Religious Politics And Communal Violence:

Religious Politics and Communal Violence Steven Wilkinson, 2005 This volume offers political and institutional explanations for communal conflicts in India The volume compiles influential and lesser known yet significant interventions to present the most comprehensive social scientific analysis of communal violence in India *Religious Politics and Communal Violence* Mohd. Iqbal Ahmed, 2012 **Communal Violence, Forced Migration and the State** Sanjeevini Badigar Lokhande, 2016-10-13 When violence occurs in democracies it is often characterized as an aberration The state that saw human rights violations and failure of law and order in Gujarat in 2002 emerged even if by its own admission as a model for good governance Communal Violence Forced Migration and the State through an account of displaced Muslims challenges this notion Through the unlikely yet probing lens of displacement it offers fresh insight into communal violence and is an important resource for the emerging domain of forced migration and the changing nature of the state in a globalized world *The Oxford Handbook of Politics in Muslim Societies* Melani Cammett, Pauline Jones, 2022 Politics in Muslim societies what's religion got to do with it Melani Cammett and Pauline Jones Islam and political structure in historical perspective Eric Chaney State formation statist Islam and regime instability evidence from Turkey Kristin E Fabbe States religion and democracy in Southeast Asia comparative religious regime formation Kikue Hamayotsu Repression of Islamists and authoritarian survival in the Arab world a case study of Egypt Jean Lachapelle Regime types regime transitions and religion in Pakistan Matthew J Nelson Regime change under the Party of Justice and Development AKP in Turkey Feryaz Ocakl Islam nationalism and democracy in Asia nations under gods or gods under nations Maya Tudor Military politics in Muslim societies Nicholas J Lotito Voting for Islamists mapping the role of religion Ellen Lust Kristen Kao and Gibran Okar Party systems in Muslim societies Elizabeth R Nugent Ideologies brands and demographics in Muslim Southeast Asia voting for Islam Thomas Pepinsky Religion and party politics in India and Pakistan Steven I Wilkinson Religion and electoral competition in Senegal Dominika Koter Clientelism constituency services and elections in Muslim societies Daniel Corstange and Erin York Religiosity and political attitudes in Turkey during the AKP era S Erdem Ayta Religious practice and political attitudes among Shiites in Iran and Iraq Fotini Christia Elizabeth Dekeyser and Dean Knox Repressive religious regulation and political mobilization in Central Asia why Muslims don't rebel Dustin Gamza and Pauline Jones How extraordinary was the Arab Spring Examining protest potential in the Muslim world Avital Livny Illicit economies and political violence in Central Asia Lawrence P Markowitz and Mariya Y Omelicheva Piety devotion and support for Shari'a examining the link between religiosity and political attitudes in Pakistan Niloufer A Siddiqui Mapping and explaining Arab attitudes toward the Islamic State findings from an Arab barometer survey and embedded experiment Mark Tessler Michael Robbins and Amaney Jamal Social movements parties and political cleavages in Morocco a religious divide Adria Lawrence The rise and impact of Muslim women preaching online Richard A Nielsen Religion and mobilization in the Syrian uprising and war Wendy Pearlman

 Vinson,2017-10-26 This book explores the significance of religious resurgence and violence in Nigeria and how informal local
 government power sharing reduces communal Muslim Christian violence New Cultural Identitarian Political Movements
in Developing Societies Sebastian Schwecke,2012-12-06 Applying an intercultural and comparative theoretical approach
 across Asia and Africa this book analyses the rise and moderation of political movements in developing societies which
 mobilise popular support with references to conceptions of cultural identity The author includes not only the Hindu
 nationalist movement but also many Islamist political movements in a single category New Cultural Identitarian Political
 Movements NCIPM Demonstrating significant similarities in the pattern of evolution between these and European Christian
 Democracy the book provides an instrument for the analysis of these movements outside the parameters of the
 fundamentalism debate The book looks at a number of key variables for understanding the evolution of NCIPM and it goes on
 to analyse the transition of developing societies from rent based political economies to capitalism and the partial failure of
 this transition process It argues that there is a need to incorporate economic and class analysis in the study of political
 processes in developing societies against the continuing emphasis on cultural factors associated with the cultural turn of
 social sciences The book is an interesting contribution to studies in South Asian Politics as well as Comparative Politics
Faith and Politics in South Asia Astha Chadha,2024-11-18 This book explores the role of faith and politics in shaping the
 international relations of South Asia Adopting a neo classical realist framework and a discourse historical approach to
 analyze how religious actors construct their political identities and interests through the interpretation of sacred texts or
 exegesis the book makes several key contributions to the field of international relations It introduces the concept of exegesis

as a novel analytical tool to understand the role of religion in world politics The book argues that exegesis is not only a theological exercise but also a political one as it shapes the worldviews values norms and interests of religious actors The author applies exegesis to three case studies of South Asia the partition of India and Pakistan the rise of Hindu nationalism in India and the emergence of Islamic radicalism in Pakistan and resurging signs of the same in Bangladesh The research then challenges the conventional assumptions of IR such as the secularization thesis the clash of civilizations and the rational actor model by showing how religious actors are not monolithic homogeneous or irrational but rather diverse heterogeneous and strategic The book offers a nuanced and comprehensive understanding of the role of religion in world politics especially in the context of South Asia Highlighting the diversity and complexity of the religious landscape in South Asia which is home to various faiths sects movements and ideologies this book will be of interest to academics studying global politics international relations Asian Studies and studies on religion and foreign policy

New Perspectives in Political

Ethnography Lauren Joseph, Matthew Mahler, Javier Auyero, 2007-09-20 The use of ethnographic research social research based on the observation of individuals or institutions where the researcher becomes part of the group or very close to the group to better understand their actions is becoming more and more of a prevalent methodology within sociology As ethnography gains prominence within the discipline its focus theoretical underpinnings and narrative styles are also expanding to the yet unexamined worlds and institutions of society Politics political institutions and those working in politics state officials politicians and activists have so far missed the lens of the ethnographer As a group politicians and those in politics can be found in every corner of the world While political systems and politicians are by no means the same in every country what brings these people together to be part of the political process Ethnography is uniquely equipped to look microscopically at the foundations of political institutions and their attendant set of practices just as it is ideally suited to explain why political actors behave the way they do and to identify the causes processes and outcomes that are part and parcel of political life The volume based on a special issue of Qualitative Sociology has a two fold purpose to bring politics into the ethnographic literature and of ethnography in studies of politics The case studies included are based on the research of ethnographers studying the various level of politics in Brazil Japan El Salvador Bosnia the Philippines India and the United States It will be of interest to those in the sociology of politics political science and those looking for ethnographic research on a global level

God and Politics Domenic Marbanianang, Essays on political theology and philosophy The New Governance of Religious Diversity Tariq Modood, Thomas Sealy, 2024-06-11 Religious diversity is a key feature of countries across the world today but it also presents governments with very real challenges Controversies around religious free speech symbols social values and morals and the role of faith leaders as critical voices are just a few of the issues that have given rise to fierce social political and scholarly debate So how do states include and accommodate religious diversity and should this change What are the key difficulties facing states when it comes to governing religious diversity Understanding this

complex phenomenon means thinking through secularism liberalism multiculturalism and nationalism in theory and practice In this new book Tariq Modood and Thomas Sealy draw on original research to present new ways of analysing the governance of religious diversity in different regions of the world Identifying the key challenges at stake they also argue for a new statement of multiculturalism in relation to the governance of religious diversity that of multiculturalised secularism which represents a constructive and productive response to the reality of religiously plural societies Sociology
