## **Reflections Of An Australian Liberal:**

*Reflections of an Australian Liberal* Frederic William Eggleston, 1953      **Australian Liberals and the Moral Middle Class** Judith Brett, 2003-11-06 The Liberal Party of Australia was late to form in 1945 but the traditions and ideals upon which it is founded have been central to Australian politics since Federation This 2003 book by award winning author and leading Australian political scientist Judith Brett provides the very first complete history of the Australian liberal tradition and then of the Liberal Party from the second half of the twentieth century The book sparkles with insight particularly in its sustained analysis of the shifting relationships between the experiences of the moral middle class and Australian liberals own self understandings It begins with Alfred Deakin facing the organised working class in parliament and ends with John Howard electorally triumphant but alienated from key sections of middle class opinion This book is destined to become the definitive account of Australian liberalism and of the Liberal Party of Australia      *Australia and the Wider World* Curran, James, Ward, Stuart, 2013-05-20 Since the 1960s Neville Meaney has been asking probing questions about social change and the rise of nationalism especially as found in the making of Australia s self image and its engagement with the world His efforts to unravel what he once called the riddle of Australian nationalism have raised important and often unsettling challenges for Australians Bringing together the cultural intellectual political and diplomatic dimensions of the national experience Meaney s work has been dominated by two overarching and interconnected questions how Australians should resolve the tension between the community of culture and the community of interest and how they should reconcile their British heritage with their Asian moorings      *JB Chifley* Julie Soares, 2019-03-19 This combined with his rural background and commitment to the labour movement played a major role in the development of his internationalist perspective Often overlooked by historians Chifley believed that the only way to avoid war and economic depression was through the establishment of international rules based economic and collective security institutions These were beliefs he had held since the early 1930s Chifley was a prime minister with a keen interest in post war Asia who understood that the old colonial order was ending He was a great admirer of the Indian Prime Minister Jawaharlal Nehru This book reveals the extraordinary convergence of worldviews of two fellow internationalists Chifley and Nehru This convergence can be seen in their views on the need to adjust to a changing post colonial world their internationalism their support for the United Nations their opposition to Western colonialism their anti war attitudes and their animosity towards the American and British Cold War framework through which the post war world was viewed Historian Frank Bongiorno wrote about Julie s work on Chifley it is a tremendous achievement to produce such a new vision of a major political figure it is an important contribution to Australian political foreign policy and intellectual history      **Reflections of an Australian Liberal** Frederic William Eggleston, 1953      *The Australian Study of Politics* R. Rhodes, 2009-11-11 The Australian Study of Politics provides the first comprehensive reference book on the history of the study of politics in Australia whether described as political studies or

The Liberals Ian Hancock,2007-09-20 This book tells some of the story of the NSW Division of the Liberal Party beginning with its prehistory and concluding with the constitutional changes in 2000 It looks at the role of leading figures such as John Carrick Nick Greiner and John Howard at the electoral record at the Division s recurring financial difficulties and occasional crises at its habit of decapitating parliamentary leaders and at the attempts to move beyond its Protestant Anglo Scottish and North Shore support base and male culture

Liberalism Versus Conservatism François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

*Securing Village Life* Scott MacWilliam,2013-05-01 SECURING VILLAGE LIFE DEVELOPMENT IN LATE COLONIAL PAPUA NEW GUINEA examines the significance for post World War II Australian colonial policy of the modern idea of development Australian officials emphasised the importance of bringing development for both the colony of Papua and the United Nations Trust Territory of New Guinea The principal form that development took involved securing smallholders against the tendencies of other forms of capitalist development that might have separated households from land In order to make household occupation of their holdings more secure and at higher standards of living the colonial administration coordinated and supervised increases in production of crops and other agricultural produce Contrary to suggestions that colonial policy and practice ignored indigenous agriculture and concentrated on plantation crops grown by international firms and expatriate owner occupiers the study shows how the main focus was instead upon increasing smallholder output for immediate consumption as well as for local and international markets Simultaneously development stimulated increases in consumption including of goods produced through manufacturing processes and imported into the colony Only as Independence approached was the pre eminence of the earlier focus upon smallholders weakened In part the change occurred due to the political advance of the indigenous capitalist class and their allies seeking to extend their base in largeholding agriculture and related commercial activities This advance and the uncertainty over which form of development would prevail once indigenes held state power in post colonial Papua New Guinea stood in marked contrast to the definite direction pursued under the colonial administration of the 1950s and early 1960s

**Australia's First Fabians** Race Mathews,1993-01-01 Many of Australia s first Fabians are known as legislators priests

jurists men and women of letters diplomats feminists and educators yet few are recognised as Fabians Until this book little attention has been given to Australian Fabian thinkers activists and organisations and their long term influence on Australian political and intellectual life This book recreates the lives of the first Fabians in Australia their political ideas and strategies and presents their visions for society in a lively and entertaining way It also explores the similarities between the Fabian Society s development in Britain and Australia The book will fill a long standing gap in Australian intellectual history and the history of early socialist movements in Australia      Official Year Book of the Commonwealth of Australia No. 43 - 1957 ,

Only in Australia William Coleman,2016-06-16 This edited volume is about the Australian difference and how Australia s economic and social policy has diverged from the approach of other countries Australia seems to be following a special path of its own that it laid down more than a century ago Australia s distinctive bent is manifested in a tightly regulated labour market a heavy reliance on means testing and income taxation a geographical centralization of political power combined with its dispersal amongst autonomous authorities and electoral singularities such as compulsory and preferential voting In seeking to explain this Australian Exceptionalism the book covers a diverse range of issues the strength and weakness of religion democratic and undemocratic tendencies the poverty of public debate the role of elites the exploitation of Australian sports stars the politics of railways the backwardness of agriculture deviation from the Westminster system the original encounter between European and Aboriginal cultures and the heavy taxation of tobacco Bringing together contributions from economists economic historians and political scientists the volume seeks to understand why Australia is different It offers a range of explanations from the historical legacy to material factors historical chance and personalities      Historical Dictionary of Australia Norman Abjorensen,James C. Docherty,2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia      *Liberals And Power* Peter van Onselen,2014-03-12 Peter van Onselen the co author of John Winston Howard The Definitive Biography and Howard s End has put together a vibrant collection of essays that offers policy analysis political philosophy and election winning strategies They look at Howard s reign and legacy and craft a narrative for the future Liberals and Power is compelling reading for anyone interested in a healthy party political system and a robust democratic state      Official Year

Book of the Commonwealth of Australia No. 41 - 1955 ,      Fair Reflection of Society in Judicial Systems - A Comparative Study Sophie Turenne,2015-07-20 This book addresses one central question if justice is to be done in the name of the community how far do the decision makers need to reflect the community either in their profile or in the opinions they espouse Each contributor provides an answer on the basis of a careful analysis of the rules assumptions and practices relating to their own national judicial system and legal culture Written by national experts the essays illustrate a variety of institutional designs towards a better reflection of the community The involvement of lay people is often most visible in judicial appointments at senior court level with political representatives sometimes appointing judges They consider the lay involvement in the judicial system more widely from the role of juries to the role of specialist lay judges and lay assessors in lower courts and tribunals This lay input into judicial appointments is explored in light of the principle of judicial independence The contributors also critically discuss the extent to which judicial action is legitimised by any democratic pedigree of the judges or their decisions The book thus offers a range of perspectives all shaped by distinctive constitutional and legal cultures on the thorny relationship between the principle of judicial independence and the idea of democratic accountability of the judiciary      **Historian's Life** Fay Anderson,2017-04-28 Max Crawford was one of Australia s pre eminent historians As both a participant in and observer of many decisive episodes of the era Europe in the midst of the Depression America and Russia at the height of World War II post war reconstruction and the Cold War in Australia Crawford was regarded as a radical and outspoken defender of intellectual autonomy This biography considers Crawford as an historian and a public intellectual It relates his experiences as a student at Sydney and Oxford a struggling teacher during the Depression as the head of the History School at the University of Melbourne a diplomat in wartime Russia and a Cold War victim and accuser The study of Crawford s life provides insight into one man s experience in the midst of political turmoil and the limits of intellectual autonomy on Australian campuses as well as the suspicion of liberal intellectuals in Australian public life the repression of academic radicals and ASIO s attempts to stifle dissident voices Spanning his life 1906 1991 Crawford s political and intellectual journey suggests the changing nature of Australian progressive liberalism and the precarious state of academic freedom      Australian National Government Leslie Finlay Crisp,1970      **Official Year Book of the Commonwealth of Australia No. 47 - 1961** ,
