Avery,2007-05-28 This collection includes groundbreaking essays and interviews with scholars and writers which reveal that despite pressures of assimilation personal goals and in some cases anti Semitism they have never been able to divorce their lives or literature from their heritage **RE-DRESSING MIRIAM: 19th CENTURY ARTISTIC JEWISH WOMEN** Irina

Rabinovich,2012-01-26 This book aims at exploring the reciprocal interaction between art and culture and specifically how the literary and artistic images of mid nineteenth century Jewish female artists are interwoven with their factual lifestyles self representations and the reception of their work By analyzing the reciprocal relationship between the dominant culture in which they are embedded and their work I show how the literary and artistic images of Jewish female artists as depicted by Jews and non Jews are interwoven with the factual lifestyles culture and self representations of real Jewish artists Moreover my research reveals how those representations are related to society s centuries long ambivalence towards Jews and specifically towards Jewish female artists as it is revealed in literature and art *A Price Below Rubies* Naomi

Shepherd,1994 Why in the late nineteenth century did Jewish women suddenly march en masse into the pages of radical history *A Price Below Rubies* explores this question and introduces us to these women particularly Anna Kuliscioff Rosa Luxemburg Esther Frumkin Manya Shochat Bertha Pappenheim Rose Pesotta and Emma Goldman Naomi Shepherd s collective biography of these seven women and others tells the story of a revolution that began at home in communities whose limits stirred women to rebel **Jewish Women in the Early Italian Women's Movement, 1861-1945** Ruth

Nattermann,2022-06-30 This book is the first epoch spanning study on Jewish participation in the Italian women s movement

focussing in a transnational perspective on the experience of Italian Jewish protagonists in Liberal Italy during the First World War and the Fascist dictatorship until 1945 Drawing on ego documents contemporary journals and Jewish community archives as well as records by the police and public authorities it examines the tensions within the emancipation process between participation and exclusion The book argues that the racial laws from 1938 did not represent the sudden end of an idyllic integration but rather the climax of a long term development Social marginalization the persecution of Jewish rights and the assault on Jewish lives during fascism are analysed distinctly from the perspective of Jewish women In spite of their significant influence on the transnational orientation of the Italian women s movement their emancipation as women and Jews remained incomplete

Jewish Women in Enlightenment Berlin Natalie Naimark-Goldberg,2016-09-01 The encounter of Jews with the Enlightenment movement has so far been considered almost entirely from a masculine perspective This highly original study based on analysis of the correspondence and literary works of a group of educated Jewish women demonstrates their intellectual proclivities feminine awareness and social activities as well as their attitudes to marriage traditional family frameworks and religion In doing so it makes a significant contribution to German Jewish history as well as to gender studies

The Jews of the United States, 1654 to 2000 Hasia R. Diner,2004-08-23 Annotation A history of Jews in American that is informed by the constant process of negotiation undertaken by ordinary Jews in their communities who wanted at one and the same time to be good Jews and full Americans

Arab and Jewish Women in Kentucky Nora Rose Moosnick,2012-06-29 Outwardly it would appear that Arab and Jewish immigrants comprise two distinct groups with differing cultural backgrounds and an adversarial relationship Yet as immigrants who have settled in communities at a distance from metropolitan areas both must negotiate complex identities Growing up in Kentucky as the granddaughter of Jewish immigrants Nora Rose Moosnick observed this traditionally mismatched pairing firsthand finding that Arab and Jewish immigrants have been brought together by their shared otherness and shared fears Even more intriguing to Moosnick was the key role played by immigrant women of both cultures in family businesses a similarity which brings the two groups close together as they try to balance the demands of integration into American society In *Arab and Jewish Women in Kentucky Stories of Accomodation and Audacity* Moosnick reveals how Jewish

and Arab women have navigated the intersection of tradition assimilation and Kentucky's cultural landscape. The stories of ten women's experiences as immigrants or the children of immigrants join around common themes of public service to their communities, intergenerational relationships, running small businesses, and the difficulties of juggling family and work.

Together, their compelling narratives give greater voice to Arabs and Jews in America's rural areas. **Jewish Women in Europe in the Middle Ages** Simha Goldin, 2020-01-03 Goldin's study explores the relationships between men and women within Jewish society living in Germany, northern France, and England among the Christian population over a period of some 350 years. Looking at original Hebrew sources to conduct a social analysis, he takes us from the middle of the tenth century until the middle of the second half of the fourteenth century when the Christian population had expelled the Jews from almost all of the places they were living. Particularly fascinating are the attitudes towards women as well as their changes in social status. By examining the factors involved in these issues, including views of the leadership, economic influences, internal power politics, and gender struggles, Goldin's book provides a greater understanding of the functioning of these communities. This volume will be of great interest to historians of medieval Europe, gender, and religion. **Jewish and Christian Women in the Ancient Mediterranean**

Sara Parks, Shayna Sheinfeld, Meredith J. C. Warren, 2021-12-30 Winner of the 2023 CSBS Frank W. Beare Award. This engaging and accessible textbook provides an introduction to the study of ancient Jewish and Christian women in their Hellenistic and Roman contexts. This is the first textbook dedicated to introducing women's religious roles in Judaism and Christianity in a way that is accessible to undergraduates from all disciplines. The textbook provides brief contextualising overviews that then allow for deeper explorations of specific topics in women's religion, including leadership, domestic ritual, women as readers and writers of scripture, and as innovators in their traditions. Using select examples from ancient sources, the textbook provides teachers and students with the raw tools to begin their own exploration of ancient religion. An introductory chapter provides an outline of common hermeneutics or lenses through which scholars approach the texts and artefacts of Judaism and Christianity in antiquity. The textbook also features a glossary of key terms, a list of further readings, and discussion questions for each topic and activities for classroom use. In short, the book is designed to be a complete classroom-ready toolbox for teachers who may have never taught this subject as well as for those already familiar with it. **Jewish and Christian Women in the Ancient Mediterranean** is intended for use in undergraduate classrooms; its target audience is undergraduate students and their instructors, although Masters students may also find the book useful. In addition, the book is accessible and lively enough that religious communities, study groups, and interested laypersons could employ the book for their own education. **Minorities in Wartime**

Panikos Panayi, 2016-10-06 In this volume, an international team explores the historical dimensions of a pervasive and controversial issue of our time: the fate of ethnic groups in societies under severe stress. Although this book focusses on the extreme situations of the two world wars, parallels with more recent eruptions of violence and the widespread re-emergence of racism in the wake of dislocation and

disorientation of large populations are striking This pioneering book fills an obvious gap in the field of minority history and the study of war and society **The Jews of Islam** Bernard Lewis, 2014-09-28 This landmark book probes Muslims attitudes toward Jews and Judaism as a special case of their view of other religious minorities in predominantly Muslim societies With authority sympathy and wit Bernard Lewis demolishes two competing stereotypes the Islamophobic picture of the fanatical Muslim warrior sword in one hand and Qur n in the other and the overly romanticized depiction of Muslim societies as interfaith utopias Featuring a new introduction by Mark R Cohen this Princeton Classics edition sets the Judaeo Islamic tradition against a vivid background of Jewish and Islamic history For those wishing a concise overview of the long period of Jewish Muslim relations The Jews of Islam remains an essential starting point Her Voice, Her Faith Katherine Young, 2018-03-13 They say religion is a personal and private affair But when a woman believes in a tradition she has a relationship to that faith beyond her sacred space Religious traditions historically poor treatment of women has lead many to question why they believe How has their tradition either embraced and enlightened or excluded and confined women throughout history Her Voice Her Faith presents the personal and historical perspectives of women who not only live their faith day to day but who also know their religion s history with women in general
