National Labor Relations Board,2007     **Mike Nichols** Mark Harris,2022-02-01 One of The Hollywood Reporter s 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People s top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of Pictures at a Revolution and Five Came Back Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with Who s Afraid of

Virginia Woolf and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever. At thirty five he lived in a three story Central Park West penthouse, drove a Rolls Royce, collected Arabian horses and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun. Born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized; an allergic reaction had rendered him permanently hairless and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe: the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships; most enduringly, with May, his unquenchable drive, his hunger for security and status and the depressions and self medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores with brilliantly vivid detail and insight the life, work, struggle and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting, complicated and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art. New York Magazine, 1991-07-15. [Tudor Victims of the Reformation](#) Lynda Telford,2020-01-31 This book describes a selection of people caught up in the turmoil that presaged the reformation a period of change instigated by a king whose desire for a legitimate son was to brutally sweep aside an entire way of life The most famous and influential of the victims were the two people closest to Henry VIII His mentor Cardinal Thomas Wolsey a great churchman and a diplomat of consummate skill The other was to be the Kings second wife Anne Boleyn These two adversaries equally determined to succeed had risen above the usual expectations of their time Wolsey of humble birth became a price of the church enjoying his position to the full before coming into conflict with a woman who had no intention of being another passing fancy for the king She would become the mother of one of the greatest and most famous of Englands monarchs They were brought down by the factions surrounding them and the selfish indifference of the man they thought they could trust Though they succumbed to the forces aligned against them their courage and achievements are remembered and their places in history assured
