Michael,2011-06-07 Rupert's Journey is a curious tale about a purported adventure experienced by one Rupert Michael By all appearances Mr Michael does not claim this to be a work of fiction Certainly something happened to the once unpleasant Mr Michael so that he did seem to change for the better If Rupert Michael is a name invented by the actual author his or her true identity is not now known All of this said Rupert's Journey has its own unique charm and is reminiscent at times of Gulliver's Travels and Alice in Wonderland Some might call it a tightly written work while others might say that it lacks somewhat in volume If you are short on time or are in the mood for a relatively brief adventure story Rupert's Journey might well be just what you are looking for There is much within these pages that will appeal to a younger audience or those who believe it is better to grow up than to grow old **Sunrise Over Appalachia** Cecil Cline,2006-08 **UZBEKISTAN**
