Regeneration Or Being Born Again:

"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism

Stephen J. Hamilton, 2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics

Whitman, 2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel *Shekinah Unveiled* examines and irrevocably dismantles the

ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife. Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ. Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith: the imago Dei, marriage, sexuality and the family, sin, Christology, ecclesiology, eschatology, judgment, bridal theology and theology proper. And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded, the very heart of Christianity is affected by knowing the identity of Christ's bride.

The third line, Maturing in Life, continues with chapters 3 through 6 of Reward and Punishment, which are in volume 3 of The Collected Works of Witness Lee 1955. These chapters cover various aspects of the gospel revealed in the Gospels and Acts: God setting aside a portion of His salvation as a reward, reward and punishment in the New Testament and the time, duration and intention of reward and punishment. The fourth line, The High Peak of the Divine Revelation, continues with chapters 2 through 5 of God's New Testament Economy, which are in volume 3 of The Collected Works of Witness Lee 1984. Doctrine not only equips you with more knowledge about God; it also shapes your affections toward him and directs your actions for him, but it can be difficult to know where to begin. This concise handbook developed from John MacArthur's larger work, Biblical Doctrine, is an entry point for studying theological topics such as the Bible, the Holy Spirit, the church and more. As MacArthur walks through the essentials of the Christian faith, doctrine by doctrine, he'll not only encourage your heart and mind but also empower you to proclaim the faith that was once for all delivered to the saints. Commentary on the Gospels Intended for Popular Use Daniel Denison Whedon, 1867 **52 Words Every Christian Should Know** Kendell H. Easley, 2010-10-01 The Biblical Literacy Project recently released a report that once again underscores just how little young Americans know about the Bible Even more surprising is that many Americans don't see why it's important to know something about the Bible As a skilled educator Kendell Easley continues to be surprised at how uninformed students are of basic biblical and theological terms as they enter college and seminary Further as a churchman and an active observer of the local church scene he is persuaded that many people who have been in church all their lives have somehow failed to gain a basic understanding of essential Christian words In *52 Words Every Christian Should Know* Easley provides a Bible verse in which each word or concept is used a succinct definition and helpful articles further explaining the significance of each entry Finally he poses interactive questions to the readers drawing them closer into a personal relationship with God *A Popular Commentary on the New Testament* Daniel Denison Whedon, 1874
