The Routledge History of Religion and Politics in the United States Since 1775 Cara Lea Burnidge, Lauren Frances Turek, 2024-12-30 Drawing together history and recent historiography this volume offers a reference work for understanding how religion influenced politics and how politics shaped religion in the United States from the American Revolution through to the present day The book brings together some of the most well regarded scholars in history religious studies American studies political science and other disciplines working in this field providing a groundbreaking transdisciplinary history of this topic It explores the major themes and historiographical trends that animate current scholarship ensuring that readers come away with a thorough picture of the field how it has evolved and where future scholars might take us This unique approach is well suited to students and scholars of both U S history and religious studies and encourages interdisciplinary analysis for the fields of religion and politics

Handbook of Contemporary Families Marilyn Coleman, Lawrence H Ganong, 2003-12-15 Coleman and Ganong recruited an outstanding group of scholars to contribute to the Handbook of Contemporary Families Authors represent a wide array of disciplines and the topics touch on every aspect of family life The organization of the book is excellent and the writing of high quality Scholars and students alike will find the book a valuable resource Alan Booth Penn State University Marilyn Coleman and Larry Ganong have produced a comprehensive handbook exploring the changes and challenges confronting contemporary families The chapters written by some of the most distinguished social scientists studying families give a balanced research based analysis of some of the most contentious issues of our time E Mavis Hetherington University of Virginia This useful handbook brings together many of the most important new findings and provocative ideas about America's diverse and changing families An excellent resource Stephanie Coontz author of *The Way We Really Are* Coming to Terms with America's Changing Families What has happened to marriage and families What is the current state of families Where are families headed Where is family scholarship headed As families face challenges today brought on by events that have changed their perception of the world there is a need for a clear assessment of what has happened to families in the past and an examination of some data based theories about what is likely to happen in the future

The Handbook of Contemporary Families explores how families have changed in the last 30 years and speculates about future trends. Editors Marilyn Coleman and Lawrence H. Ganong, along with a multidisciplinary group of contributors, critique the approaches used to study relationships and families while suggesting modern approaches for the new millennium. The Handbook looks at how changes within the contemporary family have been reflected in family law, family education, and family therapy. Features of this Handbook: Examines a diverse array of families and relationships in which people live, including chapters on alternative lifestyles, gay and lesbian relationships, economically distressed families, religion, and families of racial and ethnic diversity; a feminist vision for families; older families and the effect of computers and other technology on family relationships. Includes both a historical review and future speculation on the subjects covered in each chapter. Interdisciplinary contributors representing a variety of fields such as history, family studies, sociology, law, therapy, social work, psychology, nursing, and human development. The Handbook of Contemporary Families is an excellent resource for advanced undergraduate and graduate students, researchers, educators, and practitioners who study and work with families in several disciplines, including Family Science, Human Development, and Family Studies, Sociology, Marriage, Family Therapy, and Social Work.

The Equal-Regard Family and Its Friendly Critics John Witte, M. Christian Green, Amy Wheeler, 2007-10-17 This volume is both a celebration and an evaluation of the work on sex, marriage, and family life by Don S. Browning, the dean of modern family studies in theological ethics and practical theology. Scholars probe a number of Browning's contributions, particularly his call for an ethic of equal regard within the household and wider society. This book is a true interdisciplinary effort with insights from psychology, history, law, theology, biology, ethics, feminist theology, childhood studies, and education theory. *The Equal-Regard Family and Its Friendly Critics* includes seven honorary forewords, ten original essays, and a concluding essay by Don Browning himself. Contributors: Herbert Anderson, Carol Browning, Don S. Browning, Lisa Sowle Cahill, M. Christian Green, Timothy P. Jackson, Martin E. Marty, Rebekah Miles, Bonnie J. Miller-McLemore, Richard Robert Osmer, Garrett E. Paul, Stephen J. Pope, David Popenoe, Stephen M. Tipton, Mary Stewart Van Leeuwen, Linda J. Waite, John Wall, Amy Wheeler, Barbara Dafoe Whitehead, John Witte Jr. *Religion and the New Republic* James H. Hutson, 2000 A collection of the country's most respected historians, philosophers, and theologians examines the role of religion in the founding of the United States. This collection of never-before-published essays, originally delivered at the Library of Congress, presents the most original and recent scholarship on a topic that still generates considerable controversy. Anyone interested in colonial history, religion, and politics and the relationship between church and state will benefit by reading this important new book.

The Bloomsbury Handbook of Religion, Gender, and Sexuality Sonya Sharma, Dawn Llewellyn, Sian Hawthorne, 2024-06-13 Bringing together disciplines across the arts, humanities, and social sciences, this Handbook presents novel and lively examinations of the dynamic ways religion, gender, and sexuality operate. Applying feminist, intersectional, and reflexive approaches, the volume aims to loosen imperialist and exclusionary figurations that have

underwritten and tethered religion gender and sexuality together While holding onto the field of inquiry the Handbook offers contributions that interrogate and untie it from the terms and conditions that have formed it The volume is organized into thematic sections Forces and Futures Activisms and Labors Agencies and Practices Relationships and Institutions Texts and Objects Chapters range across religious geographical historical political and social contexts and feature an array of case studies experiences and topics that exemplify the reflexive intention of the volume including explorations of race whiteness colonialism and the institutional intolerance of minority groups Contributors also advance new areas of research in religion including artificial intelligence farming migrant mothering child sexual abuse mediatization national security legal frameworks addiction and recovery decolonial hermeneutics creative arts sport sexual practices and academic friendship This is an essential contribution to the fields of religious studies and gender and sexuality studies

Catholic Theology of Marriage in the Era of HIV and AIDS Emily Reimer-Barry, 2015-04-09 Marriage for Life begins by listening to the lived experiences of Catholic married HIV positive women in order to better understand their struggles The eight women interviewed in Chicago Illinois USA shared their stories of marriage of family life of church involvement and of living with HIV Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context After listening to and learning from these women s experiences Reimer Barry constructs a theology of Christian marriage that is life giving in a world with AIDS While Catholic teachings have developed and now affirm the equal dignity of women and men troubling legacies of women s subordination remain embedded in liturgical practices and theological texts Arguing that self care is an indispensable component of a healthy marriage Reimer Barry constructs a life affirming theology of marriage that is sensitive to the struggles of her collaborators She argues that marriage for life must promote the full flourishing of both partners respect wives as equal partners with their husbands and offer a coherent and empowering sexual ethic Building on the wisdom of her collaborators lived experiences Reimer Barry examines the need for a more adequate Catholic response to HIV and AIDS arguing that church communities should promote comprehensive sexual education affirm both abstinence and condom use for HIV prevention and actively work to reduce stigmatizing behaviors within church communities She also unpacks the implications of marriage for life for Catholic liturgical practice marriage preparation programs sexual education programs and family ministries Modeling her method on what Pope Francis calls the art of accompaniment Reimer Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly understand that marriage is for life

Globalization, Religion and Gender J. Bayes, N. Tohidi, 2016-09-23 In the early 1970s accompanying the current wave of globalization conservative nationalist religious movements began using religion to oppose non democratic and often western oriented regimes Reasserting patriarchal gender relations presumably authorized by religion has been central to these movements At the Fourth United Nations Congress on Women in Beijing in 1995 Muslim and Catholic delegations from diverse countries united to oppose provisions on sexuality reproductive rights women s health and women s rights as human

rights In this book scholars from eight different Muslim and Catholic communities analyze the political strategies that women are employing in these contexts ranging from acceptance of traditional doctrines to various forms of resistance religious reinterpretation innovation and political action toward change and equal rights **Diasporic Feminist Theology** Namsoon Kang, 2014 How do we navigate the question of identity in the fluid and pluralist conditions of postmodern society Even more how do we articulate identity as a defining particularity in the disappearance of borders boundaries and spaces in an increasingly globalist world What constitutes identity and the formation of narratives under such conditions How do these issues affect not only discursive practices but theological and ethical construction and practice This volume explores these issues in depth Diasporic Feminist Theology attempts to construct feminist theology by adopting diaspora as a theopolitical and ethical metaphor Namsoon Kang here revisits and reexamines today's significant issues such as identity politics dislocation postmodernism postcolonialism neo empire Asian values and constructs diasporic transethnic and glocal feminist theological discourses that create spaces of transformation reconciliation hospitality worldliness solidarity and border traversing This work draws on diverse sources from contemporary critical discourses of diaspora studies cultural studies ethnic studies postmodernism postcolonialism and feminism and feminist theology from a transterritorial space This book is a landmark work providing a comprehensive discourse for feminist theology today **The Oxford Handbook of the Sociology of Religion** Peter Clarke, 2011-02-04 The Oxford Handbook of the Sociology of Religion draws on the expertise of an international team of scholars providing both an entry point into the sociological study and understanding of religion and an in depth survey into its changing forms and content in the contemporary world The role and impact of religion and spirituality on the politics culture education and health in the modern world is rigorously discussed and debated The study of the sociology of religion forges interdisciplinary links to explore aspects of continuity and change in the contemporary interface between society and religion Using a combination of theoretical methodological and content led approaches the fifty seven contributors collectively emphasise the complex relationships between religion and aspects of life from scientific research to law ecology to art music to cognitive science crime to institutional health care and more The developing character of religion irreligion and atheism and the impact of religious diversity on social cohesion are explored An overview of current scholarship in the field is provided in each themed chapter with an emphasis on encouraging new thinking and reflection on familiar and emergent themes to stimulate further debate and scholarship The resulting essay collection provides an invaluable resource for research and teaching in this diverse discipline **Valuable and Vulnerable** Julie Faith Parker, 2013-11-11 Just as women in the Bible have been overlooked for much of interpretative history children in the Bible have fascinating and compelling stories that scholars have largely ignored This groundbreaking book focuses on children in the Hebrew Bible The author argues that the biblical writers recognized children as different from adults and used these ideas to shape their stories She provides conceptual and historical frameworks for understanding children and childhood and

examines Hebrew terms related to children and youth The book introduces a new methodology of childist interpretation and applies it to the Elisha cycle 2 Kings 2 8 which contains forty nine child characters Combining literary insights with social scientific evidence the author demonstrates that children play critical roles in the world of the text as well as the culture that produced it The Child in Christian Thought Marcia J. Bunge,2001 A collection of seventeen essays presenting theological perspectives on children throughout history Discusses the care of children their spiritual education and the role of parents the church and the state in raising children

Family Rights and Religion John Eekelaar,2020-09-10 The interaction between individual rights which are often seen in secular terms and religion is becoming an important and complex topic not only for academic study but for practical policy This volume collects a range of writings from journals edited collections and individual books which deal with different aspects of the interaction within the context of family life and which appear with their original pagination These studies have been selected because they throw a sharp light on central elements of the role of religion in determining the structure of the rights of family members in relation to one another both from an historical and contemporary perspective While many of the writings are focused on US and European systems selected writings covering other systems illustrate the universal nature of the topic The studies are accompanied by a reflective commentary from the editor which sets the writings in a broad context of social constitutional and philosophical thought with the aim of stimulating critical thought and discussion

God Forbid Kathleen M. Sands,2000-11-16 Since the

1980s religion has been most visible in American public life when issues of sexuality and reproduction are at stake. Paradoxically however the voices that speak most loudly in the name of religion are often unschooled in religious history, world religions, theology or ethics. As a result religion in America is misrepresented as anxiously and obsessively concerned with sex and as uniformly supporting the conservative agenda of family values. This volume corrects that distortion in American public discourse. Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family, gay rights, abortion, welfare, policy, prostitution and assisted reproduction. They richly display the complexities and conflicts that exist not only between but within America's various religious traditions: for example the pro-choice strain within Christian history, the support of many religious denominations for gay rights and the criticism of patriarchal family structures within religious communities past and present. In these essays contributors put forth views of sexual ethics that are just and compassionate, respectful of cultural pluralism and attentive to democratic processes. Thoroughly researched, lucidly written and carefully argued, this anthology will debunk the claims of the Religious Right to be the only religious word on sexuality in America.

Sociology of Religion Kevin J. Christiano, Peter Kivisto, William H. Swatos, Jr., 2025-04-15. *Sociology of Religion* Fourth Edition introduces students to the nature and function of religious institutions and practices while asking sociological questions about the changing role of religion in today's post-traditional world. Broken into three parts, the book opens with the basics of religious history and a review of key theories for its study. Part II, Religion and Social Differentiation, examines the intersections of ethnicity, class, gender and sexuality with spirituality today. Part III, Religion, Culture and Change, explores religious inspirations for or impediments to social change. Throughout the text, boxes illuminate key concepts and suggestions for further reading allow for ongoing exploration of key themes and topics. New to the Fourth Edition: Chapter 9, Politicized Religion and Conflict, presents a comparative look at religious extremism and its global risks. Updated and expanded content on ethnicity and religion aids students in better understanding increasingly diverse societies. Greater focus on religion's significance in current debates over gender roles and sexuality offers a framework for exploring contemporary conflicts. Updated and expanded discussion of religion and the media explores the history of their relationship and how it is being reconfigured in a media-saturated age.

Handbook of Marriage and the Family Suzanne K. Steinmetz, Marvin B. Sussman, 2013-11-11. The lucid, straightforward Preface of this Handbook by the two editors and the comprehensive perspectives offered in the Introduction by one of them leave little for a Foreword to add. It is therefore limited to two relevant but not intrinsically related points: *vis à vis* research on marriage and the family in the interval since the first Handbook. Christensen (1964) appeared, namely the impact on this research of the politicization of the New Right and of the Feminist Enlightenment beginning in the mid-sixties. About the time of the first Handbook, in the late 1930s, Willard Waller noted: "Fifty years or more ago, about 1890, most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it. Everything that concerned the life of men and women and their children was shrouded from the light."

Today much of that has been changed. Gone is the concealment of the way in which life begins, gone the irrational sanctity of the home. The aura of sentiment which once protected the family from discussion clings to it no more. We want to learn as much about it as we can and to understand it as thoroughly as possible for there is a rising recognition in America that vast numbers of its families are sick from internal frustrations and from external buffeting. We are engaged in the process of reconstructing our family institutions through criticism and discussion. 1938 pp 3-4

Research Handbook on Interdisciplinary Approaches to Law and Religion Russell Sandberg, Norman Doe, Bronach Kane, Caroline Roberts, 2019

Following 9/11 increased attention has been given to the place of religion in the public sphere. Across the world Law and Religion has developed as a sub-discipline and scholars have grappled with the meaning and effect of legal texts upon religion. The questions they ask, however, cannot be answered by reference to Law alone; therefore their work has increasingly drawn upon work from other disciplines. This Research Handbook assists by providing introductory but provocative essays from experts on a range of concepts, perspectives and theories from other disciplines which can be used to further Law and Religion scholarship.

The Cruellest of All Mothers Mary Dunn, 2015-10-01

In 1631 Marie Guyart stepped over the threshold of the Ursuline convent in Tours, leaving behind her eleven-year-old son, Claude, against the wishes of her family and her own misgivings. Marie concluded God was dearer to me than all that. Leaving him, therefore, in His hands, I bid adieu to him joyfully. Claude organized a band of schoolboys to storm the convent, begging for his mother's return. Eight years later Marie made her way to Quebec where, over the course of the next thirty-three years, she opened the first school for Native American girls, translated catechisms into indigenous languages and served some eighteen years as superior of the first Ursuline convent in the New World. She would also maintain over this same period an extensive and intimate correspondence with the son she had abandoned to serve God. *The Cruellest of All Mothers* is fundamentally an explanation of Marie de l'Incarnation's decision to abandon Claude for religious life. Complicating Marie's own explication of the abandonment as a sacrifice carried out in imitation of Christ and in submission to God's will, the book situates the event against the background of early modern French family life, the marginalization of motherhood in the Christian tradition and seventeenth-century French Catholic spirituality. Deeply grounded in a set of rich primary sources, *The Cruellest of All Mothers* offers a rich and complex analysis of the abandonment.

Adopting the Beat of Phrase: An Mental Symphony within **Religion Feminism And The Family**

In a global taken by displays and the ceaseless chatter of quick connection, the melodic elegance and psychological symphony created by the written term often diminish in to the background, eclipsed by the constant noise and disruptions that permeate our lives. However, nestled within the pages of **Religion Feminism And The Family** a charming literary prize brimming with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this captivating masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously constructed phrase. Within the depths with this touching evaluation, we shall investigate the book is main harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
