## Reluctant Lover:

**The Reluctant Lover** Miranda Lee,1991      *Creating Love* Samantha Stevens,2009-10-12 Want to know how to attract that special someone *Creating Love* the fourth book in the Spirit Book Series by Samantha Stevens is all about how to do just that This practical how to manual surveys historical and modern metaphysical methods that have been used throughout history to help inspire love *Creating Love* supplies you with spiritual prescriptions derived from various cultures and methodologies to help you discover your ultimate soulmate lightworking affirmation prayer candle burning angels gods and goddesses herbs flowers gemstones rituals spells feng shui and recipes What s love got to do with it Everything      His Reluctant Lover Elizabeth Lennox,2014-10-07 As a southern belle Georgette has certain standards she must maintain But when Dylan walks into the ballroom all of her southern manners and poise are unable to hold up under his heated stare She can t believe a Yankee could break through her walls so completely but she must maintain her distance She has goals of her own and she can t let some man no matter how delicious he might be interfere with those goals Dylan can t believe that the lovely lady is even trying to ignore her passionate side She is sensual and funny intelligent and passionate And when they touch they set each other on fire So why is she running away from such a perfect union      *A Reluctant Lover* Vibert Miller,2021-12-07 Two seniors Jacob and Lydia are engaged to be married but Lydia is annoyed that Jacob seems reluctant to take the final step Things reach a boiling point when she questions him and he responds by severing their business relationship as well as their engagement Lydia s heart is broken but she is determined to continue without him Meanwhile Laura Lydia s niece and Jacob s daughter in law is so upset over the games the two people she loves dearly are playing she takes matters into her own hands and tricks them into going to Paris in hopes the city of romance will work its magic on them But Lydia is severely injured by a terrorist s bomb in Paris Her near death experience forces Jacob to examine his feelings for her and decide if he wants her in his life if it s not already too late      The Complete Sonnets and Poems William Shakespeare,2002 Shakespeare s Sonnets are among the most complex and beautiful poems ever written Their exploration of love praise homo and hetero sexual desire is enacted in the richest densest writing in English And the first printed work to which Shakespeare s name was attached was the erotic narrative poem *Venus and Adonis* which developed a sumptuous vocabulary in which to explore love praise of the beloved sexual desire and the power of rhetoric That poem was so popular that most of Shakespeare s contemporaries thought of him as primarily a poet rather than a playwright Yet despite the power of Shakespeare s poems and their foundational place within his oeuvre modern readers have seldom been encouraged to engage with his non dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare s poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to

think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare s thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare s poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in The Passionate Pilgrim in 1599

Grover,2023-11-15 This study aims to reassess the literary importance of Drieu La Rochelle focusing on his fiction rather than political or moral judgments Drieu s conception of literature makes it difficult to entirely separate the artist from the man as his work often intertwines the personal and the political In analyzing Drieu s fiction the complexities and contradictions that emerge from his characters reflect the internal struggles he faced especially in relation to his political stance These nuances often overlooked in traditional political critiques lead to a portrayal of Drieu as a reluctant fascist one who grappled with various human commitments whether in his roles as husband lover soldier or man of letters While critics may point to Drieu s actions as a collaborator during the occupation and his ambiguous stance on antisemitism as evidence of his political commitment this study argues that Drieu s reluctance permeated all aspects of his life including his fascism Drieu s complex character does not easily fit into a simplistic political framework and his ambivalence towards his political ideology speaks to broader contradictions within his personal and artistic identity Coming from an opposing political perspective the study strives to be as objective and understanding as possible placing Drieu s literary works at the forefront of the analysis and offering a nuanced view of his complicated legacy This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1958      Getting the Love You Want: A Guide for Couples: Third Edition Harville Hendrix, Ph.D.,Helen LaKelly Hunt, PhD,2019-01-22 The New York Times bestselling guide to transforming an intimate relationship into a lasting source of love and companionship now fully revised with a new forward and a brand new chapter Getting the Love You Want has helped millions of people experience more satisfying relationships and is recommended every day by professional therapists and happy couples around the world Dr Harville Hendrix and Dr Helen LaKelly Hunt explain how to revive romance and remove negativity from daily interactions to help you Discover why you chose your mate Resolve the power struggle that prevents greater intimacy Learn to listen really listen to your partner Increase fun and laughter in your relationship Begin healing early childhood experiences by stretching into new behaviors Become passionate friends with your partner Achieve a common vision of your dream relationship Become the most

Lennox,2015-05-15 Their story began five years ago Callie fell madly crazily in love with Zahir But the war in his country was raging and nurturing their relationship was tenuous at best When Callie was captured the experience was terrifying Zahir found and rescued her but he knew it would be impossible to insulate her from danger in his country Despite his wishes to be together he knew that to keep her safe he must send her away However he wouldn t let her go until she was his bride In a secret wedding he married her and then spirited her to safety She arrived in her haven traumatized fearful homeless and pregnant Slowly she rebuilt her life gave birth to her son and somehow learned to get on with living without Zahir For five long years Callie recovered from the nightmare of her captivity And she raises her son When Zahir enters her life once more she can t believe that the fire between them is hotter than before But she refuses to give in despite its intensity She s too afraid that the peace between the previously warring countries will end and that she or her son could be in peril again She yearns to feel safe but can she defy her heart or deny her son his father      **The Bookseller** ,1912 Official organ of the book trade of the United Kingdom
