

REMEMBERED PRISONERS of a FORGOTTEN WAR

AN ORAL HISTORY OF
KOREAN WAR POW'S

LEWIS H. CARLSON

Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows

Glenn Robins

Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows:

Remembered Prisoners of a Forgotten War Lewis H. Carlson, 2025-06-25 *Remembered Prisoners of a Forgotten War* presents a devastating oral history of Korean War POWs. The Korean War POW remains the most maligned victim of all American wars. For nearly half a century the media, general public, and even scholars have described hundreds of these prisoners as brainwashed victims who uncharacteristically caved in to their Communist captors or even worse as turncoats who betrayed their fellow soldiers. In either case, these boys apparently lacked the right stuff required of our brave sons. Here at long last is a chance to hear the true story of these courageous men in their own words, a story that until now has gone largely untold. Dr. Carlson debunks many of the popular myths of Korean War POWs in this devastating oral history that is as compelling and moving as it is informative. From the Tiger Death March to the paranoia here at home, Korean POWs suffered injustices on a scale few can comprehend. More than 40 percent of the 7,140 Americans taken prisoner died in captivity, and as haunting tales of the survivors unfold, it becomes clear that the goal of these men was simply to survive under the most terrible conditions. Each survivor's story is a unique and personal experience from missionary teacher Larry Zeller's imprisonment in the death cells of Pyongyang and his first encounter with the infamous killer known as The Tiger to Rubin Townsend's daring escape from a death march by jumping off a bridge in a blinding snowstorm. From capture to forced marches, isolation, permanent camps, and torture, *Remembered Prisoners of a Forgotten War* is one of the most fascinating and disturbing books on the Korean War in years and a brutally honest account of the Korean POW experience in the survivors' own words. *Remembered Prisoners of a Forgotten War: An Oral History of Korean War POWs* Lewis H.

Carlson, 2003-03-01 The Korean War POW remains the most maligned victim of all American wars. For nearly half a century the media, general public, and even scholars have described hundreds of these prisoners as brainwashed victims of a heinous enemy who had uncharacteristically caved in to their Communist captors or even worse as turncoats who betrayed their fellow soldiers. In either case, these boys apparently lacked the right stuff required of our brave sons. Dr. Carlson debunks these popular myths in this captivating oral history. From the Tiger Death March to the paranoia here at home, Korean War POWs suffered injustices on a scale few can comprehend. Here at long last is a chance to hear the true story of these brave men in their own words, a story that until now has gone largely untold. *Caged Heroes* Jon Couch, 2011-11-11 *Caged Heroes* American POW Experiences from the American Revolution to the Present is a snapshot of four hundred years of hostage and prisoner of war experiences. *Caged Heroes* details prisoners' experiences from the moment they are told to put their hands up through their detentions and culminating in their releases. It examines the successes and failures of the United States government to prepare its forces for prisoner events, discussing survival schools, rules on how prisoners are told to act while in captivity, and glimpses of how being taken prisoner affects the prisoners and guards alike. Using numerous personal interviews and diaries of former prisoners and their spouses, the reader gets a rare look at the horrors these men and women

experienced Containing an extensive bibliography and complete POW rosters from several conflicts this book will add to any casual readers knowledge and serve as a top reference for those wanting to understand more about this misunderstood field

The Korean War Remembered Michael J. Devine,2023-08 Michael J Devine explores the public memory of the Cold War conflict to show how these memories have evolved over time in a complex and changing international environment and continues to impact efforts at resolution of tensions with East Asia British Prisoners of the Korean War S. P. MacKenzie,2012-09-06 During the Korean War nearly a thousand British servicemen along with a handful of British civilians were captured by North Korean and Red Chinese forces In various camps in the vicinity of Pyongyang and villages along the Yalu River these men found themselves subjected to a prolonged effort by the enemy to undermine their allegiance to the Crown and enlist them in various propaganda campaigns directed against the UN war effort British Prisoners of the Korean War is the first academic study to examine in detail exactly what happened to the major groups of British military and civilian prisoners held in different locations at various junctures between 1950 and 1953 It explores the extent to which factors such as exposure to the actions of the North Koreans as against the Red Chinese evolving physical conditions enemy re education efforts communist attempts at blackmail British attitudes towards the Americans and personal background and leadership qualities among captives themselves influenced the willingness and ability of the British prisoners to collaborate or resist Thanks to the availability of hitherto classified or underutilized source materials it is now possible to test the common popular assumption based on official accounts and memoirs from the 1950s that in marked contrast to their American cousins British captives in the Korean War were pretty much immune to communist efforts at subverting their loyalty The results suggest that British attitudes and actions while in enemy hands were rather more nuanced and varied than previously assumed *The Enemy in Our Hands* Robert C. Doyle,2010-03-19 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s *The Enemy in Our Hands* America s Treatment of Prisoners of War from the Revolution to the War on Terror draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle

provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged **The Ashgate Research Companion to the Korean War** Donald W. Boose,2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950 1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war The Interrogation Rooms of the Korean War Monica Kim,2020-11-03 Traditional histories of the Korean War have long focused on violations of the thirty eighth parallel the line drawn by American and Soviet officials in 1945 dividing the Korean peninsula But The interrogation rooms of the Korean War presents an entirely new narrative shifting the perspective from the boundaries of the battlefield to inside the interrogation room Upending conventional notions of what we think of as geographies of military conflict Monica Kim demonstrates how the Korean War evolved from a fight over territory to one over human interiority and the individual human subject forging the template for the U S wars of intervention that would predominate during the latter half of the twentieth century and beyond Kim looks at how during the armistice negotiations the United States and their allies proposed a new kind of interrogation room one in which POWs could exercise their free will and choose which country they would go to after the ceasefire The global controversy that erupted exposed how interrogation rooms had become a flashpoint for the struggles between the ambitions of empire and the demands for decolonization as the aim of interrogation was to produce subjects who attested to a nation s right to govern The complex web of interrogators and prisoners Japanese American interrogators Indian military personnel Korean POWs and interrogators and American POWs that Kim uncovers contradicts the simple story in U S popular memory of brainwashing during the Korean War Korean War Comic Books Leonard Rivas,2021-04-30 Comic books have presented fictional and fact based stories of the Korean War as it was being fought and afterward Comparing these comics with events that inspired them offers a deeper understanding of the comics industry America s forgotten war and the anti comics movement championed by psychiatrist Fredric Wertham who criticized their brutalization of the imagination Comics both newsstand

offerings and government propaganda used fictions to justify the unpopular war as necessary and moral This book examines the dramatization of events and issues including the war's origins germ warfare brainwashing Cold War espionage the nuclear threat African Americans in the military mistreatment of POWs and atrocities *War Memories* Stéphanie A.H. Bélanger, Renée Dickason, 2017-05-31 Shaping individual and collective war memories through the art of commemoration

The Longest Rescue Glenn Robins, 2013-09-20 While serving as a crew chief aboard a U S Air Force Rescue helicopter Airman First Class William A Robinson was shot down and captured in Ha Tinh Province North Vietnam on September 20 1965 After a brief stint at the Hanoi Hilton Robinson endured 2 703 days in multiple North Vietnamese prison camps including the notorious Briarpatch and various compounds at Cu Loc known by the inmates as the Zoo No enlisted man in American military history has been held as a prisoner of war longer than Robinson For seven and a half years he faced daily privations and endured the full range of North Vietnam's torture program In *The Longest Rescue The Life and Legacy of Vietnam POW William A Robinson* Glenn Robins tells Robinson's story using an array of sources including declassified U S military documents translated Vietnamese documents and interviews from the National Prisoner of War Museum Unlike many other POW accounts this comprehensive biography explores Robinson's life before and after his capture particularly his estranged relationship with his father enabling a better understanding of the difficult transition POWs face upon returning home and the toll exacted on their families Robins's powerful narrative not only demonstrates how Robinson and his fellow prisoners embodied the dedication and sacrifice of America's enlisted men but also explores their place in history and memory

Cold Days in Hell William Clark Latham, 2013-01-31 Prisoners suffer in every conflict but American servicemen captured during the Korean War faced a unique ordeal Like prisoners in other wars these men endured harsh conditions and brutal mistreatment at the hands of their captors In Korea however they faced something new a deliberate enemy program of indoctrination and coercion designed to manipulate them for propaganda purposes Most Americans rejected their captors promise of a Marxist paradise yet after the cease fire in 1953 American prisoners came home to face a second wave of attacks Exploiting popular American fears of communist infiltration critics portrayed the returning prisoners as weak willed pawns who had been brainwashed into betraying their country The truth was far more complicated Following the North Korean assault on the Republic of Korea in June of 1950 the invaders captured more than a thousand American soldiers and brutally executed hundreds more American prisoners who survived their initial moments of captivity faced months of neglect starvation and brutal treatment as their captors marched them north toward prison camps in the Yalu River Valley Counterattacks by United Nations forces soon drove the North Koreans back across the 38th Parallel but the unexpected intervention of Communist Chinese forces in November of 1950 led to the capture of several thousand more American prisoners Neither the North Koreans nor their Chinese allies were prepared to house or feed the thousands of prisoners in their custody and half of the Americans captured that winter perished for lack of food shelter and medicine Subsequent

communist efforts to indoctrinate and coerce propaganda statements from their prisoners sowed suspicion and doubt among those who survived Relying on memoirs trial transcripts debriefings declassified government reports published analysis and media coverage plus conversations interviews and correspondence with several dozen former prisoners William Clark Latham Jr seeks to correct misperceptions that still linger six decades after the prisoners came home Through careful research and solid historical narrative Cold Days in Hell provides a detailed account of their captivity and offers valuable insights into an ongoing issue the conduct of prisoners in the hands of enemy captors and the rules that should govern their treatment

Encyclopedia of Military Science G. Kurt Piehler,2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today s military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events Click here to read an article on The Daily Beast by Encyclopedia editor G Kurt Piehler Why Don t We Build Statues For Our War Heroes Anymore

Seeking Meaning, Seeking Justice in a Post-Cold War World Judith Keene,Elizabeth Rezniewski,2018-03-27 The challenge for historians as for individuals and nations has been to make sense of the Cold War past without recourse to the obsolete frameworks of a dichotomous world The editors of Seeking Meaning Seeking Justice in the Post Cold War World Judith Keene and Elizabeth Rezniewski have brought together contributions that address the diverse modes by which the Cold War is being assessed with a major focus on countries on the periphery of the Cold War confrontation These approaches include developments in historiography as new intellectual and cultural frame are applied to old debates Authors also consider the universal principles and moral discourses including that of human rights on which judgements have been based and judicial processes instigated and the forms of memorialisation that have sought to come to terms and perhaps achieve reconciliation with a Cold War past Contributors are Ann Curthoys Philip Deery Katherine Hite Michael Humphrey Su kyong Hwang Perry Johansson Judith Keene Betty O Neill Peter Read Elizabeth Rezniewski Estela Valverde Adrian Vickers and Marivic Wyndham

Hollywood Asian Hye Seung Chung,2006 How a Korean American actor became a Hollywood Oriental star

I Cannot Forget Judith Fenner Gentry,John Wilson Moore,2013-09-01 Eighteen year old Johnny Moore was an energetic self confident private first class when he entered combat with a heavy weapons platoon in Korea Four and a half months later after surviving heavy attacks on the Pusan Perimeter and in one of the forward units of the western column advancing on the Yalu River he was captured by the Chinese infantry Moore and other American POWs

suffered from starvation rations bitter cold and mental torment Although the intense Chinese efforts to change the prisoners ideologies were largely unsuccessful they were very effective in engendering distrust among the prisoners and abandonment of duty by the officers Encouraged by an American sergeant Moore worked with his captors to obtain better sanitation a fairer distribution of food and on two occasions medicine for the sick Twice he tried to escape from imprisonment Just four days after his twenty first birthday in 1953 the Chinese released him Moore cooperated fully with US military interrogators giving as much information as he could on the prison camp and the methods his captors had used But two years later army officers arrested him at his home and charged him with treason Although the charge was dropped and a Field Board of Inquiry returned him to regular duty the army s treatment of him left Moore further traumatized He eventually went AWOL and turned to drinking gambling and other self destructive behaviors Military historian Judith Fenner Gentry has worked with Moore s memoirs of his experiences during and after the war to corroborate clarify elaborate and situate his story within the larger events in Korea and in the Cold War She has consulted records from courts martial newspaper interviews with returning POWs and Freedom of Information Act documents on the Army Criminal Investigation Division and the Army Counter Intelligence Corps

Routledge Handbook of Modern Korean History Michael Seth,2016-01-29 Beginning in the mid nineteenth century when Korea became entangled in the world of modern imperialism and the old social economic and political order began to change this handbook brings together cutting edge scholarship on major themes in Korean History Contributions by experts in the field cover the Late Choson and Colonial periods Korea s partition and the diverging paths of North and South Korea Topics covered include The division of Korea Religion Competing imperialisms Economic change War and rebellions Nationalism Gender North Korea Under Kim Jong Il Global Korea The Handbook provides a stimulating introduction to the most important themes within the subject area and is an invaluable reference work for any student and researcher of Korean History

And the Wind Blew Cold Richard M. Bassett,Lewis H. Carlson,2002 When Richard Bassett returned from Korea on convalescent leave in 1953 he set down his experiences in training combat and captivity More than 20 years later hospitalized for acute Post Traumatic Stress Disorder he once again faced his personal demons This work expands the memoir to include his post war struggles with the US government and his own wounded psyche He describes the shock of capture and ensuing long march to Pyokdong North Korea Camp 5 on the Yellow River where many prisoners died of untreated wounds disease hunger paralyzing cold and brutal mistreatment in the bitter winter of 1950 51 He recounts Chinese attempts to mentally break down prisoners in order to exploit them for propaganda He then takes the reader through typical days in a prisoner s life discussing food clothing shelter and work the struggle against unrelenting boredom religious social and recreational diversions and even those moments of terror when all seemed lost It refutes Cold War era propaganda that often unfairly characterized POWs as brainwashed victims or even traitors who lacked the grit that Americans expected of their brave sons

In the Shadow of the Greatest Generation Melinda L. Pash,2014-05-22 Largely

overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way

Brainwashed Daniel Pick, 2022-07-07 A frankly brilliant book GUARDIAN

An absorbing exploration Pick does not stumble TORTOISE An extraordinarily engrossing and wide ranging analysis of a word and a concept I fell under its spell immediately SIMON GARFIELD In 1953 a group of prisoners of war who had fought against the communist invasion of South Korea were released They chose apparently freely to move to Mao's China Among those refusing repatriation were twenty one American GIs Their decision sparked alarm in the West why didn't they want to come home What was going on Soon people were saying that the POWs had been brainwashed Was this something new or a phenomenon that has been around for centuries The belief that it is possible to marshal scientific knowledge to govern someone's mind gained enormous attention In an era of Cold War paranoia and experimentation on altered states the idea of brainwashing flourished appearing in everything from critiques of CIA research on LSD to warnings of corporate groupthink from visions of automaton assassins to conspiracy theories about global elites Today brainwashing is almost taken for granted built into our psychological and political language rooted in the way we think about minds and societies How did we get to this point and why Psychoanalyst and historian Daniel Pick delves into the mysterious world of brainwashing in the twentieth and twenty first centuries from The Manchurian Candidate to ISIS TV advertising to online algorithms Mixing fascinating case studies with historical and psychological insights Brainwashed is a stimulating journey into the mysteries of thought control

Embracing the Beat of Appearance: An Psychological Symphony within **Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows**

In some sort of used by screens and the ceaseless chatter of quick conversation, the melodic beauty and psychological symphony created by the published term usually fade into the back ground, eclipsed by the constant noise and disruptions that permeate our lives. But, situated within the pages of **Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows** a wonderful literary treasure full of raw feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this fascinating masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of this touching assessment, we will explore the book is key harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows Introduction

In today's digital age, the availability of Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an

efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books and manuals for download and embark on your journey of knowledge?

FAQs About Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows Books

1. Where can I buy Remembered Prisoners Of A Forgotten War An Oral History Of Korean War Pows books? Bookstores:

- Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
