Religion Spirituality And Aging A Social Work Perspective:

Religion, Spirituality, and Aging Harry R. Moody, 2005 Book attempts to demonstrate how spirituality and religion can improve an older person's quality of life Religion, Spirituality, and Aging Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars

Methods in Religion, Spirituality & Aging James W. Ellor, 2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and

social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation **Spirituality, Religion, and Aging** Holly Nelson-Becker, 2017-02-01 Spirituality Religion and Aging Illuminations for Therapeutic Practice by Holly Nelson Becker is a highly integrative book written for students professionals in aging ministers and older adults themselves Readers will gain the knowledge and skills they need to assess engage and address the spiritual and religious needs of older persons Taking a fresh approach that breaks new ground in the field the author discusses eight major world religions and covers values and ethics theories interventions health and caregiving depression and anxiety dementia and the end of life Meditations and exercises throughout the book allow readers to expand and explore their personal understanding of spirituality Referencing the latest research the book includes assessments and skill based tools designed to help practitioners enhance the mental health of older people

Religion, belief and social work Sheila Furness, Philip Gilligan, 2009-11-18 This book examines how religion and related
beliefs have varied impacts on the needs and perceptions of practitioners service users and the support networks available to
them The authors argue that social workers need to understand these phenomena so that they can become more confident in
challenging discriminatory and oppressive practices The centrality of religion and associated beliefs in the lives of many is
emphasised as are their potentially liberating and potentially negative impacts In line with the Social Work in Practice series
style the book allows readers to explore issues in depth It focuses on knowledge transmission and the encouragement of
critical reflection on practice Each chapter is built around real life case scenarios using a problem based learning approach
This book is the first to deal with social work and religion so comprehensively and will therefore be essential reading not only
