Loves Divided: A Tale of Marriage Law in Nineteenth-Century America

Pasquale De Marco, 2025-04-07 In the vibrant tapestry of American history marriage has been an institution fraught with both promise and peril hope and heartache In the nineteenth century a time of dramatic social cultural and legal change the institution of marriage underwent profound transformations that left an indelible mark on the nation Loves Divided A Tale of Marriage Law in Nineteenth Century America delves into this fascinating and often overlooked chapter in American history Drawing upon court records and other historical sources this book tells the stories of individuals and families caught in the crosshairs of a legal system that both protected and constrained their choices We encounter wives who sought to leave abusive husbands women who manipulated their marital status for personal advantage and couples trapped in loveless or incompatible unions Their struggles and triumphs shed light on the ways in which the law shaped and defined marital relations and spousal identities and how individuals navigated the complexities of marriage and family life within the confines of the law Through these compelling narratives we gain a deeper understanding of the challenges and opportunities that marriage presented for men and women in nineteenth century America We witness the resilience of the human spirit as individuals sought to navigate the complexities of marriage and family life within the constraints of the law Loves Divided is an invitation to explore the intricate history of marriage in nineteenth century America It is a story of love loss power and struggle a story that continues to resonate in our own time This book is a valuable contribution to the study of American history and a fascinating read for anyone interested in the evolution of marriage and family life in the United States If you like this book write a review

Becoming an Adult Stepchild Pearl Ketover Prilik, 1998-01-01

For many adult stepchildren the marriage of a parent is a complicated situation fraught with emotional difficulties as the existing family structure is reshaped through the introduction of new members and the realignment of familial roles and relationships A

parent's marriage and the upheaval it generates can also mobilize long buried feelings within adult stepchildren including anger betrayal resentment and a sense of deprivation Until now the millions of adult stepchildren have not had a resource to help them address the psychological issues they face in this situation Written by an expert with substantial experience in stepfamily life *Becoming an Adult Stepchild Adjusting to a Parent's New Marriage* provides invaluable advice on how to examine the underlying issues and feelings engendered by a parent's marriage and use this knowledge to reduce the inherent tension in this situation In a caring and supportive manner Dr Prilik also urges readers to take advantage of the golden opportunities hidden in their parent's marriage including Initiating positive personal growth Reconciling with an estranged parent Reconnecting with a parent in ways that may enhance closeness with him or her Making changes or taking risks to improve their lives Learning how to cope with uncertainty and change Dr Prilik begins each chapter by posing a few questions on specific subjects and situations that challenge readers to examine their feelings attitudes and behavior toward their parent's marriage She then explores the underlying conflicts brought about by these particular circumstances and provides numerous vignettes to illustrate typical adult reactions to a parent's remarriage She also offers many suggestions on how readers can reduce the tension and acrimony that can develop during this transition Armed with this awareness and practical advice adult stepchildren can build more satisfying relationships within their new family structure and use this unique opportunity for profound personal growth
