Refugee Women And Their Mental Health Shattered Societies Shattered Lives:

Refugee Women and Their Mental Health Ellen Cole,Olivia M. Espin,Esther D. Rothblum,1992 Explores processes of recovery from the traumas experienced by women refugees from all over the world and offers a variety of models for the application of feminist theory to the plight of women refugees *Refugee Women and Their Mental Health* ,1992 Forced Migration and Mental Health David Ingleby,2006-01-27 Although forced migration is not new in human history it has become in our time one of the world s major problems In the last few decades armed conflict and political unrest have created vast numbers of asylum seekers refugees and displaced persons This has led in turn to increasing involvement of professional care workers and agencies both governmental and nongovernmental While there is no doubt on the part of helping parties that care is necessary there is considerable debate about the kind of care that is needed This book presents a critical review of mental health care provisions for people who have had to leave their homeland and explores the controversies surrounding this topic Providing fresh perspectives on an age old problem this book covers humanitarian aid and reconstruction programs as well as service provision in host countries It is of interest to all those who provide health services create policy and initiate legislation for these populations *Refugee Women, Representation and Education* Melinda McPherson,2014-10-07 Even with increased attention to refugee women s issues in the late 20th century post colonial discourses have nurtured limiting representations of refugee women predominantly as subjects of charity and as victims Adding to a growing body of work in the field the author challenges this preconception by offering an opportunity for women s voices **Social Work Practice with Immigrants and Refugees** Pallassana R. Balgopal,2000 Includes statistics **Traumatic Events and Mental Health** L. Stephen O'Brien,1998-02-19 A concise yet comprehensive and practical guide to the study and management of post traumatic responses Domestic Violence in Asian-American Communities Tuyen D. Nguyen,2007-07-18 Domestic violence in Asian American communities remains a rarely discussed yet pervasive problem With eight chapters each dedicated to a different Asian American community the essays in this volume explore the factors involved in domestic violence in specific communities This unique project will provide an indispensable tool for scholars and researchers in social work and family studies who want to better understand the complexities of serving this growing and diverse population Displaced Women Lucia Aiello,Joy Charnley,Mariangela Palladino,2014-03-17 The essays included in this volume mostly originate from the conference organised by the editors at Glasgow Women s Library in March 2012 Language multilingual narratives and interaction between cultures and languages were key themes of the conference Interdisciplinary and international the conference like this edited volume brought together specialists working in a range of fields and provided an opportunity for exchanges between historians sociologists scientists and literary scholars as well as between theoreticians and practitioners academics and non academics In spite of these many different approaches all the papers presented here transcend the idea of national identity as an epic heritage or destiny both linguistic and literary and suggest a much more

fluid definition of citizenship Working from this perspective and within this general framework both the editors and the contributors of this volume encourage a broader discussion on women s narratives of displacement that compels us to rethink the notions of mother tongue and native speaker and raises philosophical questions about linguistic ownership in other words whether a language is owned appropriated imposed or rejected and how women experience and express their sense of permanent strangeness

Guatemalan Women in Los Angeles Gabriele Kohpahl, 2018-10-24 First published in 1999 Guatemalan immigration is part of a trend where more women in an increasing number of countries than men participate in transnational migration This research attempts to clarify the causes for this phenomenon First it evaluates which Guatemalan women initiators and pioneers in the decision to migrate Second it looks at women's diverse reasons for leaving Guatemala and third what are the conditions particular to women left behind This study will also contribute to an understanding of the increasing diversification of the Latin American immigrant population in the United States Key Words in Multicultural Interventions

Patricia Arredondo, Harold E. Cheatham, Jeffery Scott Mio Ph.D., David Sue, Joseph E. Trimble, 1999-11-30 An essential resource for those interested in multicultural issues this dictionary presents common terms used in multicultural counseling and research The terms are not only denotatively defined but connotations are also included as well as historical information and important writings about the terms The dictionary is thus not only a straightforward compendium of definitions but also a resource for further investigation This is intended to be a resource for those interested in the area of multiculturalism Important publications investigating and or explicating these terms are also discussed and referenced Moreover authors define these terms with a point of view many terms are defined in a manner that connects them with perspectives commonly expressed by scholars and practitioners in the field Thus connotations are included as well as denotations of the terms

The Psychosocial Wellness of Refugees Frederick L. Ahearn, Jr., 2000-04-01 In recent years scholars in the fields of refugee studies and forced migration have extended their areas of interest and research into the phenomenon of displacement human response to it and ways to intervene to assist those affected increasingly focusing on the emotional and social impact of displacement on refugees and their adjustment to the traumatic experiences In the process the positive concept of psychosocial wellness was developed as discussed in this volume In it noted scholars address the strengths and limitations of their investigations citing examples from their work with refugees from Afghanistan Cambodia Vietnam Palestine Cuba Nicaragua Haiti Eastern Europe Bosnia and Chile The authors discuss how they define psychosocial wellness as well as the issues of sample selection measurement reliability and validity refugee narratives and voices and the ability to generalize findings and apply these to other populations The key question that has guided many of these investigations and

underlies the premise of this book is what happens to an ordinary person who has experienced an extraordinary event This volume also highlights the fact that those involved in such research must also deal with their own emotional responses as they hear victims tell of killing torture humiliation and dispossession The volume will therefore appeal to practitioners of psychology psychiatry social work nursing and anthropology However its breadth and the evaluation of the strengths and disadvantages of both qualitative and quantitative methods also make it an excellent text for students
