Institutes of the Christian Religion Jean Calvin,1895 My confession. My religion. The gospel in brief graf Leo Tolstoy,1922 How Faith Works: Rescuing the Biblical Gospel from Contemporary Evangelicalism C. Matthew McMahon,2008-08-14 What is the Biblical Gospel Are you content to call yourself an Evangelical Is the Evangelical Gospel the same Gospel of the Protestant Reformation Is an Evangelical today the same as an evangelical during the time of Luther Calvin or the Puritans If the magisterial Reformers suddenly walked into your church today would they be pleased with the Gospel that is being preached from its pulpit These questions are not insignificant It is of eternal importance to have a sound view of the Gospel of Jesus Christ and the teachings of the Bible Today evangelicalism is equated with Arminianism or some type of watered down Arminianism But Arminianism is not the Gospel no matter what form it comes in So asking What does it mean to believe the Gospel is of grave importance How is a person saved by the work of Jesus Christ How does true Gospel Faith actually work Does it work at all Contemporary Christendom has been thrown into theological confusion in recent decades and there is a need to rescue the Biblical Gospel from the errors plaguing the church today This book exists to correct some of those views and explain the basics of true Reformed Theology It presents a high standard of believing what God truly says about salvation and explores how faith works in believing the Biblical Gospel contained in the pages of Scripture Library of Congress Subject Headings Library of Congress,Library of Congress. Explorations in Art, Theology and Imagination Michael Ridgwell Austin,2016-04-08 Christianity has repeatedly valued the Word over and above the non verbal arts Art has been seen through the interpretative lens of theology rather than being valued for what it can bring to the discipline Explorations in Art Theology and Imagination argues that art is crucially important to theology The book explores the interconnecting themes of embodiment and incarnation faith and imagination and the similarities and differences between art and theology Arguing for a critique that begins with art and moves to theology Explorations in Art Theology and Imagination offers a radical re evaluation of the role of art in Christian discourse

Will M. Gervais, 2024-07-30 Does God exist This straightforward question has spawned endless debate ranging from apologists supposed proofs of God's existence to New Atheist manifestos declaring belief in God a harmful delusion In Disbelief Will M Gervais PhD a global leader in the psychological study of atheism shows that the ubiquity of religious belief and the peculiarities of atheism are connected pieces in the puzzle of human nature It's undeniable that religion is a core tenet of human nature It is also true that our overwhelmingly religious species is also as atheistic as it's ever been Yet no scientific understanding of religion is complete without accounting for those who actively do not believe In this refreshing and revelatory book Gervais argues that religion is not an evolutionary puzzle so much as two evolutionary puzzles that can only be solved together First is the Puzzle of Faith the puzzle of how Homo sapiens and Homo sapiens alone came to be a religious species Second is the Puzzle of Atheism how disbelief in gods can exist within our uniquely religious species The result is a radically cohesive theory of both faith and atheism showing how we became a uniquely religious species and why many are now abandoning their belief Through a firsthand account of breakthroughs in the scientific study of atheism including key findings from cognitive science cultural evolution and evolutionary psychology Disbelief forces a rethinking of the prevailing theories of religion and reminds both believers and atheists of the shared psychologies that set them on their distinct religious trajectories In casual prose and with compelling examples Gervais explains how we became religious why we're leaving faith behind and how we can get along with others across the religious divides we've culturally evolved
