Religion Reason And Revelation:

Religion, Reason, and Revelation Gordon H. Clark, 1986 **Revelation and Reason: The Christian Doctrine of Faith and Knowledge** Emil Brunner, 1946 **Religion, Revelation & Reason** Eric Charles Rust, 1981 This book begins with a general consideration of religious experience and moves to a defense of the Christian revelation as the normative one for all other divine disclosures This means that increasingly the book moves towards a defense of theistic thought as contrasted with other religious systems This emphasis on the approach to the understanding of God typical of the Judaeo Christian and Islamic traditions has meant a preoccupation with issues particularly significant for this way of thinking the nature of man the understanding of the creative process the problem of human survival beyond death and the mystery of evil I have however brought in the views of other religious systems and offered a critique of their relationship to the theistic position Wherever thought has moved to the specific content of the Christian disclosure in Jesus Christ I have stopped short Philosophy of religion and theistic philosophy in particular are only prolegomena to the task of the Christian theologian

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth

Faith, Reason, and Revelation in Theodore Beza, 1519-1605 Jeffrey Mallinson, 2003 Faith Reason and Revelation in the Thought of Theodore Beza investigates the direction of religious epistemology under a chief architect of Calvinism 1519 1605 Mallinson contends that Beza consolidated his tradition by balancing the subjective and objective aspects of faith and knowledge Making use of new editions of Beza's class notes and correspondence and examining the theological ideas found in Beza's long neglected New Testament annotations this study clarifies the thought of Calvin's successor The nature of Protestant scholasticism and the relationship between faith and philosophy are observed in context rather than from the anachronistic perspectives of modern schools that seek to establish their own continuity with Calvinism

Reason, Revelation, and Devotion William J. Wainwright, 2015-12-01 Reason Revelation and Devotion argues that immersion in religious reading traditions and their associated spiritual practices significantly shapes our emotions desires intuitions and volitional commitments these in turn affect our construction and assessments of arguments for religious conclusions But far from distorting the reasoning process these emotions and volitional and cognitive dispositions can be

essential for sound reasoning on religious and other value laden subject matters And so western philosophy must rethink its traditional antagonism toward rhetoric The book concludes with discussions of the implications of the earlier chapters for the relation between reason and revelation and for the role that the concept of mystery should play in philosophy in general and in the philosophy of religion and philosophical theology in particular *Religion, Revelation & Reason* Eric Rust,1981 This book begins with a general consideration of religious experience and moves to a defense of the Christian revelation as the normative one for all other divine disclosures This means that increasingly the book moves towards a defense of theistic thought as contrasted with other religious systems This emphasis on the approach to the understanding of God typical of the Judaeo Christian and Islamic traditions has meant a preoccupation with issues particularly significant for this way of thinking the nature of man the understanding of the creative process the problem of human survival beyond death and the mystery of evil I have however brought in the views of other religious systems and offered a critique of their relationship to the theistic position Wherever thought has moved to the specific content of the Christian disclosure in Jesus Christ I have stopped short Philosophy of religion and theistic philosophy in particular are only prolegomena to the task of the Christian theologian

Revelation and Reason in Islam Arthur John Arberry,2008 Originally published in 1957 The Scholastic Problem was the focus of much debate in Islam for some centuries before it became the chief crux of learned discussion in medieval Christianity When originally published this volume was the first survey of the subject to appear in English It reviews the conflict within Islam between Revelation and Reason and examines the attempts made by theology philosophy mysticism and authoritarianism to resolve the dilemma **Reason and Revelation Considered as Connected with Christian Faith and Experience (1811)** Frederick Smith,2009-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *The Philosophy of Religion on the Basis of Its History: Spinoza to Schleiermacher* Otto Pflieger,1886 Mimetic Theory and World Religions Wolfgang Palaver,Richard Schenk,2017-11-01 Those who anticipated the demise of religion and the advent of a peaceful secularized global village have seen the last two decades confound their predictions Ren Girard s mimetic theory is a key to understanding the new challenges posed by our world of resurgent violence and pluralistic cultures and traditions Girard sought to explain how the Judeo Christian narrative exposes a founding murder at the origin of human civilization and demystifies the bloody sacrifices of archaic religions Meanwhile his book *Sacrifice* a reading of conflict and sacrificial resolution in the Vedic Brahmanas suggests that mimetic theory s insights also resonate with several non Western religious and spiritual traditions This volume collects engagements with Girard by scholars of Judaism Christianity Islam Hinduism and Buddhism and situates them within contemporary theology philosophy and religious studies Cognitivity of Religion J.

Kellenberger,1985-06-18 **Revelation and Reason** Colin E. Gunton,2008-11-20 Colin Gunton was a world renowned scholar systematic theologian and Reformed Church minister Revelation and Reason is an in depth analysis derived from the annual lecture seminar course he gave to MA students at King s College London Approximately one third of the work is a direct transcript and analysis of the three two hour lectures Colin Gunton gave at a break neck speed 1 From Reason and Revelation to Revelation And Reason 2 The Modern Problem in an Historical Context 3 Aspects of Karl Barth on Faith And Reason These lectures were a history analysis and critique of Revelation and Reason in Systematic Theology and Philosophy culminating with Karl Barth The remainder is a transcript of the unrehearsed unscripted extemporaneous responses Colin Gunton gave to MA student s papers on set topics in the Revelation and Reason course seamlessly integrated where relevant with detail from the main three lectures Colin was a creative lecturer and widely read theologian and philosopher These extemporaneous responses show the breadth of his learning and his genius spontaneously to bring to mind relevant ideas from a wealth of theologians and philosophers whilst incisively and piercingly exposing the flaws as well as the strengths under consideration From this wealth of reading Colin gave space to the free rein of his mind particularly when fielding questions or trying to analyze a particular strand of a theologian s thought Revelation and Reason is a complementary volume to Colin Gunton s posthumously published The Barth Lectures Continuum 2007 and to the first volume of his unfinished Systematic Theology also forthcoming from T T Clark **Unitarian Principles Confirmed by Trinitarian Testimonies** John Wilson,1890 Revelation Through Reason Errol E. Harris,1958 In this book drawn from the Terry Lectures at Yale a distinguished South African philosopher attempts once and for all to dispose of the putative conflict between religion and scientific thinking Book jacket **Unitarian Principles Confirmed by Trinitarian Testimonies** John Wilson,1873

Reason and Revelation in the Middle Ages Etienne Gilson,1948 **Jonathan Edwards Confronts the Gods** Gerald Robert McDermott,2000 It has long been thought that Edwards s polemical arguments were aimed against Arminianism a doctrine that denied the Calvinist idea of predestination In this book Gerald McDermott shows that Edwards s real target was a larger and more influential one namely deism the belief in a creator God who does not intervene in His Creation To Edwards s mind deism was the logical conclusion of most if not all schemes of divinity that appropriated Enlightenment tenets McDermott argues that Edwards was an inclusivist who came to realize that salvation was open to peoples beyond the hearing of the Christian gospel **The Works of Orestes A. Brownson: Philosophy of religion** Orestes Augustus Brownson,1883 *The New Schaff-Herzog Encyclopedia of Religious Knowledge* Johann Jakob Herzog,Albert Hauck,Samuel Macauley Jackson,Charles Colebrook Sherman,George William Gilmore,1911
