Reflections on a Disruptive Decade Eugene Davidson,2000 Die at the Right Time! Eric v.d. Luft,2009-09-21 Parts will make you laugh parts will make you think parts will make you angry parts will make you sick Go for it all *Adman's Dilemma* Paul Rutherford,2018-01-01 The Adman s Dilemma is a cultural biography that explores the rise and fall of the advertising man as a figure who became effectively a licensed deceiver in the process of governing the lives of American consumers Apparently this personage was caught up in a contradiction both compelled to deceive yet supposed to tell the truth It was this moral condition and its consequences that made the adman so interesting to critics novelists and eventually filmmakers The biography tracks his saga from its origins in the exaggerated doings of P T Barnum the emergence of a new profession in the 1920s the heyday of the adman s influence during the post WW2 era the later rebranding of the adman as artist until the apparent demise of the figure symbolized by the triumph of that consummate huckster Donald Trump In The Adman s Dilemma author Paul Rutherford explores how people inside and outside the advertising industry have understood the conflict between artifice and authenticity The book employs a range of fictional and nonfictional sources including memoirs novels movies TV shows websites and museum exhibits to suggest how the adman embodied some of the strange realities of modernity The American Way of Peace Jan S. Prybyla,2005 Traces the development and implementation of Pax Americana the American way of peace from World War II to the war on terrorism and the Iraqi conflict Examines the extent to which modernization must incorporate values of democracy and rule of law Provided by publisher *A World of Letters* Nicholas A. Basbanes,2008-01-01 For Yale University Press which celebrates its hundredth birthday in 2008 the century has been an eventful one punctuated with no few surprises The Press has published more than 8 000 volumes through the years scores of bestsellers and award winners among them and these books have come to fruition through the efforts of a host of colorful authors editors directors board members and others of intellectual and literary renown With an ear always cocked for an interesting tale one of today s best storytellers presents an anecdote rich chronicle of the Press s first 100 years Nicholas Basbanes whom David McCullough has called the leading authority of books about books quickly convinces us that the Press s history while bookish is also lively and fascinating Basbanes explores the saga behind the acquisition of Eugene O Neill s blockbuster play the all time Yale bestseller *Long Day s Journey into Night* the controversy sparked in 1965 by publication of *The Vinland Map* the origins of the groundbreaking *Annals of Communism* series initiated in the wake of the Soviet Union s demise and many more highlights from Press annals Basbanes looks at the reasons behind the publisher s remarkable financial success and he completes *A World of Letters* with a glimpse at the new initiatives that will propel the Press into a second exciting century *Forthcoming Books* Rose Arny,2000 Chronicles ,2001 **Choice** ,2000 *Program of the ... ideology controversy and the death of foundationalism Lints argues that religion and religious ideologies serve both a prophetic function as well as a domesticating one and that neither conservative nor progressive movements have cornered the market in either direction In the process Lints helps us better understand the complex role of religion in cultural formation
