Remember When How To Unlock Your Life Story:

The Hockneys John Hockney, 2021-08-31 The most charming portrait of this ever popular artist so enormously appealing good natured bluntly told skimmed with Yorkshire humour This is a story of sticky jam tarts catching tadpoles in jars torchlit conversations under the bedclothes gossipy queues at the butcher s and hikes among the hedgerows under swallow strewn skies The Telegraph Never worry what the neighbours think was the philosophy that Kenneth Hockney used to inspire his children David Hockney one of the world s greatest living artists and siblings John Paul Philip and Margaret to each choose their own route in life The Hockney s is a never before seen insight into the lives of the family by youngest brother John from growing up in the Second World War in Bradford through to their diverse lives across three continents Hardship successes as well as close and complex relationships are poignantly illustrated with private photographs With a rare and spirited look into the lives of an ordinary family with extraordinary stories we begin to understand the creative freedom that led to their successful careers and the launchpad for an artist s work that has inspired and continues to inspire generations across the world
