Handbook of Families and Aging Rosemary Blieszner, Victoria Hilkevitch Bedford, 2012-09-20. This comprehensive state-of-the-art textbook and reference volume in family gerontology reviews and critiques the recent theoretical, empirical, and methodological literature, identifies future research directions, and makes recommendations for gerontology professionals. This book is both an updated version of and a complement to the original *Handbook of Families and Aging*. The many additions include the most recent demographic changes on aging families, new theoretical formulations, innovative research methods, recent legal issues and death and bereavement, as well as new material on the relationships themselves, sibling, partnered, and intergenerational relationships, for example. Among the brand-new topics in this edition are step-family relationships, aging families and immigration, aging families and 21st-century technology, and peripheral family ties. Unlike the more cursory summaries found in textbooks, the essays within *Handbook of Families and Aging*, Second Edition, provide thoughtful, in-depth coverage of each topic. No other book provides such a comprehensive and timely overview of theory and research on family relationships, the contexts of family life, and major turning points in late-life families. Nevertheless, the contents are written to be engaging and accessible to a broad audience, including advanced undergraduate students, graduate students, researchers, and gerontology practitioners. Serious lay readers will also find this book highly informative about contemporary family issues.

Choices in Relationships David Knox, Caroline Schacht, I. Joyce Chang, 2023-02-22. *Choices in Relationships* takes readers through the lifespan of relationships, marriages, and families and utilizes research to help them make deliberate, informed choices in their interpersonal relationships. Drawing on extensive research, authors David Knox, Caroline Schacht, and I. Joyce Chang challenge students to think critically about the choice-making process, consider the consequences involved with choices, view situations in a positive light, and understand that not making a choice is a choice after all. The Fourteenth Edition features over 1000 new citations, increased emphasis and discussion of diversity and inclusion throughout each chapter, and the impact of the COVID-19 pandemic on individuals, couples, and families.
