Bernard Shaw, Paul Ricoeur, and the Jesusian Dialectics of Redemptive Living Howard Ira Einsohn, 2023-12-27 This book explores a heretofore unremarked linkage between Bernard Shaw the twentieth century French thinker Paul Ricoeur and Jesus of Nazareth The ties that bind them are a foundational interest in the social teachings of the Nazarene and their use of a shared dialectics with respect to living the kind of compassionate life that holds out the promise in our contemporary world of achieving something approximating universal wellness on a healthy planet at peace with itself This work argues that the three principal subjects of the study independently of one another used the same dialectical method to reach the same dialectically derived conclusion about how humans can live redemptively in a fractured world **Bernard Shaw and the Aesthetes** Elsie Bonita Adams, 1971 **A Bernard Shaw Chronology** A. Bernard Shaw and the Art of Drama Charles A. Berst, 1973 Stewart Headlam's Radical Anglicanism John Richard Orens, 2010-10-01

Standing in stark contrast to the conservative churchmen of Victorian Britain the Anglican clergyman Stewart Headlam was a passionately progressive reformer a champion of the working poor especially women a defender of the music hall performers his colleagues attacked as licentious and in short a man of God who remained firmly and controversially engaged with the society in which he lived and worked This book the first significant study of Headlam since 1928 paints a rich and complex picture of this larger than life man of the cloth charting the trail he blazed across the social political and religious landscape of late nineteenth and early twentieth century Britain Dissatisfied from an early age with his family's Evangelical faith Headlam became an Anglican curate but his political views were increasingly radicalized as he befriended working class atheists and trade union leaders John Richard Orens details Headlam's repeated conflicts with the establishment figures of his faith over his defense of music hall ballet performers right to reveal their legs his role in the early years of the Fabian Society his anti puritanism and his passionate socialism Headlam was even instrumental in having Oscar Wilde bailed out of prison following the writer's arrest for homosexual offenses With this intellectual biography Orens places Headlam's life

beliefs and actions in the context of the period contributing to the ongoing debate about the proper relationship between Christianity on the one hand and society sexuality and the arts on the other Bernard Shaw Leon Hugo,2025-10-03 It was Shaw s general contention that all great art was didactic it was his specific contention that he wrote plays to convert people to his opinions on Social Economy Political Economy and Vital Economy In this study of Bernard Shaw s plays originally published in 1971 Leon Hugo examines the implications of these contentions Professor Hugo s book a lively and enthusiastic reappraisal of the literary and dramatic quality of Shaw s plays viewed in the light of their relationship to his social and political ideas will be of value both as an introduction to new readers of Shaw and as a stimulus to the re examination of many conventional and often dismissive views of his achievement as a dramatic poet In the first part of the book Shaw s Fabian socialism his political philosophy and his belief in Creative Evolution are examined In the second part the author appraises Shaw s plays by relating them to his ideas and by assessing them as literature Among the plays discussed at length are Mrs Warren s Profession Candida Caesar and Cleopatra Man and Superman Major Barbara Heartbreak House and St Joan In the third part an assessment is made of Shaw s influence as a teacher and dramatist and the author argues that Shaw at his best achieves didactic and aesthetic unity in his plays *Shaw and Religion* Charles A. Berst,1981 Now in book format Shaw continuing The Shaw Review will publish general articles on Shaw and his milieu reviews notes and the authoritative Continuing Checklist of Shaviana the bibliography of Shaw studies Because of its book size Shaw will offer approximately twice as many pages as the present three issue format combined it therefore will be possible to utilize more illustrative material than before and more detailed studies For libraries and individual readers who bind their issues the expense of binding will now be eliminated and the studies published will be less susceptible to loss and mutilation than in the paper cover form Some annual volumes will be special theme books although such service departments as the annual Checklist and a book review section will be continued in them Two year subscribers in the U S and Canada are guaranteed the Volume 1 price of 15 95 for Volume 2 1982 17 50 in all other countries **Comparative Characterization in the Sermon on the Mount** Arren Bennet Lawrence,2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal

disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount GBS/GKC: Shaw and Chesterton, the Metaphysical Jesters William B. Furlong,1970

In this scholarly eminently readable volume Professor Furlong has given us the details of one of the most remarkable literary relationships of the 20th century George Bernard Shaw and Gilbert Keith Chesterton shared public platforms for sixteen years 1911 27 and private friendship for at least thirty five 1901 36 Whole groups of their apostles and disciples sprang up and thrived on both sides of the Atlantic an editor had only to use the initials or G K C to identify either for the general public Dubbed by Hesketh Pearson debaters of the century they professed a dichotomy of views on everything from religion to beer yet never allowed their public positions to interfere with their long term friendship Despite a warm personal association that never wavered Shaw and Chesterton were often diametrically opposed in principle however controversy led them not to acrimony but to laughter and perceptive critical writing Their dialogue was ecumenical fifty years before the word became fashionable *Shaw* Fred D. Crawford,1995-06-21 This is the annual edition of new studies of Shaw s life influence and work

EXISTENCE WITH AND WITHOUT TIME: Discovering the True Nature of Humankind Michael J. Zino,2022-09-25 We have reached a point in human history where the continued survival of our species is in doubt Humanity has progressed scientifically and materially but our spiritual psychological and emotional development has lagged far behind technological advancements This has resulted in humankind finding itself in a perilous situation that can be characterized as an age of anxiety The solution to this condition is likely more obvious than the intellect is willing to admit In Existence With And Without Time I examine the question of whether the paradox that is human nature which encompasses the unity of opposites contains within itself the answer to our current plight What I conclude is that the remedy to our present predicament can be found in the collective unconscious of humanity It is by bringing into consciousness what the intellect either does not know or does not wish to know that we realize a fantastic future awaits us as individuals and as a society The freedom to determine what and who we are is pivotal for us to fulfill our potential and secure our destiny Political and religious freedom come to mind quickly when we think of being free but also integral for self realization are cognitive and emotional freedom The prescience to achieve a thriving tomorrow will depend upon the humility to accept that our growth and development are dependent upon intelligence beyond solely that of the cognitive mind Existence With And Without Time explores how to bring the wisdom of intelligence that is not our own into knowable reality through the use of myth mindfulness and devotion to authenticity We can then experience the stillness and peace in the true nature of humankind which reveals the presence and love of Ultimate Reality as well as the rationale for existence **On Culture and**

Bernard Shaw, Playwright Bernard F. Dukore, 2025-10-03 Bernard Shaw's plays have delighted and stimulated audiences since their first appearances Their author's satiric view of conventions institutions and behavior continues unflinching to amuse while it provokes doubts about the honesty of the social and political attitudes that underlie them Originally published in 1973 Dukore discusses the theory of drama that is the basis of Shaw's comedies which present his views of mores and follies That Shaw's theory was coherent and comprehensive Dukore shows in Part One of this book with supportive references to Shaw's critical works letters speeches and plays In Part Two using such familiar works as *Candida* *Pygmalion* and *Back to Methuselah* as well as less known plays like *In Good King Charles's Golden Days* to reinforce his points Dukore analyses the discussion play according to Shaw the watershed of the new drama *Androcles and the Lion* and *Saint Joan* along with other plays illustrate Shaw's use of the prologue or prologue-like first act to create the play's social and psychological foundations *Man and Superman* and *The Apple Cart* are among those which exemplify the play whose frame is both detachable from its centerpiece and also functionally integrated with it Dukore also considers at length Shaw's reworking of other men's plays Shakespeare's *Cymbeline* and Trebitsch's *Frau Gittas S hne* as well as his own *Major Barbara* These revisions bring into sharp focus Shaw's perception of human nature and his principles of dramaturgy Among others of Shaw's plays Dukore presents *Too True To Be Good* and *Heartbreak House* as examples of his protoexistentialism his apprehension of the absurd and the existential as forces in life Throughout Shaw's plays major and minor Dukore sees the influence of the playwright's socialism and supports this observation with precise examples from the works In sum Dukore proposes fresh perspectives from which to regard Shaw's works for the theatre works that were arrestingly relevant and immediate to the time The Religious Speeches of Bernard Shaw Bernard Shaw, 1963
