a catchy tune imported from a European country, sometimes a haunting theme from a dramatic film or the romantic ballad which has become the highlight of a stage musical. Lasting quality and a strong melody... these are the two most important considerations which Mantovani keeps in mind when he is selecting his programs.

Each new Mantovani album is prepared with two essential purposes in mind; the first is to provide the listener with a set of carefully chosen and finely arranged pieces of music and the second is to derive the fullest possible advantage from the capabilities of each section of the orchestra so that the finished recordings are true masterpieces of both technical and musical artistry and of audio entertainment.

LATIN RENDEZVOUS is unique in the sense that this is the first for which Mantovani did not personally choose the material. As most of Mantovani's fans know, his regularly journeys to the United States where he leads a most successful concert tour. These tours bring him into contact with many of his admirers, many of whom are eager to suggest songs that they would like Mantovani to play. At the close of his most recent tour, he was approached with the idea that a contest should be run; the idea of which is that the contestants would pick the material and the title of the new album. This idea interested Mantovani a great deal, for by running such a contest he felt that he would be brought closer to his public and also give them an album of their own choice.

The rules were simple enough; twelve titles were to be suggested along with a format or title, the only restriction being that songs picked had to be songs that Mantovani had never recorded previously. In order to help the contestants, a list containing all the songs Mantovani had recorded was

enclosed with the entry blank. The winner of the contest would be flown to England as both London Records and Mantovani's guest for a week of sight-seeing and entertainment, highlighted by the winner's appearance at the recording studio where he or she would witness the actual recording of the album they chose.

A panel of judges was chosen to select the best entries from the thousands that were entered. There were sent to Mantovani in England where he personally examined each one and from these selected the winning one.

After hearing this new album, we readily agree in the excellent choice of both Mr. Ruggiero and Mantovani.
