Religion In America Since 1945:

Religion in America Since 1945 Patrick Allitt, 2005 *A History of Religion in America* Bryan Le Beau, 2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration s impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60 s counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history

Religion in America Timothy L. Hall, 2007 Presents an overview of the history of religion in America and includes excerpts from primary source documents short biographies of influential people and more **The Columbia Documentary History of Religion in America Since 1945** Paul Harvey, Philip Goff, 2007-04-23 This unique documentary history brings together manifestos Supreme Court decisions congressional testimonies speeches articles book excerpts pastoral letters interviews song lyrics memoirs and poems reflecting the vitality diversity and changing nature of religious belief and practice in America since 1945 Covering both the center and the margins of American religious life these documents reflect the role of religion and theology in the civil rights feminist and gay rights movements as well as in the conservative responses to these Issues regarding religion and contemporary American culture are explored in documents about the rise of the evangelical movement and the religious right the impact of new post 1965 immigrant communities on the religious landscape the popularity of alternative New Age and non Western beliefs and the relationship between religion and popular culture The editors conclude with selections exploring major themes of American religious life at the millennium as well as excerpts that speculate on the future of religion in the United States Rhetorics of Religion in American Fiction Liliana M. Naydan, 2016-05-23 Rhetorics of Religion in American Fiction considers the way in which contemporary American authors address the subject of belief in the post 9 11 Age of Terror Naydan suggests that after 9 11 fiction by Mohsin Hamid Laila Halaby Philip Roth Don DeLillo John Updike and Barbara Kingsolver dramatizes and works to resolve impasses that exist between believers of different kinds at the extremes These impasses emerge out of the religious paradox that shapes America as simultaneously theocratic and secular and they exist for instance between liberals and fundamentalists between liberals and certain evangelicals between fundamentalists and artists and between fundamentalists of different varieties Ultimately Naydan argues that these authors function as literary theologians of sorts and forge a relevant space beyond or between extremes They fashion faith or lack thereof as hybridized and hence as a negotiation among secularism atheism faith

fundamentalism and fanaticism In so doing they invite their readers into contemplations of religious difference and new ways of memorializing 9 11 *America's Religions* Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated The Columbia Guide to Religion in American History Paul Harvey, Edward Blum, 2012-02-14

Introduction major themes in American religious history Paul Harvey and Edward J Blum Colonial encounters Linford D Fisher Native American religions Suzanne Crawford O'Brien Civil religion and national identity Andrew M Manis Theology Mark Noll Evangelicals in American history Douglas A Sweeney Religion and politics Jason C Bivins Religion and the law in American history Frank S Ravitch Religion war and peace Ira R Chernus Religion gender and sexuality Anthony Michael Petro Religion race and African American life Edward J Blum Religion ethnicity and the immigrant experience Roberto R Trevi o Asian American religions Timothy Tseng Alternative religious movements in American history Stephen J Stein Religion and the environment Lynn Ross Bryant Religion and popular culture Philip Goff Religious conservatism and fundamentalism Margaret Bendroth Catholicism in America Leslie Woodcock Tentler American Judaism Alan T Levenson The Church of Jesus Christ of Latter day Saints Mormons D Michael Quinn Islam in America Jane Smith American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion's interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three

The Concise Princeton Encyclopedia of American Political History Michael Kazin, Rebecca Edwards, Adam Rothman, 2011-08-08 An essential guide to U S politics from the founding to today With 150 accessible articles written by more than 130 leading experts this essential reference provides authoritative introductions to some of the most important and talked about topics in American history and politics from the founding to today Abridged from the acclaimed Princeton Encyclopedia of American Political History this is the only single volume encyclopedia that provides comprehensive coverage of both the traditional topics of U S political history and the broader

forces that shape American politics including economics religion social movements race class and gender Fully indexed and cross referenced each entry provides crucial context expert analysis informed perspectives and suggestions for further reading Contributors include Dean Baker Lewis Gould Alex Keyssar James Kloppenberg Patricia Nelson Limerick Lisa McGirr Jack Rakove Nick Salvatore Stephen Skowronek Jeremi Suri Julian Zelizer and many more Entries cover Key political periods from the founding to today Political institutions major parties and founding documents The broader forces that shape U S politics from economics religion and social movements to race class and gender Ideas philosophies and movements The political history and influence of geographic regions

American Heretics Jerome E. Copulsky, 2024-10-01 A penetrating account of the religious critics of American liberalism pluralism and democracy from the Revolution until today A chilling consideration of persistent mutations of American thought still threatening our pluralist democracy Kirkus Reviews starred review The conversation about the proper role of religion in American public life often revolves around what kind of polity the Founders of the United States envisioned Advocates of a Christian America claim that the Framers intended a nation whose political values and institutions were shaped by Christianity secularists argue that they designed an enlightened republic where church and state were kept separate Both sides appeal to the Founding to justify their beliefs about the kind of nation the United States was meant to be or should become In this book Jerome E Copulsky complicates this ongoing public argument by examining a collection of thinkers who on religious grounds considered the nation s political ideas illegitimate its institutions flawed and its church state arrangement defective Beholden to visions of cosmic order and social hierarchy rejecting the increasing pluralism and secularism of American society they predicted the collapse of an unrighteous nation and the emergence of a new Christian commonwealth in its stead By engaging their challenges and interpreting their visions we can better appreciate the perennial temptations of religious illiberalism as well as the virtues and fragilities of America s liberal democracy

Religious Freedom in America Michael C. LeMay, 2018-01-12 This book provides the answers to controversial questions about religious liberties in the United States and connected issues through balanced thorough and nonjudgmental coverage of the issues in a reference format The subject of religious freedom is important to all American citizens regardless of religious affiliation or ethnicity Are the rights of religious individuals being eroded or is religion being unfairly used to deny basic secular rights to individuals How will religious institutions adapt to changes in legislation that have an impact on how they operate Does the Supreme Court have the right to enforce these changes Finally how can the precarious separation of church and state be maintained while simultaneously respecting both institutions This single volume work provides an introduction that addresses the historical background of religious freedom in America accurately explains the latest legal developments in religious freedom in the United States and presents an unbiased account of the probable impact of the new Freedom of Religion laws in the continuing culture war Readers will gain insight into key controversies such as prayer in public schools creationism versus evolution abortion religious objections to medical care

religious displays in public places same sex marriage and LGBT rights and state and federal religious freedom acts The book also includes perspective essays by outside contributors a selection of useful primary documents a listing of print and nonprint resources a chronology and a glossary of terms Sword of the Spirit, Shield of Faith Andrew Preston,2012-02-28 A first major work of history on a crucial but under examined topic Sword of the Spirit Shield of Faith explores the role of religion in American foreign policy From the first colonists to the presidents of the 21st Century Andrew Preston s unparalleled study show us how religion has always shaped America s relationships with other nations and what to expect in the future During the presidency of George W Bush many Americans and others around the world viewed the entrance of religion into foreign policy discourse especially with regard to the wars in Iraq and Afghanistan as a new development But despite the official division between church and state the presence of religion in American foreign policy has been a constant since before the Founding Fathers Yet aside from leaders known to be personally religious such as Bush Jimmy Carter and Woodrow Wilson few realize how central faith has always been to American governance and diplomacy and indeed to the idea of America itself In Sword of the Spirit Shield of Faith Andrew Preston starts at the beginning and with revelatory findings shows us how and why **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **Patty's Got a Gun** William Graebner,2024-05-31 It was a story so bizarre it defied belief in April 1974 twenty year old newspaper heiress Patricia Hearst robbed a San Francisco bank in the company of members of the Symbionese Liberation Army who had kidnapped her a mere nine weeks earlier But the robbery and the spectacular 1976 trial that ended with Hearst s criminal conviction seemed oddly appropriate to the troubled mood of the nation an instant exemplar of a turbulent era With Patty s Got a Gun the first substantial reconsideration of Patty Hearst s story in more than twenty five years William Graebner vividly re creates the atmosphere of uncertainty and frustration of mid 1970s America Drawing on copious media accounts of the

robbery and trial as well as cultural artifacts from glam rock to Invasion of the Body Snatchers Graebner paints a compelling portrait of a nation confused and frightened by the upheavals of 1960s liberalism and beginning to tip over into what would become Reagan era conservatism with its invocations of individual responsibility and the heroic Trapped in the middle of that shift the affectless zombielike brainwashed Patty Hearst was a ready made symbol of all that seemed to have gone wrong with the sixties the inevitable result some said of rampant permissiveness feckless elitism the loss of moral clarity and feminism run amok By offering a fresh look at Patty Hearst and her trial for the first time free from the agendas of the day yet set fully in their cultural context Patty s Got a Gun delivers a nuanced portrait of both an unforgettable moment and an entire era one whose repercussions continue to be felt today

United States Demographics - Part A , Contingent Citizens Spencer W. McBride,Brent M. Rogers,Keith A. Ereksen,2020-05-15 Contingent Citizens features fourteen essays that track changes in the ways Americans have perceived the Latter day Saints since the 1830s From presidential politics to political violence to the definition of marriage to the meaning of sexual equality the editors and contributors place Mormons in larger American histories of territorial expansion religious mission Constitutional interpretation and state formation These essays also show that the political support of the Latter day Saints has proven at critical junctures valuable to other political groups The willingness of Americans to accept Latter day Saints as full participants in the United States political system has ranged over time and been impelled by political expediency granting Mormons in the United States an ambiguous status contingent on changing political needs and perceptions Contributors Matthew C Godfrey Church History Library Amy S Greenberg Penn State University J B Haws Brigham Young University Adam Jortner Auburn University Matthew Mason Brigham Young University Patrick Q Mason Claremont Graduate University Benjamin E Park Sam Houston State University Thomas Richards Jr Springside Chestnut Hill Academy Natalie Rose Michigan State University Stephen Eliot Smith University of Otago Rachel St John University of California Davis

American Grace Robert D. Putnam,David E. Campbell,2010-10-05 American Grace is a major achievement a groundbreaking examination of religion in America Unique among nations America is deeply religious religiously diverse and remarkably tolerant But in recent decades the nation s religious landscape has been reshaped America has experienced three seismic shocks say Robert Putnam and David Campbell In the 1960s religious observance plummeted Then in the 1970s and 1980s a conservative reaction produced the rise of evangelicalism and the Religious Right Since the 1990s however young people turned off by that linkage between faith and conservative politics have abandoned organized religion The result has been a growing polarization the ranks of religious conservatives and secular liberals have swelled leaving a dwindling group of religious moderates in between At the same time personal interfaith ties are strengthening Interfaith marriage has increased while religious identities have become more fluid Putnam and Campbell show how this denser web of personal ties brings surprising interfaith tolerance notwithstanding the so called culture wars American Grace is based on two of the most comprehensive surveys ever conducted on religion

and public life in America It includes a dozen in depth profiles of diverse congregations across the country which illuminate how the trends described by Putnam and Campbell affect the lives of real Americans Nearly every chapter of American Grace contains a surprise about American religious life Among them Between one third and one half of all American marriages are interfaith Roughly one third of Americans have switched religions at some point in their lives Young people are more opposed to abortion than their parents but more accepting of gay marriage Even fervently religious Americans believe that people of other faiths can go to heaven Religious Americans are better neighbors than secular Americans more generous with their time and treasure even for secular causes but the explanation has less to do with faith than with their communities of faith Jews are the most broadly popular religious group in America today American Grace promises to be the most important book in decades about American religious life and an essential book for understanding our nation today **The Blackwell**

Companion to Religion in America Philip Goff,2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment **Introducing World Christianity** Charles E. Farhadian,2012-02-20 This interdisciplinary introduction offers students a truly global overview of the worldwide spread and impact of Christianity It is enriched throughout by detailed historic and ethnographic material showing how broad themes within Christianity have been adopted and adapted by Christian denominations within each major region of the world Provides a comprehensive overview of the spread and impact of world Christianity Contains studies from every major region of the world including Africa Asia Latin America the North Atlantic and Oceania Brings together an international team of contributors from history sociology and anthropology as well as religious studies Examines the significant social cultural and political transformations in contemporary societies brought about through the influence of Christianity Discusses Protestant Evangelical Catholic and Orthodox forms of the faith Features useful maps and illustrations Combines broader discussions with detailed regional analysis creating an invaluable introduction to world Christianity **Faith and War** David E.

Settje,2011 Throughout American history Christianity has shaped public opinion guided leaders in their decision making and stood at the center of countless issues To gain complete knowledge of an era historians must investigate the religious context of what transpired why it happened and how Yet too little is known about American Christianity's foreign policy opinions during the Cold and Vietnam Wars To gain a deeper understanding of this period 1964-75 David E Settje explores the

diversity of American Christian responses to the Cold and Vietnam Wars to determine how Americans engaged in debates about foreign policy based on their theological convictions Settje uncovers how specific Christian theologies and histories influenced American religious responses to international affairs which varied considerably Scrutinizing such sources as the evangelical Christianity Today the mainline Protestant Christian Century a sampling of Catholic periodicals the African Methodist Episcopal Church the Southern Baptist Convention and the United Church of Christ Faith and War explores these entities commingling of religion politics and foreign policy illuminating the roles that Christianity attempted to play in both reflecting and shaping American foreign policy opinions during a decade in which global matters affected Americans daily and profoundly

Whispering the Techniques of Language: An Psychological Journey through **Religion In America Since 1945**

In a digitally-driven earth where screens reign supreme and instant conversation drowns out the subtleties of language, the profound secrets and emotional nuances concealed within words often move unheard. Religion In America Since 1945 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion In America Since 1945 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion In America Since 1945 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion In America Since 1945 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion In America Since 1945 Books

1. Where can I buy Religion In America Since 1945 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
