Remembering Dolores:

Don't Let Nobody Turn You Around Justin Giboney, 2025-11-04 Choose Witness Over War It's possible to be faithful in the public square without joining the culture war. In fact, there's a model. The Black church's social action tradition has long rejected the idea that overcoming polarization means moral compromise. Its historic public witness has defied the culture war's demands to treat opponents as enemies. In his new book *Don't Let Nobody Turn You Around*, AND Campaign co-founder and president Justin Giboney explores a compelling vision of how the Black Church's social action tradition can inspire hope and healing in the face of today's polarized culture wars. The spirituals of the Black church, such as *Don't Let Nobody Turn You Around*, were rallying cries during the Civil Rights movement, making clear the connection between faith and justice during marches and protests. These songs encapsulated the unwavering faith and resilience of the Black church, propelling ongoing advocacy for justice in the public square, rooted firmly in the Black church's powerful public expression of faith. Centered on faith, justice, and moral imagination, *Don't Let Nobody Turn You Around* offers a blueprint for public witness that rises above division without compromising Christian values. Giboney thoughtfully examines the principles, motives, and accomplishments of the Black Church's legacy, calling all Christians to a courageous and faithful engagement in the public square. This book challenges assumptions on both the Left and Right, presenting a bold model for how social justice and moral order can work together while resisting the demands of polarization and enmity. In this book, you will discover the Black Church's rich history of pairing orthodoxy and orthopraxy in its public witness. Learn how this history can transform today's polarized politics. Explore how to value both social justice and moral order for a faithful Christian witness. This book is not just for the Black church; it's a call for the whole church to bear public witness in a distinctly Christian way. Whether you're politically engaged or disillusioned by the brokenness of Christian public witness today, *Don't Let Nobody Turn You Around* will inspire you to act with courage, conviction, and Christ-likeness. Choose witness over culture war and get your copy today. **Remembering Me**

Nancy Green, 2010-04-14 This book was written to give me three sons their children an idea of where they came from. Where they go from here is their individual decision. I have tried to touch on things that were influential in making me who I am. It is presented with love. **Living with Snakes**

Daniel Curley, 2013-03-01 In Daniel Curley's stories, passionate rage and cool, clear hatred alter the terms of even the most basic human relationships, etching odd patterns on the surface of the natural world. A man applies the methods of Mata Hari to the task of keeping track of his ex-wife, the victim of a pickpocket, plots psychological revenge on the criminal population of a Mexico City bus line, a spurned lover summons all his strength and courage to liberate a roomful of snakes held captive by his rival. For the most part, the figures in the landscape of these stories are men and women performing the rituals that lead to and away from marriage. In *The First Baseman*, a man in the process of getting a divorce falls in love with a player on a woman's softball team, but their conversation never goes far beyond the subject of her batting average. In *Trinity*, an estranged couple brought together again by the death of their

daughter finds that they cannot recreate either their love or their child And in Wild Geese a man s dream about his childhood when flocks of geese patterned the sky is interrupted and finally shot through by fevered images of a tedious dinner party Nature exists as a refuge in these stories but it is a refuge mostly to be found in the shadow of the fear of death in the recesses of memory beyond the bars that isolate zoo animals from an unruly world Demonically honest and sometimes violently funny Living with Snakes tells of a world where love is at best a touch and go sort of thing where sometimes men and women are bound together not so much by affection as by mutual loss mutual pain Stories from the Flannery O'Connor Award Charles East,2013-03-01 Stories selected from winning volumes published in the series first fifteen years from David Walton s Evening Out 1983 to Andy Plattner s Winter Money 1997 **Latino Literature** Christina Soto van der Plas,Lacie Rae Buckwalter Cunningham,2023-03-31 Winner 2024 RUSA Outstanding Reference Award Offers a comprehensive overview of the most important authors movements genres and historical turning points in Latino literature More than 60 million Latinos currently live in the United States Yet contributions from writers who trace their heritage to the Caribbean Central and South America and Mexico have and continue to be overlooked by critics and general audiences alike Latino Literature An Encyclopedia for Students gathers the best from these authors and presents them to readers in an informed and accessible way Intended to be a useful resource for students this volume introduces the key figures and genres central to Latino literature Entries are written by prominent and emerging scholars and are comprehensive in their coverage of the 19th 20th and 21st centuries Different critical approaches inform and interpret the myriad complexities of Latino literary production over the last several hundred years Finally detailed historical and cultural accounts of Latino diasporas also enrich readers understandings of the writings that have and continue to be influenced by changes in cultural geography providing readers with the information they need to appreciate a body of work that will continue to flourish in and alongside Latino communities The Paranormal Review Erik Brogger,1979 *Lupin Collection* Maurice Leblanc,2023-12-28 The Lupin Collection by Maurice Leblanc is a richly woven tapestry of stylistic brilliance and captivating narrative that chronicles the exploits of the quintessential gentleman thief Ars ne Lupin Set against the backdrop of early 20th century France Leblanc s stories blend elements of mystery adventure and social critique utilizing a witty and ironic tone that aligns with the literary traditions of both the detective fiction genre and the burgeoning modernist movement of his time The collection not only showcases Lupin s clever heists and escapades but also his propensity to outsmart adversaries including the famed Sherlock Holmes offering readers a fresh perspective on classic tropes of heroism and villainy Maurice Leblanc was a prolific French author influenced by his experiences in a rapidly changing society marked by industrialization and the clash of tradition and modernity His fascination with crime justice and moral ambiguity permeates his writing allowing readers to explore philosophical questions within entertaining narratives The creation of Lupin as a character arose from Leblanc s desire to challenge established norms of criminality and heroism that were prevalent in literature The Lupin Collection is a must read

Help Others Luann Lee Brown, 2012-04-03 Grief is like ocean waves hitting hard against the sand and receding only to return. Waves of emotion crash and people say, "I don't know what to say or do to help." This book is for them. It's for you. We all have either lost someone or tried to comfort the bereaved and felt helpless. Every page gives a fresh idea for comforting during the hardest time in someone's life, perhaps your own. Luann Lee Brown worked as an occupational therapist for twenty years, mostly in psychiatry, helping depressed people in crisis. She volunteered at a local police department, helping give death notifications or supporting a family and friends when a loved one committed suicide, as well as other roles during horrific times. This book includes a section on helping those left behind after suicide or murder and sections on how to help children in the throes of grief. May the waves of grief soften and become less treacherous. May the sun shine and sparkle on the ocean of your or your loved one's lives. May you feel the joy of serving another while you heal from your near drowning in an ocean of your own loss. **Murder in Vegas** Michael Connelly, 2007-04-01

In *Murder in Vegas*, the International Association of Crime Writers and New York Times bestselling author Michael Connelly have gathered twenty-two crime and mystery stories about the ultimate playground and what can happen behind the glitz and glamour. Las Vegas, Lost Wages, Sin City. An artificial oasis of pleasure, spectacle, and entertainment, the gambling capital of America has reinvented itself so many times that it's doubtful that anyone knows for sure what's real and what isn't. In the miles of neon and scorching heat, Las Vegas is considered the ultimate player's destination, no matter what your game. Almost anything is available for a price, mind you, and sometimes losers walk away from the tables with even less than just an empty wallet or purse. Sometimes they don't walk away at all. From a gambler who must win at the roulette table to stay alive to a courier whose only mistake was accepting a package with Las Vegas as the final destination, come to the true city that never sleeps where fortunes are made and lost every day and where snake eyes aren't found just on a pair of dice. *Murder in Vegas* features stories by James Swain, S. J. Rozan, Wendy Hornsby, Michael Collins, T. P. Keating, J. Madison, Davis Sue Pike, Joan Richter, Libby Hellmann, Tom Savage, Edward Wellen, K. J. A.
