Conservation Radhika Borde, Alison A Ormsby, Stephen M Awoyemi, Andrew G Gosler, 2022-10-31 This book presents a broad array of global case studies exploring the interaction between religion and the conservation of nature from the viewpoints of the religious practitioners themselves With conservation and religion often being championed as allies in the quest for a sustainable world where humans and nature flourish this book provides a much needed compendium of detailed examples where religion and conservation science have been brought together Case studies cover a variety of religions faiths and practices including traditional Indigenous Buddhism Christianity Hinduism Islam Jainism Judaism Shinto and Zoroastrianism Importantly this volume gives voice to the religious practitioners and adherents themselves Beyond an exercise in anthropology ethnobiology and comparative religion the book is an applied work seeking the answer to how in a world of nearly eight billion people we might help our own species to prevent the extinction of life This book will be of great interest to students and scholars of nature conservation environment and religion cultural geography and ethnobiology as well as practitioners and professionals working in conservation

Understanding Climate Change through Religious Lifeworlds David L. Haberman, 2021-05-04 How can religion help to understand and contend with the challenges of climate change Understanding Climate Change through Religious Lifeworld edited by David Haberman presents a unique collection of essays that detail how the effects of human related climate change are actively reshaping religious ideas and practices even as religious groups and communities endeavor to bring their traditions to bear on mounting climate challenges People of faith from the low lying islands of the South Pacific to the glacial regions of the Himalayas are influencing how their communities understand earthly problems and develop meaningful responses to them This collection focuses on a variety of different aspects of this critical interaction including the role of religion in ongoing debates about climate change religious sources of environmental knowledge and how this knowledge informs community responses to climate change and the ways that climate change is in turn driving religious change Understanding Climate Change through Religious Lifeworlds offers a transnational view of how religion reconciles the concepts of the global and the local and influences the challenges of climate change

Uddiyana Guru Padmasambhava : The Second Buddha Prabir Kumar Pattanaik, 2024-07-07 Buddhist Acharya Padmasambhava of the Vajrayana school of Mahayana sect being invited by the king of Tibet went there during the first half of the eighth century AD He firmly established this esoteric form of Buddhism there and other Himalayan lands which is known as Lamaism He is deified and celebrated in Lamaism as Buddha himself even more than that As a direct result of Padmasambhava s efforts the people of Tibet were elevated to a state of unsurmountable spiritual culture He is therefore truly one of the greatest of the world s culture heroes He is most revered and is honoured as the Second Buddha He belongs to India and hails from Uddiyana Therefore he is popularly known as Uddiyana Guru But a holy personality known all over the world a Great Guru is almost a forgotten name in India least remembered not in history not in literature not anywhere even among the Buddhist circles in India Padmasambhava originally belongs to Uddiyana the location of this place has been

disputed by some scholars to be in Swat Valley within the ancient Gandhara region which is not tenable The present work is an attempt to study all aspects pertaining to this Guru starting from his magical appearance and penances to his mystical life his works and achievements all through the Himalayan region along with Tibet That leads to establish strongly that the home of the Uddiyana Guru is nowhere else but in Odisha Focus has been laid to establish facts and all evidences showing that Uddiyana is but Odisha This may be considered as the exclusive and exhaustive compilation published for the first time in India , **Homeland or Religion? Ryavec,2015-05-08

This pioneering work documents cultural and religious sites across the Tibetan Plateau and its bordering regions from the

Paleolithic Era to today Western fascination with Tibet has soared in recent decades yet this historic and globally celebrated region has barely been mapped With this groundbreaking atlas Karl E Ryavec sweeps aside the image of Tibet as Shangri La offering a comprehensive vision of the region as it really is The product of twelve years of research and eight more of mapmaking the results are absolutely stunning A Historical Atlas of Tibet ranges through the five main periods in Tibetan history offering introductory maps of each followed by details of western central and eastern regions It beautifully visualizes the history of Tibetan Buddhism tracing its spread throughout Asia with thousands of temples mapped both within Tibet and across North China and Mongolia all the way to Beijing There are maps of major polities and their territorial administrations as well as of the kingdoms of Guge and Purang in western Tibet and of Derge and Nangchen in Kham There are town plans of Lhasa and maps that focus on history and language on population natural resources and contemporary politics
