**On the Way** James J. Rawls, 2018-05-29 On the Way is a book of reflections on one man's journey of faith Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time This presence now is sensed only fleetingly yet the longing persists The title of the book has a double meaning On the Way refers to the journey of faith our lifelong pilgrimage from God and to God But it also points to the one who leads us on this journey the one who says I am the way and the truth and the life On the Way is a collection of one hundred devotional readings reminiscent of Spurgeon's classic Morning and Evening Daily Readings and the Benedictine Lectio Divina It is intended to stir within the reader some forward movement in their own journey of faith What people are saying about On the Way James J Rawls draws on wisdom from across the ages Here he shares his ongoing conversation with these many voices within the framework of a deep personal and practical faith This book is a great gift and blessing The Rt Rev Barry L Beisner VII Bishop of the Episcopal Diocese of Northern California This is a wonderful book beautifully written insightful and filled with wisdom and warmth Gil Bailie founder of The Cornerstone Forum and author of God's Gamble The Gravitational Power of Crucified Love 2016 James Rawls has a capacity for clarity of thought and graceful articulation that the reader will find fully present in these meditations Savor consume and digest them Repeat again and again The Rev L Ann Hallisey D Min Professional Coach and Organization Consultant former Dean of Students Church Divinity School of the Pacific Berkeley *An Inquiry Into the Nature and Design of Christ's Temptation in the Wilderness* Hugh Farmer, 1805

*Daily Reflections and Meditations* Michael J. Akers, Ryan M. Akers, 2017-02-24 This is a book of reflection and meditation to give you encouragement and greater spiritual depth *The Discipline of Temptation and Other Thoughts for Lent and Holy Week* Henry Sidebotham, 1884 *Salvation Through Temptation* Benjamin E. Heidgerken, 2021-06-04 Salvation through Temptation describes the development of predominant Greek and Latin Christian conceptions of temptation and of the work of Christ to heal and restore humankind in the context of that temptation focusing on Maximus the Confessor and Thomas Aquinas as well developed examples of Greek and Latin thought on these matters Maximus and Thomas represent two trajectories concerning the woundedness of human emotionality in the wake of the primordial human sin Heidgerken argues that Maximus stands in essential continuity with earlier Greek ascetic theology which conceives of the weakness of fallen humankind in demonological categories so that the Pauline law of sin is bound to external demonic agents that act upon the human mind through thoughts desires and sensory impressions For Thomas on the other hand this wound consists primarily of an internal disordering of the faculties that results from the withdrawal of original grace concupiscence or the fomes peccati Yet even in this framework the devil plays a significant role in Thomas's account of postlapsarian temptation On the basis of these differing frameworks for human temptation Heidgerken demonstrates the centrality of Christ's

exemplarity in the Greek account and the centrality of Christ's moral perfections in the Latin account. As a consequence of these emphases the Greek tradition of Maximus places distinct limits on the ability of human emotionality even that of Christ to be perfected in this life whereas Thomas's approach allows Christ to completely embody a perfected form of human emotionality in his earthly life. Reciprocally Thomas's account of Christ's moral perfections and virtue places distinct limits on his affirmation of Christ's experience of postlapsarian temptation whereas Maximus's account allows for Christ to experience interior forms of temptation that more closely mirror the concrete moral experiences and circumstances of fallen human beings. Salvation through Temptation recommends a retrieval of early ascetic theology and demonology as the best contemporary systematic and ecumenically viable approach to Christ's temptation and victory over the devil. **Radiance**

*Church: a Reflection of the Triune God* Patrick Akpovevwe Otor, 2011-12-29 In Church: A Reflection of the Triune God Father Patrick Akpovevwe Otor MSP offers a new way of looking at the Church. He sees the nature and mission of the Church as an offshoot of the communion and love that binds together the persons of the Trinity. He shows how the three-tiered leadership structure of the Church mirrors the persons of the Trinity. Father Otor took time to explore and expand the term mission as it is understood in today's Church to include evangelization, inculturation, struggle for justice and liberation, ecumenism, inter-religious dialogue, protecting the earth, *missio Dei* and many more. The book illustrates the person and roles of the pastor or pastoral leader both within the church and in the world. It will be a valuable resource for both teachers and students of theology, pastors, priests, pastoral leaders, missionaries and ordinary Christians who are interested in learning
