Reference Work In The Public Library:

Introduction to Reference Work Margaret Hutchins, 1949 **The American Public Library Handbook** Guy A. Marco, 2011-11-29 A detailed reference work that documents every aspect of the American public library experience through topical entries statistics biographies and profiles The American Public Library Handbook is the first reference work to focus on all aspects of the American public library experience providing a topical perspective through comprehensive essays and biographical information on important public librarians Based upon the author's own notes and extensive experience as well as library periodicals library reference books monographs textbooks Internet sources and correspondence with individual libraries this book comprises nearly 1 000 entries addressing all aspects of public library service Each topical essay considers terminology of the area covered its historical context and current concerns and issues Biographies highlight the philosophical perspective of the individuals covered while entries on specific libraries present timely data and interesting facts about each facility This unique handbook also offers up to date statistics historical highlights and information about programs and events of individual libraries **Introduction to Reference Work: Reference services and reference processes** William A. Katz, 1978 *The Changing Role in Children's Work in Public Libraries* ,1977 *Library Work* ,1912 Encyclopedia of Library History Wayne A. Wiegand, Donald G. Jr. Davis, 2015-01-28 First Published in 1994 This book focuses on the historical development of the library as an institution Its contents assume no single theoretical foundation or philosophical perspective but instead reflect the richly diverse opinions of its many contributors This text is intended to serve as a reference tool for undergraduate and graduate students interested in library history for library school educators whose teaching requires knowledge of the historical development of library institutions services and user groups and for practicing library professionals **Ontario Library Review and Book Selection Guide** ,1918 New Frontiers in Public Library Research Carl Gustav Johannsen, Leif Kajberg, 2005-03-21 Pulls together research results from Scandinavian public library researchers on current public library issues including how public libraries are facing and dealing with the various professional challenges of modern society Contributors tackle topics as wide ranging as the challenges of serving a multi cultural society new library media and services internet services and new trends in library management This collection of articles also includes library history works focusing on the relationship between public library ideas and practices in the USA and the Scandinavian countries **Annual Report** District of Columbia. Public Library, 1898 **Report** New York Public Library. Library School, 1912 *Report of the Trustees of the Public Library of the City of Boston* Boston Public Library, 1918 **Report of the Public Library Commission of Indiana** Public Library Commission of Indiana, 1905 *Reading and the Reference Librarian* Juris Dilevko, Lisa Gottlieb, 2003-11-26 Reference librarians are no longer expected to know much about the information they find they are merely expected to find it Technological competency rather than knowledge has become the order of the day In many respects reference service has become a matter of typing search terms into a library's online

catalog or a web search engine and providing the patron with the results of the search Calling for a re intellectualization of reference librarianship this book suggests another approach to providing quality reference service reading The authors surveyed both academic reference librarians and public library reference personnel in the United States and Canada about their reading habits From the 950 responses the authors present findings about the extent to which librarians read newspapers periodicals fiction and nonfiction and recount and analyze stories about how reading has made them better librarians The authors also report that North American professors in the humanities and social sciences believe that the best reference librarians are those who have wide ranging subject based knowledge as opposed to the type of process based functional knowledge that is increasingly dominating the curricula of many Library and Information Science programs

Annual Report of the Trustees of the Public Library Somerville Public Library,1914 *Administration of the Public Library* Alice Gertzog,Edwin P. Beckerman,2003 Now available in paperback The Administrative of the Public Library is a comprehensive approach to contemporary public library concerns It combines theory and practical advice as it addresses in a simple logical clear and jargon free fashion public library policies procedures resources and human relations Based on the premise that library administration entails not only familiarity with management principles but intimate knowledge of the products and processes for which it is responsible the book covers input functions collection development technology technical services public services outreach information circulation youth readers as well as important traditional management topics staff directors finance buildings and public relations All of these are developed within a system political historical and social context The text uses as its model Guy R Lyle s *Administration of the College Library* and is designed for students and practicing librarians alike Handbook Missouri Library Association,1906 *Annual Report* New York State Library,1927 From 1889 to 1918 the reports consist of the Report of the director and appendixes which from 1893 include various bulletins issued by the library Additions Bibliography History Legislation Library school Public libraries These including the Report of the director were each issued also separately *Public Libraries in America* William I.
